4. PUBLIC HEARINGS

4.1. Land Use Bylaw

Mayor Pankiw Opening of Public Hearing for Bylaw 1008/24 – Land Use Bylaw at 5:03 P.M.

Mayor Pankiw advised the purpose of Bylaw 1008/24 is a bylaw to regulate and control the use and development of land and buildings within the Town to achieve the orderly and economic development of land, and for that purpose, amongst other things:

Mayor Pankiw requested confirmation of notice from Development Officer.

Notice was placed in the July 9, 2024, and July 16, 2024, editions of the Rimbeby Review.

Notice was given to adjacent property owners by regular mail and notice was provided to affected agencies.

Notice of this public hearing was posted on the Town of Rimbeby website under important notices with a copy of the complete package available for public review and posted on both the front and back doors of the Town of Rimbeby Administration Office and at the front counter.

As a result of Council motion 121/2024, notice of the addition of housing, manufactured to the CR and RE districts was mailed via Canada Post to all landowners in both districts on July 5, 2024.

Mayor Pankiw requested a report from Development Officer regarding Bylaw 1008/24 Amendment to Land Use Bylaw 917/16.

At the Regular Council Meeting held on May 24, 2024, Development Officer, Liz Armitage presented 1008/24 Bylaw draft to Council, at which time Council gave it first reading. The proposed bylaw is an update to the existing Land Use Bylaw 917/16. Staff is presenting the bylaw in a repeal and replace manner for simplicity of adoption. The amendments are summarized as follows:

- Subdivision and Development Appeal Board has been updated to reference Appeal Body due to updated provincial legislation with the creation of the Land and Rights Tribunal.
- Vehicular definitions and objectionable items in yard regulations amendments at the suggestion of the Bylaw Committee.
- Amendments to housing, manufactured, housing, modular and housing, mobile.
- Clarification of regulations for accessory buildings.
- Clarification of when development permits are required for solar collectors.
- Complete Certificate has been changed to Complete Letter.
- Clarification of variance authority.
- Clarification of notice of decision.
- Clarification of appeal procedures.
- Clarification of lighting regulations in the parking section.
- Clarification of Home Occupations and renaming them to Home Based Businesses.
- Correction of minor typos and grammatical errors and updating of numbering throughout the document.

At the Regular Council Meeting held on June 24, 2024, Council made the following motion:

Motion 121/2024 - Moved by Mayor Pankiw to approve the addition of "manufactured homes" to the list of discretionary uses for Residential Estates and Country Residential, in the 1008/24 Land Use Bylaw and to send letters to the adjacent landowners.

Please note that the bylaw presented before Council today does not have this addition included as the motion was not considered during the approval process which is not the standard order for amending a bylaw within the approval system, per the MGA. Should Council wish to proceed with this amendment, I recommend a motion be passed while considering second reading.

In addition to the formal circulation responses received, the Town of Rimbey received two additional requests for land use bylaw amendments that were coincidentally submitted during the same time period.

1. On behalf of Rimbey Ridge Properties Ltd., Elaa Aki has requested the redesignation of Lots 4, 5 and 6, Block 19, Plan 1623868 from High Density Residential (R3) to Low Density Residential (R1). Note that Council approved the redesignation of this property from Low Density Residential (R1) to High Density Residential (R3) on May 27, 2024. Upon further evaluation the landowner has determined that they would prefer to build single family houses and thus require the R1 designation be re-established on these properties.

2. Amend section 12.7.(5)(a)(ii) to read "3.0 m from the rear lot line of the manufactured home park." from the 6.0m setback currently in the LUB. This request was submitted by John Le Vann, owner of the Lindy's Trailer Park. The rationale for the setback change is to accommodate modern manufactured homes within the park.

As both amendments are minor in nature, administration recommends that both amendments be approved as part of the approval of Land Use Bylaw 1008/24.

Mayor Pankiw asked if there were any written submissions.

Development Officer Liz Armitage advised that written submissions were received from the following:

- Three (3) phone calls, in which all 3 individuals expressed opposition to the addition of manufactured homes.
- Sixteen (16) letters of opposition to the amendment to add "manufactured homes" to the list of discretionary uses for Residential Estates and Country Residential land use districts. All the letters are attached to this report.
- Multiple emails from 1 individual indicating that they intend to apply for a Development Permit for a manufactured home. These emails were not submitted specifically for this bylaw purpose and as such are not included in the report.

Two (2) additional written submission were received after the deadline to be included in the Council package. These will be read into the record:

Agency circulation is currently underway. At this time, we have received comments from Alberta Transportation (as attached). The comments have resulted in the following suggested amendments:

- All references of Alberta Transportation be updated to read "Alberta Transportation and Economic Corridors."
- Section 4.2(3) be amended to read:
Notwithstanding 4.2(1), the Development Authority may refer development in proximity to a Highway:
(a)Applications for development located within 0.3 km of the highway right of way, or within 0.8 km of the centre point of the intersection of the highway and another roadway, of a multi-lane highway or a major two-lane highway where the proposed development would have direct access from the highway or intensify traffic to impact highway intersection shall be referred to Alberta Transportation and Economic Corridors for comment prior to any decision by the Development Authority;

- Remove section 4.2(3)(b)
- Amend Section 11.7(7)(a) to add “in accordance with Section 11 (2) of the Highway Development Protection Regulation.” The clause will read “Billboard signs, electronic signs, dynamic signs and rotating signs which are visible from Highway 20, Highway 20A and Highway 53, but located outside of the Highway Right-Of-Way, shall be circulated to Alberta Transportation and Economic Corridors for comment in accordance with Section 11(2) of the Highway Development Protection Regulation.”

Additional feedback received from agencies should be brought to Council prior to third reading.

As a result of this input, Administration has prepared a motion for council to consider, which is contained in the Council report.

Mayor Pankiw asked if there were any persons present wishing to be heard.

Shandel Barr spoke in favor of the change to add manufactured homes to the list of discretionary uses for Residential Estates and Country Residential. She presented the guidelines and specifications of the proposed manufactured home of her clients.

Duane Adams spoke in opposition to the bylaw change to add manufactured homes to the list of discretionary uses for Residential Estates and Country Residential. He feels that allowing the change will decrease the value of the existing properties.

Cyril Johnson, a potential buyer, spoke in favor of the bylaw change and his proposed manufactured home.

John Bromwich spoke in opposition to the change to add manufactured homes to the list of discretionary uses for Residential Estates and Country Residential.

Bob Lawson spoke about the specifications and standards that were in place when they purchased their lot which is why they chose that lot. He is in opposition to the change to add manufactured homes to the list of discretionary uses for Residential Estates and Country Residential.

Kim Short spoke in opposition to the change to add manufactured homes to the list of discretionary uses for Residential Estates and Country Residential. She feels that allowing the change will decrease the value of the existing properties.

Mayor Pankiw asked a second time if there were any persons present wishing to be heard.

Sarah Cooper spoke about the possibility of changing the definition for manufactured homes to avoid confusion.

Mayor Pankiw asked at third time if there were any persons present wishing to be heard.

Cary Anderson spoke about the need to sell lots in the subdivision while maintaining property values. He stated manufactured homes can be as nice as stick built homes.

Motion 136/2024

Moved by Councillor Clark to adjourn the Public Hearing for Bylaw 1008/24 Amendment to Land Use Bylaw 917/16 until 5:00 P.M. on August 26, 2024, in order to accept outstanding circulation responses from agencies.

Town Council REQUEST FOR DECISION

Meeting: August 26, 2024
Submitted By: Liz Armitage, Development Officer
Subject: Land Use Bylaw
Item For: Public Information -or- Closed Session

BACKGROUND:

At the Regular Council Meeting held on May 24, 2024, Development Officer, Liz Armitage presented 1008/24 Bylaw draft to Council, at which time Council gave it first reading.

At the Regular Council Meeting held on June 24, 2024, Council made the following motion:

Motion 121/2024

Moved by Mayor Pankiw to approve the addition of "manufactured homes" to the list of discretionary uses for Residential Estates and Country Residential, in the 1008/24 Land Use Bylaw and to send letters to the adjacent landowners.

Note: Should Council choose to proceed with adding manufactured homes to the list of discretionary uses for Residential Estates and Country Residential land use districts, clause 12.9(10)(e) "No moved in or relocated buildings shall be permitted in the Residential Estates (RE) district." will also need to be removed from the Land Use Bylaw.

Council held a public hearing on July 22, 2024. At that meeting four (4) people spoke in opposition to the proposed changes referenced in motion 121/2024. Three (3) people spoke in favour. The public hearing was adjourned in accordance with the Town of Rimbey's procedural bylaw and scheduled for August 26, 2024 at 5pm to accommodate additional agency circulation comments to be brought to the August 26, 2024 Public Hearing. Additional agency comments are included in this report.

Public Notices:

Notice was placed in the July 9, 2024, and July 16, 2024, editions of the Rimbey Review.

Notice of this public hearing was posted on the Town of Rimbey website under important notices with a copy of the complete package available for public review and posted on both the front and back doors of the Town of Rimbey Administration Office and at the front counter.

As per **Motion 121/2024**, all properties contained with the Residential Estates Land Use District and the County Residential Land Use District received notice of the addition of “manufactured homes” to the Land Use Bylaw. Letters were mailed via Canada Post on July 5, 2024.

Summary of Community Responses:

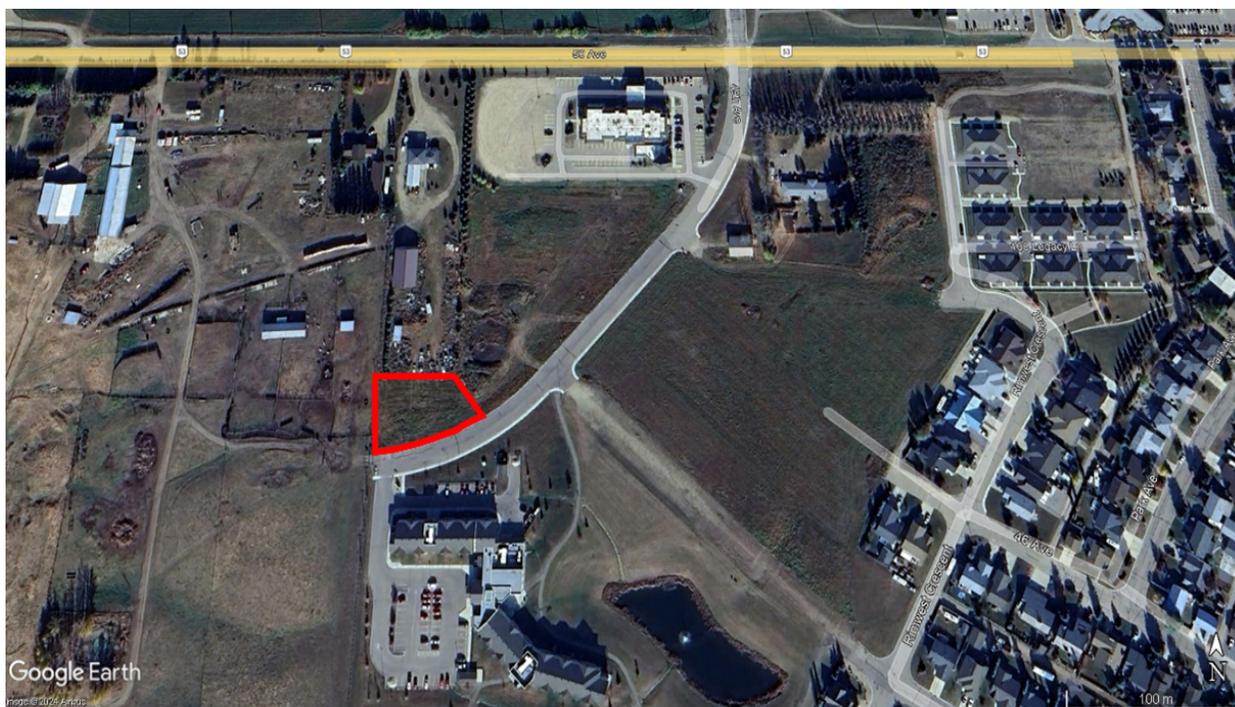

In response to the Public Hearing notices, the following is a summary of the responses received as of the written submission deadline of July 17, 2024, by 4:30pm.

- Three (3) phone calls, in which all 3 individuals expressed opposition to the addition of manufactured homes.
- Sixteen (16) letters of opposition to the amendment to add “manufactured homes” to the list of discretionary uses for Residential Estates and Country Residential land use districts. All the letters are attached to this report.
- Multiple emails from 1 individual indicating that they intend to apply for a Development Permit for a manufactured home. These emails were not submitted specifically for this bylaw purpose and as such are not included in the report.

Two (2) written submissions, which are included in the attachments, were received after the deadline and they were read aloud at the Public Hearing on July 22, 2024.

In addition to the formal circulation responses received, the Town of Rimbey received two additional requests for land use bylaw amendments that were coincidentally submitted during the same time period.

1. On behalf of Rimbey Ridge Properties Ltd., Elaa Aki has requested the redesignation of Lots 4, 5 and 6, Block 19, Plan 1623868 from High Density Residential (R3) to Low Density Residential (R1), as indicated in the map below. Note that Council approved the redesignation of this property from Low Density Residential (R1) to High Density Residential (R3) on May 27, 2024. Upon further evaluation the landowner has determined that they would prefer to build single family houses and thus require the R1 designation be re-established on these properties.

2. Amend section 12.7.(5)(a)(ii) to read “3.0 m from the rear lot line of the manufactured home park.” from the 6.0m setback currently in the LUB. This request was submitted by John Le Vann, owner of the Lindy’s Trailer Park. The rationale for the setback change is to accommodate modern manufactured homes within the park.

As both amendments are minor in nature, administration recommends that both amendments be approved as part of the approval of Land Use Bylaw 1008/24.

Agency Circulation Responses:

At the time of the July 22, 2024, Public Hearing, the Town had received comments from Alberta Transportation. The comments have resulted in the following suggested amendments:

- All references of Alberta Transportation be updated to read “Alberta Transportation and Economic Corridors.”
- Section 4.2(3) be amended to read:
Notwithstanding 4.2(1), the Development Authority may refer development in proximity to a Highway:
(a) Applications for development located within 0.3 km of the highway right of way, or within 0.8 km of the centre point of the intersection of the highway and another roadway, of a multi-lane highway or a major two-lane highway where the proposed development would have direct access from the highway or intensify traffic to impact highway intersection shall be referred to Alberta Transportation and Economic Corridors for comment prior to any decision by the Development Authority;
- Remove section 4.2(3)(b)
- Amend Section 11.7(7)(a) to add “in accordance with Section 11 (2) of the Highway Development Protection Regulation.” The clause will read “Billboard signs, electronic signs, dynamic signs and rotating signs which are visible from Highway 20, Highway 20A and Highway 53, but located outside of the Highway Right-Of-Way, shall be circulated to Alberta Transportation and Economic Corridors for comment in accordance with Section 11(2) of the Highway Development Protection Regulation.”

Additional feedback received from agencies for Council consideration at the August 26, 2024 Public Hearing is as follows:

- ATCO Natural Gas – no comments
- Alberta Health Services provided comments, with one comment being relevant at the current LUB amendment stage:
“...the landfills be moved to from a permitted use to a dictionary use under the PUBLIC SERVICE district”

RECOMMENDATION:

Administration recommends that Council close the Public Hearing.

Administration recommends that Council give second and third reading of Land Use Bylaw 1008/24 with the following amendments:

1. Redesignation of Lots 4, 5 and 6, Block 19, Plan 1623868 from High Density Residential (R3) to Low Density Residential (R1).
2. Amend section 12.7.(5)(a)(ii) to read “3.0 m from the rear lot line of the manufactured home park.”

Council Agenda Item 4.1

3. All references of Alberta Transportation be updated to read “Alberta Transportation and Economic Corridors.”
4. Section 4.2(3) be amended to read: Notwithstanding 4.2(1), the Development Authority may refer development in proximity to a Highway:
(a) Applications for development located within 0.3 km of the highway right of way, or within 0.8 km of the centre point of the intersection of the highway and another roadway, of a multi-lane highway or a major two-lane highway where the proposed development would have direct access from the highway or intensify traffic to impact highway intersection shall be referred to Alberta Transportation and Economic Corridors for comment prior to any decision by the Development Authority;
5. Remove section 4.2(3)(b)
6. Section 11.7(7)(a) be updated to read “Billboard signs, electronic signs, dynamic signs and rotating signs which are visible from Highway 20, Highway 20A and Highway 53, but located outside of the Highway Right-Of-Way, shall be circulated to Alberta Transportation and Economic Corridors for comment in accordance with Section 11(2) of the Highway Development Protection Regulation.”
7. Section 12.4, Table 12.14.1 be amended to remove landfill from permitted uses list and add landfill to the discretionary uses list.

PART 1 - ENACTMENT**1.1 TITLE**

The title of this Bylaw shall be the Land Use Bylaw of the Town of Rimbey.

1.2 PURPOSE

The purpose of this Bylaw is to regulate and control the use and development of land and buildings within the Town to achieve the orderly and economic development of land, and for that purpose, amongst other things:

- (1) to divide the Town into districts;
- (2) to prescribe and regulate for each district the purposes for which land and buildings may be used;
- (3) to establish a method of making decisions on applications for development permits including the issuing of development permits;
- (4) to provide the manner in which notice of the issuance of a development permit is to be given; and
- (5) to establish the number of dwelling units permitted on a parcel of land.

1.3 APPLICATION

This Bylaw shall apply to the whole of the Town of Rimbey being all lands and buildings contained within its corporate limits.

1.4 EFFECTIVE DATE

- (1) This Bylaw comes into effect upon the date of its third reading.
- (2) Land Use Bylaw No.762-04, as amended, is hereby repealed.

1.5 CONFORMITY WITH THE BYLAW

- (1) No person shall commence any development within the Town except in conformity with this Bylaw.

- (2) Compliance with the requirements of this Bylaw does not exempt any person from the requirements of any adopted Statutory Plan.

1.6 OTHER LEGISLATIVE REQUIREMENTS

- (1) In addition to this Bylaw, an applicant is responsible for complying with any other applicable federal, provincial, or municipal legislation or law. The applicant is also responsible for complying with the conditions of any caveat, covenant, easement or other instrument affecting a building or land.
- (2) The Town is not responsible for nor does the Town have any obligation whatsoever to determine what other legislation may apply to a development, nor to monitor or enforce compliance with such legislation.
- (3) The Development Authority shall not approve an application for a development permit that is not in conformity with the Town's Statutory Plans.

1.7 SEVERABILITY

- (1) In the event any portion of this Bylaw is found invalid by a Court of Law or is overturned by a superior jurisdiction, the validity of the remaining portions of the Bylaw shall not be affected.

1.8 TRANSITION

- (1) An application for a Subdivision, Development Permit or amendment to this Bylaw commenced prior to the coming into force of this Bylaw shall be evaluated under the provisions of the Town's Land Use Bylaw No. ~~917/16762-04~~, as amended.

PART 2 – INTERPRETATION

2.1 RULES OF INTERPRETATION

4.7 DEVELOPMENT AGREEMENTS AND SECURITIES

944/18

- (1) Where a development permit has been granted for the development for any development, as a condition of approval, the applicant shall be required to provide a cash security, in the sum outlined in current Fees and Services Bylaw Schedule A, to ensure the completion of any repairs to Town property. The Town may draw on this security to cover the costs of any repairs to Town property in the event the applicant fails to complete the repairs within thirty (30) days of being notified by the Town of the damages.

944/18

- (2) Where a development permit has been granted for the development of a housing unit consisting of two or less units, including housing, duplex; ~~housing, modular;~~ housing, secondary suite; and, housing, single detached, as a condition of approval, the applicant shall be required to provide an irrevocable Letter of Credit, as a security, in the sum outlined in the current Fees and Services Bylaw, Schedule A, to ensure construction is completed to the satisfaction of the Development Authority.

944/18

- (3) Where a development permit has been granted for the development of a multi-family residential building, consisting of three or more units a new principal commercial or new principal industrial building, as a condition of approval, the applicant shall be required to

provide an irrevocable Letter of Credit, as a security, in the sum outlined in the current Fees and Services Bylaw, Schedule A, to ensure construction is completed to the satisfaction of the Development Authority. The Town shall register a caveat pursuant to the provisions of the Land Titles Act and the Municipal Government Act in respect of a Development Agreement under this Section against the Certificate of Title for the land that is the subject of the development, which said caveat shall be discharged when the agreement has been complied with.

944/18

- (4) Notwithstanding 4.7(3), in all other circumstances the Town may, at its sole discretion require the registration of a caveat pursuant to the provisions of the Land Titles Act and the Municipal Government Act in respect of a Development Agreement under this Section against the Certificate of Title for the land that is the subject of the development, which said caveat shall be discharged when the agreement has been complied with.

944/18

- (5) The Town may require, any applicant to enter into an agreement to construct or pay for the construction of public roadways or parking facilities, to install or pay for the installation of utilities and/or to pay an off-site levy imposed by bylaw or any other conditions as deemed appropriate. This may involve the applicant posting security with respect to the development and paying for construction, where the development requires a road or traffic infrastructure improvement specifically to accommodate the development. The applicant for a development permit may be required to provide dust control adjacent to existing residences located on roads impacted by the development. The Development Authority may require that commercial vehicular traffic be limited to certain roads when gaining access to and from a site.

944/18

PART 5 – DEVELOPMENT APPEAL PROCESS

5.1 APPEAL PROCEDURE

- (1) An appeal with respect to a decision on a development permit application is governed by the Municipal Government Act.
- (2) An appeal may be made to the appropriate Appeal Body in accordance with the Municipal Government Act.
- ~~(4)~~(3) The Subdivision and Development Appeal Board, as established by Town Bylaw, shall hear and make a decision on an appeal where a Development Authority:
- (a) Refuses or fails to issue a development permit to a person within forty (40) days of receipt of the application, or
 - (b) Issues a development permit subject to conditions, or
 - (c) Issues an order under Part 6 of this Bylaw; and
 - (i) The person applying for the permit or affected by the order, or any other person affected by an order, decision or development permit of a Development Authority appeals to the Subdivision and Development Appeal Board.
- (4) In addition to the Applicant, any person affected by a Development Permit or the decision on it, may appeal to the Appeal Body.
- (5) Notwithstanding 5.1 and 5.2, no appeal lies in respect of the issuance of a development permit for a Permitted Use unless the application was the subject of a variance.
- (6) An appeal shall be commenced by filing a Notice of Appeal, setting out all of the reasons that the person intends to rely on for the appeal, to the Secretary of the Board within twenty-one (21) days after the Notice of Decision has been given under Section 4.6.
- (7) A decision on a Development Application within a Direct Control District cannot be appealed unless the appeal is limited to whether or not the Development Authority followed the directions of Council. If the Board finds that the Development Authority did not follow Council's directions, it may, in accordance with Council's directions, substitute its decision for that of the Development Authority.
- ~~(2) Notwithstanding Subsection (1) above, no appeal lies in respect of the issuance of a development permit by the Council within a DC District, or for a permitted use unless the provisions of this Bylaw were relaxed, varied or misinterpreted.~~

~~(3) — An appeal shall be made by serving a written notice of appeal and submitted the applicable fee to the Secretary of the Subdivision and Development Appeal Board within twenty-one (21) days after:~~

944/18

~~(a) — The date the order, decision or permit issued by the Development Authority was publicized in accordance with this Bylaw; or~~

~~(b) — The forty (40) day period referred to in Section 3.3(5) of this Bylaw has expired.~~

~~(4) — For the purpose of subsection 4(c), the date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.~~

5.2 APPEAL HEARING

(1) Within thirty (30) days of receipt of a notice of appeal, the ~~Subdivision and Development Appeal Board~~ Appeal Body shall hold an appeal hearing respecting the appeal.

(2) The ~~Subdivision and Development Appeal Board~~ Appeal Body shall give at least five (5) days' notice in writing of the appeal hearing to:

(a) The appellant;

(b) The Development Authority from whose order, decision or development permit the appeal is made;

(c) Those adjacent land owners who were notified under this Bylaw and any other person who, in the opinion of the ~~Subdivision and Development Appeal Board~~ Appeal Body, are affected by the order, decision or permit; and

(d) Such other persons as the ~~Subdivision and Development Appeal Board~~ Appeal Body specifies.

(3) The ~~Subdivision and Development Appeal Board~~ Appeal Body shall make available for public inspection before the commencement of the appeal hearing all relevant documents and materials respecting the appeal including:

(a) The application for the development permit, its refusal and the appeal therefrom; or

(b) The order of the Development ~~Authority, as~~ Authority, as the case may be.

(4) At the appeal hearing referred to in subsection (1), the ~~Subdivision and Development Appeal Board~~ Appeal Body shall hear:

(a) The appellant or any other person acting on his behalf;

(b) The Development Authority from whose order, decision or development permit the appeal is made, or if a person is designated to act on behalf of the Development Authority, that person;

- (c) Any other person who was served with notice of the hearing and who wishes to be heard or a person acting on his behalf; and
- (d) Any other person who claims to be affected by the order, decision or permit and that the ~~Subdivision and Development Appeal Board~~Appeal Body agrees to hear or a person acting on his behalf.

5.3 APPEAL DECISION

- (1) The ~~Subdivision and Development Appeal Board~~Appeal Body shall give its decision in writing together with reasons for the decision within fifteen (15) days of the conclusion of the appeal hearing.
- (2) If the decision of the Development Authority to approve a development permit application is reversed by the ~~Subdivision and Development Appeal Board~~Appeal Body, the development permit shall be null and void.
- (3) If the decision of the Development Authority to refuse a development permit application is reversed by the ~~Subdivision and Development Appeal Board~~Appeal Body, the Development Authority shall forthwith issue the development permit in accordance with the decision of the ~~Subdivision and Development Appeal Board~~Appeal Body.
- (4) If the decision of the Development Authority to approve a development permit is varied by the Development Appeal Board, the Development Authority shall forthwith issue the development permit in accordance with the decision of the ~~Subdivision and Development Appeal Board~~Appeal Body.
- (5) A decision made under this part of the Bylaw is final and binding on all parties and all persons subject only to an appeal upon a question of jurisdiction or law pursuant to the Act. An application for leave to the Court of Appeal shall be made:
 - (a) to a judge of the Court of Appeal; and
 - (b) within thirty (30) days after the issuance of the order, decision, permit or approval sought to be appealed.

PART 6 – BYLAW AMENDMENT PROCESS**6.1 APPLICATION FOR AMENDMENT**

- (1) A person may apply to have this Bylaw amended by applying in writing, furnishing reasons in support of the application and paying the fee therefore required.
- (2) Council may at any time initiate an amendment to this Bylaw by directing the Development Authority to initiate an amendment.
- (3) All applications for amendment to the Land Use Bylaw shall be made to the Council and shall be accompanied by the following, namely:
 - (a) An application fee according to the governing fee schedule as amended from time to time by resolution of Council shall be submitted for each application, but if the proposed amendment is adopted by Council, Council may determine that the whole or part of the application fee may be returned to the applicant;
 - (b) A title search for the land affected or other documents satisfactory to the Development Authority indicating the applicant's interest in the said land;
 - (c) Drawings drawn to the satisfaction of the Development Authority, which shall be fully dimensioned, accurately figured, explicit and complete; and
 - (d) Any other information deemed necessary by the Development Authority.
- (4) Notwithstanding Subsection (3)(a) above, Council may waive payment of an application fee or any part thereof.
- (5) During deliberation on the Bylaw amendment application, Council may refer the application to such agencies as it considers necessary for comment.
- (6) Council may request such information as it deems necessary to reach a decision on the proposed amendment.

6.2 PUBLIC HEARING PROCESS

- (1) All amendments to this Bylaw shall be made by Council, by Bylaw, and in conformity with the requirements of the Act with regard to the holding of a Public Hearing.
- (2) Prior to any Public Hearing, the Town shall give notice in accordance with the Act.

- (3) First reading of a proposed amendment is given before the Public Hearing, and Council may require that the applicant pay a fee for advertising according to the governing Land Use Bylaw advertising fee schedule as amended from time to time by resolution of Town.

- (4) Prior to any Public Hearing for a site specific land use bylaw amendment only, the Development Authority shall mail a notice in writing to all owners of land adjacent to the subject site.

944/18

PART 7 – ENFORCEMENT

7.1 CONTRAVENTION

(1) Where a Development Authority finds that a development or use of land or buildings is not in accordance with:

- (a) The Act or the regulations made thereunder, or
- (b) A development permit or subdivision approval, or
- (c) This Bylaw;

The Development Authority may, by notice in writing, order the owner, the person in possession of the land or buildings, or the person responsible for the contravention, or all or any of them to:

- (d) Stop the development or use of the land or buildings in whole or in part as directed by the notice, and/or
- (e) Demolish, remove or replace the development, and/or
- (f) Take such other measures as are specified in the notice;
 - (i) So that the development or use of the land or buildings is in accordance with the Act, the regulations made thereunder, a development permit, subdivision approval or this Bylaw, as the case may be.

(2) Where a person fails or refuses to comply with an order directed to him under Subsection (1) above or an order of the ~~Subdivision and Development Appeal Board~~ Appeal Body within the time specified, the Development Authority may, in accordance with Section 542 of the Act, with the support of a Peace Officer or Enforcement Officer, enter upon the land or building and take such action as is necessary to carry out the order. A person who contravenes or fails to comply with any provision of their development permit is guilty of an offence and is liable upon summary conviction of a fine.

(3) Where the Development Authority carries out an order, the Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll as an additional tax against the property concerned, and that amount shall be collected in the same manner as taxes on land.

(4) A person who contravenes or fails to comply with any provision of this Bylaw is guilty of an offence and is liable upon summary conviction to a fine not exceeding \$10,000.00 or to imprisonment for not more than one year, or to both fine and imprisonment, pursuant to Section 566 of the Act.

(5) A Development Authority may suspend or revoke a development permit which has not been complied with, following notification, stating the reasons for such action.

- (6) In addition to the process and penalties described above, the Development Authority, Peace Officer, Bylaw Officer or any other person identified by the CAO for the purposes of this Section, shall be authorized to inspect any development to confirm compliance, and if not in compliance to issue violation tickets in respect to any contravention of this Bylaw.

944/18

(7) Violation Tickets:

- (a) The Development Authority, Peace Officer, Bylaw Officer or any other person identified by the CAO for the purposes of this section, may issue a violation ticket to any person alleged to have breached any provision of this Bylaw.
- (b) The violation ticket shall specify the alleged offence committed by the person to whom the violation ticket is issued and require voluntary payment, or the option of a court appearance on a date ~~specified, and~~ specified and will be dealt with thereafter at the court's discretion.
- (c) Persons contravening any provision of this Bylaw to whom violation tickets are issued shall be liable for a penalty of \$500.00 for a first offence and \$1000.00 for a second or subsequent offence within the same calendar year. Each day that a breach of the Bylaw has occurred may be considered to be a separate offence.
- (d) The violation ticket shall be served upon the alleged offender personally, or if the defendant cannot be conveniently found, by leaving it for the defendant at the defendant's place of residence with a person on the premises who appears to be at least 18 year of age. If payment is made within the time limit, then such payment shall be accepted in lieu of prosecution for the offence.
- (e) If a person who has been served with a violation ticket fails to pay the fine specified therein, then the right of the alleged offender to settle the alleged offence without a court appearance shall no longer apply and prosecution for the alleged offence shall proceed.

944/18

PART 8 – GENERAL REGULATIONS**8.1 ACCESSORY BUILDINGS AND USES**

- (1) No person shall construct or utilize an accessory building except in compliance with this section.
- (2) All accessory buildings shall be located at least 2.0 m from any principal building, unless under 13.4 m² and on a non-permanent foundation. 944/18
- (3) An accessory building shall not be used as a dwelling unit. 944/18
- (4) An accessory building that contains sanitation facilities shall ~~contain a sump and~~ be designed to the satisfaction of the Development Authority. 944/18
- (5) An accessory building shall not be constructed within the required front yard setback area of any district.
- (6) Accessory buildings shall be constructed with exterior finish materials that compliment those of the principal building.
- (7) An accessory building shall not be located on an easement or utility right-of-way, without an encroachment agreement registered on title in accordance with section 8.21.
- (8) An accessory building shall not be developed or approved on a lot prior to the issuance of a development permit for the principal building or use on the lot.
- (9) Decks, balconies, sunrooms and the like shall not be constructed on top of an accessory building unless the setbacks of the accessory building comply with the allowable setbacks for the principal building in that district.
- (10) Accessory buildings under 13.4 m² in size and decks which are uncovered, and the walking surface is less than 60 cm (2 feet) above grade are not required to meet the setback requirements for the District in which it is located. 944/18
- (11) An accessory building, over 13.4m², is required to meet the setback requirements for the District in which it is located. 944/18

~~(12) An accessory building, over 13.4m², built prior to January 1, 2019, may have the minimum side setback and minimum rear setback requirements varied at the sole discretion of the Development Authority. The Development Authority is not bound by the maximum variance in Section 4.5(6). In accordance with Section 4.5, a variance application shall be required and the applicant must demonstrate that the structure was built prior to January 1, 2019 in a manner deemed satisfactory to the Development Authority.~~

952/19

8.2 AIR SUPPORTED AND FABRIC-COVERED STRUCTURES

944/18

(1) All air supported and fabric-covered structures over 13.4 m² and will be erected for more than (3) three days require a development permit.

(2) Air supported and Fabric-Covered Structures used for recreational purposes will be permitted as a discretionary main building.

(3) All other Air Supported and Fabric-Covered Structures will be permitted as a discretionary accessory building.

~~(3)~~(4) Air supported and fabric-covered structures cannot be used for human habitation.

8.3 BARE LAND CONDOMINIUM

(1) Structures constructed on bare land condominium units shall comply with the general regulations of this bylaw, including the regulations for the land use district in which the unit is located.

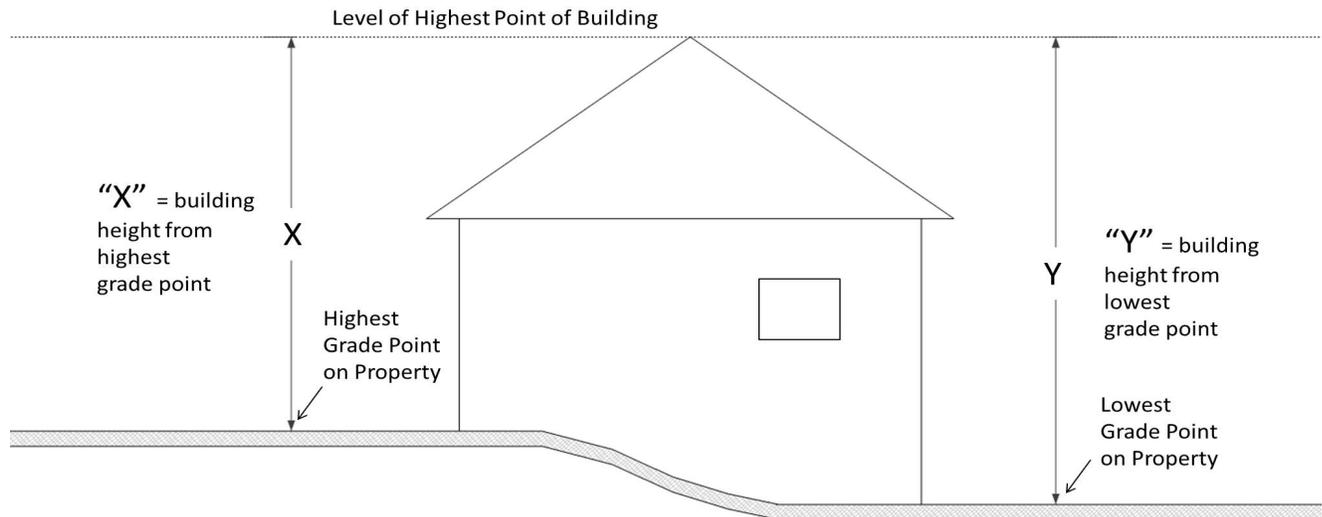

(2) For the purposes of this Bylaw, a bare land condominium plan is a plan of subdivision.

8.4 BUILDING HEIGHT

(1) If the height of a building is required to be measured or determined, it shall be measured by calculating the average vertical distance between the natural grade, or the average natural grade in the case of a sloping grade, and the highest point of the building as determined under Subsection (2).

(2) In determining the highest points of a building, the following structures shall not be considered to be part of the building: an elevator housing; mechanical housing; roof stairway entrance; ventilations; a skylight; a steeple; a smokestack; a parapet wall, or a flagpole or similar device not structurally essential to the building.

FIGURE 8.4.1 – BUILDING HEIGHT CALCULATIONS

$$\text{Height Average} = (X+Y)/2$$

8.5 CORNER AND DOUBLE FRONTING PARCELS

- (1) In all districts, a site abutting onto two streets or more shall have a front yard setback on each street in accordance with the front yard regulations of this Bylaw.
- (2) In all cases, the location of building on corner sites shall be subject to approval of the Development Authority who may, at their discretion, relax the front yard setback requirements taking into account the location of existing adjacent buildings or the permitted setback on adjacent sites where a building does not exist.
- (3) On corner parcels contiguous to a highway the Alberta Infrastructure Highway "Minimum Site Triangle" Design Guidelines shall apply.

8.6 CURB CUTS

- (1) The nearest edge of a proposed curb cut to the nearest curb line of the street intersection shall not be less than 12.0 m.
- (2) The maximum width of the curb cut shall not exceed 9.1 m in industrial districts and 6.0 m in all other districts, unless otherwise specified by the Development Authority for reasons of public safety or convenience.

8.7 DESIGN, CHARACTER AND APPEARANCE OF BUILDINGS AND STRUCTURES

- (1) The purpose of this Section is to provide the Town with controls and guidance in order to ensure that aesthetically attractive and compatible development is provided throughout the Town.
- (2) The quality of exterior treatment and design of all buildings shall be to the satisfaction of the Development Authority for permitted uses and discretionary uses.
- (3) Pursuant to Subsection (2), the Development Authority shall consider, but not be limited to the following criteria when evaluating the design, character and appearance of development proposals in all Districts.
 - (a) General Guidelines:
 - (i) The design, character and appearance of all buildings must be compatible with any other buildings existing in the vicinity unless the building is setting a new standard of design and character for the land use district or a particular location of it;
 - (ii) The design of the building or development must be consistent with the purpose and intent of the land use district in which it is located;
 - (iii) The building shall comply with any provisions of a statutory plan or architectural control guidelines adopted by Council.
 - (b) Guidelines for Commercial and Industrial Development:
 - (i) The harsh contrasts of very large or massive buildings mixed with small buildings can be softened by using similar sizes and shapes of massing elements, like roof lines, exterior design and treatment;
 - (ii) Blank, unfinished walls give a very bland appearance to the streetscape. Particular attention should be given to reduce large vacant spaces between buildings which are left open to public view;
 - (iii) Rooftop mechanical equipment should be hidden from view from public streets and from adjacent buildings;
 - (iv) Utility installations and buildings should be located in such a manner so as to be compatible with adjacent buildings and development. This may be achieved by placing utility installations within buildings wherever possible, or development utility buildings which blend into the surrounding area;
 - (v) Natural features are an important part of the urban environment and should be given a high priority in developing a site. This may be achieved by preserving existing trees wherever possible;
 - (vi) Corner sites at the intersection of major streets should be given special consideration. Sight lines for drivers and more pedestrian space are features which should be incorporated into the design of buildings on corner lots;

- (vii) Buildings should provide weather protective overhangs at outdoor pedestrian areas and at building entrances. The overhangs can be achieved through the use of cantilevers, awnings and canopies;
 - (viii) Long buildings along the street front should include a public route through the building which can be accessed by pedestrians to parking areas or simply to reduce having to walk around the building;
 - (ix) Large pedestrian areas or parcels should be designed for safety and at a pedestrian scale. The combination of landscaping and pedestrian walkway connections from the parking area to the shopping areas can act as a windbreak, slow the traffic in the parking area, and soften the harsh visual impact of large asphalt areas;
 - (x) The site illumination of commercial and industrial sites should not shine into residential windows;
 - (xi) On-site parking, loading and shipping areas are less attractive elements of a streetscape and should be hidden from public roadways by buildings, screening and landscaping;
 - (xii) Outdoor storage and garbage collection areas are generally unsightly and undesirable elements from public roadways and should be screened or hidden behind buildings. Existing storage and garbage collection areas should be screened from roadways by using berms, walls and landscaping.
- (c) Guidelines for Residential Development:
- (i) Visual privacy of internal living space and areas should be maintained in new and existing developments. The use of berms, landscaping and the orientation of the dwellings and the living space windows can improve the visual privacy between developments;
 - (ii) Identical or similar housing styles, models, designs and colors should be discouraged. The same housing color, design or treatment should not be used for any more than three adjacent dwellings;
 - (iii) Corner lot houses should be generally lower lying houses as height and mass is emphasized beside a void such as a road.
 - (iv) Any accessory building built on a lot, such as a detached garage or garden shed should be of proportional mass, roof line and treatment as the principal building.
 - (v) Developments should be encouraged to possess good proportion in the front elevations through the use of such elements as dormers, bay windows, shutters, brickwork, roof lines and variations of window sizes.

8.8 DEVELOPMENTS ON OR NEAR SLOPES

(1) Notwithstanding the yard requirements prescribed in the land use districts, no permanent buildings shall be permitted within 20.0 m of the top of the bank of any waterbody and no development shall be permitted within 20.0 m of the top or bottom of an escarpment bank or slope where the grade exceeds 15% (fifteen percent).

(2) The Development Authority may require greater setback than is prescribed in Section 8.8(1).

944/18

(3) Notwithstanding that a proposed development conforms in all respects with this Bylaw, including Sections 8.8(1) and 8.8(2), where the application is for development on lands that are or may be subject to subsidence, the Development Authority shall not issue a development permit unless the applicant can demonstrate that preventative engineering and construction measures can be instituted to make the parcel suitable for the proposed development.

944/18

(4) Subject to Section 8.8(3), the Development Authority may, at their discretion, reduce the setback requirements established pursuant to 8.8(1) and 8.8(2) if the applicant provides satisfactory proof of bank stability.

944/18

8.9 DEVELOPMENTS NEAR WATER

(1) Notwithstanding 8.8, the Development Authority may require reports to be submitted by qualified ~~professionalseconsultants~~ to help determine the setback distance from water bodies. The setback may be reduced if supported by a report submitted by a qualified engineer.

8.10 DWELLING UNITS ON A PARCEL

(1) The number of dwelling units allowed on any single parcel shall be one, except where additional dwellings are:

- (a) Contained in a building designed for, or divided into, two or more dwelling units and is located in a land use district which permits multiple units; and
- (b) A building defined in the Condominium Property Act (Chapter C-22, R.S.A. 2000) and all regulations and amendments thereto and is the subject of an approved condominium plan registered under that Act.

8.11 EMERGENCY ACCESS TO BUILDINGS

- (1) Sites shall be so designed that, in the opinion of the Development Authority, appropriate access for firefighting equipment is afforded to all buildings, moreover,
 - (a) In the case of industrial, commercial, multiple family, or public or quasi-public sites, the distance between the fire hydrant and any driveway or access point shall be a minimum of 3.0 m. In the case of single family sites, the distance between the fire hydrant and any driveway or access point shall be a minimum of 1.85m; and
 - (b) No person shall in any manner obstruct the fire access to any hydrant, valve or curb stop. No vehicle, building, structure, or vegetation higher than 0.5 m, shall be placed within 1.5 m from a hydrant.
- (2) On at least two sides, one of which shall be the longest side, of any building used as an apartment building and which exceeds two storeys in height, there shall be firm level areas accessible for firefighting equipment for at least 75% (seventy five percent) of the length of each of the two sides of the building. Such areas shall not be less than 4.25 m in width and not more than 3.0 m from the building, and no permanent structure or vehicular parking shall be permitted thereon.
- (3) A lane or lanes for the purpose of permitting the access of firefighting equipment to all major access points of shopping centre buildings shall be provided, and no permanent structures or vehicular parking may be permitted thereon.

8.12 EXCAVATION, STRIPPING AND GRADING

- (1) For the purpose of this Section, excavation shall mean excavation other than for construction or building purposed, including, but not limited to, sand and gravel mining, topsoil stripping, and construction of artificial bodies of water.
- (2) An applicant for a development permit for the excavation, stripping or grading of land, which is proposed without any other development on the same land, shall include with his or her application the following information:
 - (a) Location of the lot, including the municipal address if any, and legal description;
 - (b) The area of the lot on which the development is proposed;
 - (c) The type of excavation, stripping or grading proposed, showing the dimensions of the operation or the area of the land and depth to which the topsoil is to be removed;
 - (d) Location on the lot where the excavation, stripping or grading is to be made on the lot; and
 - (e) The condition in which the excavation, stripping or grading is to be left when the operation is complete or the use of the area from which the topsoil is removed.

- (3) Where, in the process of development, areas require levelling, filling, or grading, the topsoil shall be removed before work commences, stockpiled, coverage of 0.15 m shall be provided upon occupancy of the development, and the affected area shall be graded and landscaped to the satisfaction of the Development Authority.

8.13 EXISTING SUBSTANDARD LOTS

- (1) Development on existing substandard lots may be considered by the Development Authority who shall have due regard for compliance with the Safety Codes Act and its regulations prior to granting approval.

8.14 FENCES

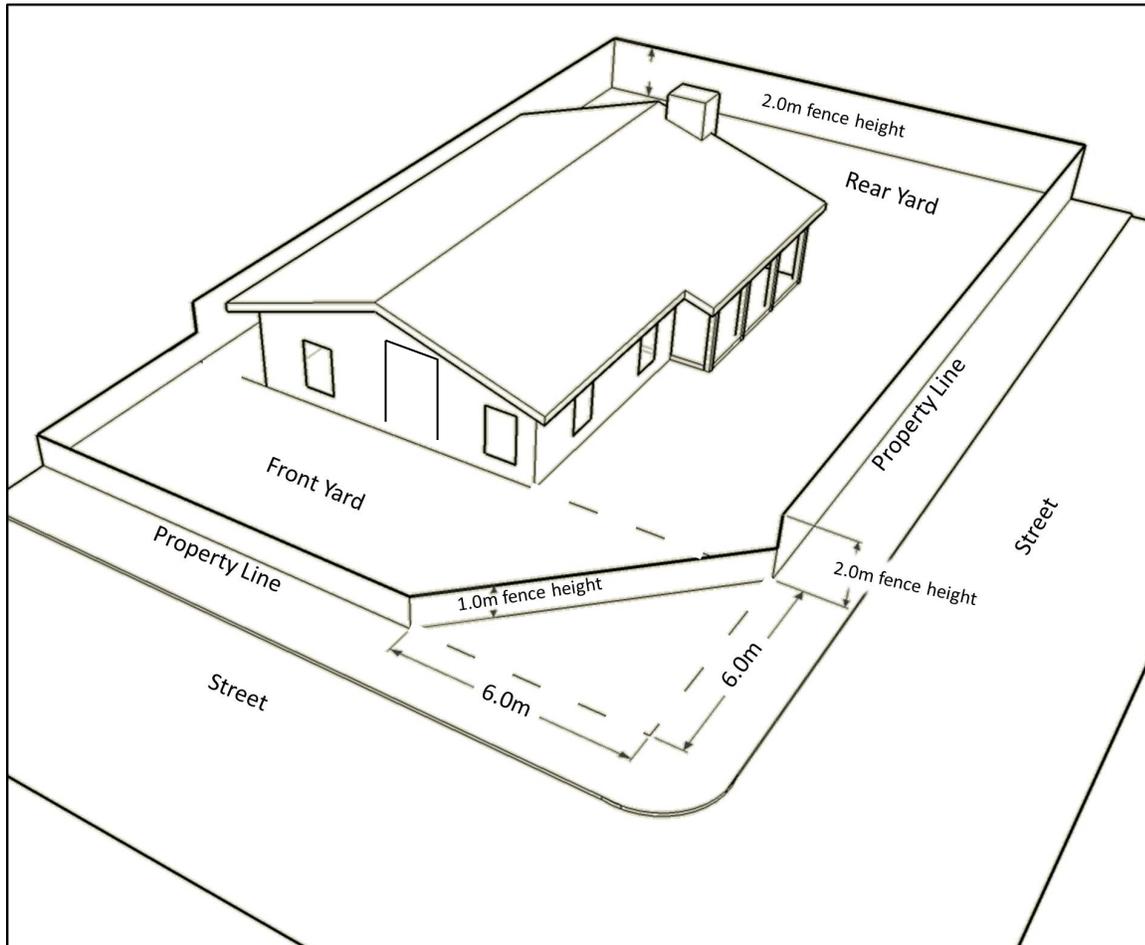

- (1) In any district, except as herein provided,
- (a) No fence shall be constructed that is located on public property;
- (b) No fence shall be constructed that is:
- (i) For ~~internal lots~~ in all residential land use districts, no higher than 2.0 m for the portion of the fence that does not extend beyond the foremost portion of the principal building on the site and 1.0 m for that portion of the fence that does extend beyond the foremost portion of the principal building on the lot; 944/18

 - (b) All roadways shall be constructed and maintained to the satisfaction of the Development Authority. Minimum right-of-way width shall be 12 m with a paved carriage way of at least 8 m.
 - (c) A safe, convenient, all season pedestrian walkway of at least 1.0 m in width shall be provided for access between individual manufactured home units, the park roadways, and all community facilities provided for park residents.
 - (d) Visitor parking spaces shall be located at convenient locations throughout the manufactured home park, and shall not be used for the storage of boats, trailers, etc.
 - (e) The design of manufactured home parks shall be to the satisfaction of the Development Authority.
 - (f) All municipal utilities shall be provided underground to stalls.

- (g) A minimum of 5% of the gross site area shall be devoted to recreational use.
- (h) All areas not occupied by manufactured home units and their additions, roadways, footpaths, driveways, permanent buildings and any other developed facilities shall be fully landscaped to the satisfaction of the Development Authority. Screen fences or walls shall be erected where deemed necessary by the Development Authority around maintenance yards, refuse collection points and playgrounds.
- (i) No part of the park shall be used for non-residential purposes except such uses as are required for the direct servicing and well-being of the park residents and for the management and maintenance of the park.
- (j) Manufactured home park facilities shall be arranged to create a homelike atmosphere. This objective may be achieved by variations in street pattern, block shapes, and the location of manufactured home unit stalls.
- (k) Each stall shall be clearly marked off by means of stakes, countersunk steel posts, fences, curbs or hedges.
- (l) Street lighting shall be to the same standard as that in a conventional residential neighbourhood.
- (m) Only one main, free-standing, identification sign of residential character and appearance may be erected at the entrance to a manufactured home park, unless the Development Authority is of the opinion that a second and similar sign shall be allowed under exceptional circumstances relating to the layout, location and size of the park in relation to surrounding areas. The sign or signs shall be of a size, type and construction acceptable to the Development Authority. Directional signs within the manufactured home park must be integrated in design and appearance, be kept in scale with the immediate surroundings and constructed of durable material.
- (n) Manufactured home units shall be separated from each other by at least 3.5 m. Any porch or addition to the manufactured home unit shall be regarded as part of the manufactured home unit for the purpose of this separation.
- (o) The minimum distance between a manufactured home unit and the front, side, or rear lines of its stall shall be 3.0 m.
- (p) The minimum lot area of the manufactured home park shall be 2.0 ha (4.9 ac.).
- (q) The maximum permissible density for a manufactured home park shall be 20 manufactured home units per gross developable hectare (8 per ac.) of the lot being developed at each stage of development.
- (r) The minimum area for a manufactured home stall shall be 370 m².

9.9 RIDING ARENA, PRIVATE

- (1) A Development Permit is required for a Riding Arena, Private.
- (2) A Riding Arena, Private shall be an Accessory use on a Lot with a Principal residence.

- (3) A Riding Arena, Private shall not have a building or structure larger than 1,500 m² (16,146 ft²) in area.
- (4) A Riding Arena, Private shall be used solely by the occupants of the residence and/or by not more than four (4) non-resident users per day in addition to the residents.
- (5) The Approving Authority may require a manure management plan as a condition of development permit.

9.10 SOLAR COLLECTORS

- (1) A solar collector may be located on the roof or wall of a building or structure.
- (2) A solar collector mounted on a roof with a pitch of less than 4:12, may project:
 - (a) A maximum of 0.5 m from the surface of a roof, when the solar collector is located 5.0 m or less from a side lot line, measured directly due south from any point along the side lot line; and
 - (b) In all other cases, maximum of 1.3 m from the surface of a roof.
- (3) A solar collector mounted on a roof with a pitch of 4:12 or greater, may project a maximum of 1.3 m from the surface of a roof.
- (4) A solar collector mounted on a roof must not extend beyond the outermost edge of the roof.
- (5) A solar collector that is mounted on a wall:
 - (a) Must be located a minimum of 2.4 m above grade; and
 - (b) May project a maximum of:
 - (i) 1.5m from the surface of that wall, when the wall is facing a rear lot line; and
 - (ii) In all other cases, 0.6 m from the surface of that wall.
- (6) A solar collector mounted on a structure must meet yard setback and district height regulations.

9.11 USES PERMITTED IN ALL LAND USE DISTRICTS

- (1) The following Uses are permitted in all Land Use Designations:
 - (a) Public utility;
 - (b) Road;
 - (c) Highway; and
 - (d) Park.

9.12 WRECKING YARD (AUTO AND EQUIPMENT WRECKAGE SITE)

(1) Wrecking Yards shall have a minimum area of 1.0 ha and a maximum area of 4.0 ha for storage, and must be completely fenced and screened by a type of fence approved by the Development Authority to a height of 2.4 m.

(2) All vehicles within a Wrecking Yards shall be stored within the enclosure and maintenance of the site shall be in accordance with any standards deemed necessary by the Development Authority.

9.13 C-CANS

(2) —

- (1) All c-cans are subject to the regulations for an accessory building for the district in which it is located.
- (2) C-Cans shall meet all provisions outlined in Section 8.18 OBJECTIONABLE ITEMS IN YARDS
- (3) C-Cans shall not be attached in any way to a principal building.
- (4) C-Cans shall not be stacked.
- (5) No sign shall be attached to a c-cans.
- (6) C-Cans Storage Containers may only be located in industrial, commercial public service and urban holding districts providing that:
 - (a) They are not located in a front yard or exterior side yard;
 - (b) They are not stacked;
 - (c) They are not used to store any dangerous or hazardous materials;
- (7) C-Cans shall be visually screened from public roads and adjacent properties in a manner which satisfies the Development Authority.
- (8) C-Can shall have no visual or material impacts on neighbouring properties, to the satisfaction of the Development Authority.
- (9) A maximum of three (3) c-ans may be allowed within a single parcel, as long as the total coverage does not exceed the lot coverage in the district.
- (10) C-Cans may be temporarily placed on a site in any district:
 - (d) During active construction on a site when the shipping container is solely for the storage of supplies and equipment that are used for the site, provided that a valid building permit has been issued for the construction. The c-cans must be removed from the site upon completion of construction; or
 - (e) For the purposes of loading and unloading of items associated with the principal use for a period of not more than ten (10) days in any six month period.
- (11) When placed on a site pursuant to section 9.13(10), the c-cans shall:
 - (a) Be located so as to not create a safety hazard;
 - (b) Not be located within 1.2 m of a property boundary; and
 - (c) Be located in the rear yard where possible.
- (12) Temporary c-cans as outlined in 9.13(11), may be permitted in the front yard of a property at the sole discretion of the development authority. A development permit is required for temporary c-cans located in the front yard.

PART 10 – PARKING, ~~&~~ LOADING AND STORAGE FACILITIES

10.1 PARKING FACILITIES – GENERAL REGULATIONS

~~(1)~~(2) Parking stalls and loading spaces shall be clearly marked in the parking facility. Such marking shall be regularly maintained to ensure legibility to users and shall be to the satisfaction of the Development Authority.

~~(2)~~(3) All off-street parking facilities shall be so constructed that:

- (a) Necessary curb cuts are located and flared to the satisfaction of the Development Authority;
- (b) Every off-street parking space provided, and the access thereto, shall be hard-surfaced if the access is from a street or lane which is hard-surfaced;
- (c) Parking and storage facilities ~~used at night~~ shall have adequate lighting for the ~~entire~~ parking and/or storage facility. Such lighting shall be directed away from adjacent residential properties and other properties where in the opinion of the Development Authority they would have adverse effects;
- (d) Grades and drainage shall dispose of surface water. In no case shall grades be established that would permit surface drainage to cross any sidewalk or site boundary without the approval of the Development Authority or Municipal Planning Commission; and
- (e) Parking for the physically handicapped shall be provided as provincial regulations require and shall be considered as part of the number of stalls required for the project.

~~(3)~~(4) Where a proposed development will, from time to time, require pick-up or delivery of commodities, adequate space for the loading and unloading of same shall be provided and maintained on the site to the satisfaction of the Development Authority or Municipal Planning Commission.

~~(4)~~(5) Pursuant to 10.1(3), the Development Authority shall consider the following criteria when reviewing off-street loading regulations:

- (a) Off-street loading spaces shall have dimensions of not less than 4.0 m in width and 8.0 m in length;
- (b) Have overhead clearance of not less than 5.3 m above grade;
- (c) Have vehicular access to and exit from a street or lane either directly or by a clearly defined traffic aisle;
- (d) Be sited at an elevation or elevations convenient to a major flood level in the building or to a utility elevator serving each major flood level;
- (e) Be so graded and drained as to dispose of all surface water. In no case shall grades be established that would permit drainage to cross site boundaries or sidewalks without the approval of the Development Authority or Municipal Planning Commission;

- (f) Be paved or hard-surfaced where an off-street parking facility is required to be paved or hard-surfaced;
- (g) Have adequate lighting to the satisfaction of the Development Authority or Municipal Planning Commission; and
- (h) Be screened on each side adjoining or fronting on any property in a residential district by a wall, fence, earth berm or hedge of not less than 2.0 m in height, to the satisfaction of the Development Authority or Municipal Planning Commission.

10.2 PARKING AREAS

- (1) Unless otherwise approved by the Development Authority, each development shall provide on its site a parking area containing, at a minimum, the number of parking spaces as calculated in Table 10.2.1.
 - (a) In the case of a use not specifically mentioned, the required number of on-site parking spaces shall be the same as for a similar use as determined by the Development Authority.
 - (b) Where a development contains more than one use as listed, the required number of parking spaces shall be the sum of the requirements for each of the uses listed.
 - (c) Where a fractional number of parking spaces are required, the next highest number of spaces shall be provided.
 - (d) If the Development Authority approves, one or more developments or uses may pool their minimum required parking spaces within one or more communal parking areas and may thereby collectively fulfill the requirements of this Bylaw.

Table 10.2.1 – Parking Requirements

Use of a Building or Site	Minimum Number of Parking Spaces
Residential Uses	
Multi-family dwellings	2 per dwelling unit
Seniors apartments	1 per dwelling unit, or as required by the Development Authority
Boarding houses	1 per bedroom
Senior citizen homes	1 per dwelling unit
Secondary suites	1 per bedroom
All other dwellings	2 per dwelling unit
Manufactured home parks	In addition to 2 per dwelling unit, 1 visitor parking space per 4 manufactured home units
Commercial and Industrial Uses	
Cannabis Production Facilities	1 per 100 m ² (1,076 ft ²) of gross floor area for the first 2,000 m ² , and then 1 per each subsequent 500 m ² 944/18
Eating and drinking establishment	1 per 5 seating spaces
Eating and drinking establishments (take out)	1 per 13 m ² (140 ft ²) of gross leasable area plus 1 per 3 employees on maximum shift
Drive thru restaurants	2 per drive thru window
Other drive thru businesses	2 per drive thru window
Hotels and motels	1.5 per rentable unit
Bed and breakfast	1 per bedroom
Home occupationsbased businesses	1 in addition to the requirements for the residential use
All other commercial uses	1 per 28 m ² (301.4 ft ²) of gross leasable area
All industrial uses	1 per 46 m ² (495 ft ²) of gross leasable area
Institutional Uses	
Places of Public Assembly	1 per 5 seating spaces
Schools (elementary/junior high)	2 per classroom
High schools	3 per classroom
Commercial schools	1 per student
Hospitals and similar uses	2 per bed
Nursing homes	0.75 per bed

- (2) At the discretion of the Development Authority, minimum parking requirements may be relaxed for existing buildings where historical site design is not being ~~altered, and~~ altered and cannot accommodate the required number of parking stalls.

944/18

- (3) At the discretion of the Development Authority, a developer may pay money to the Town in lieu of providing parking spaces. The amount of money will be determined by Council and be based on the amount of money needed to acquire land and to develop the required number of parking spaces on adjacent lands.

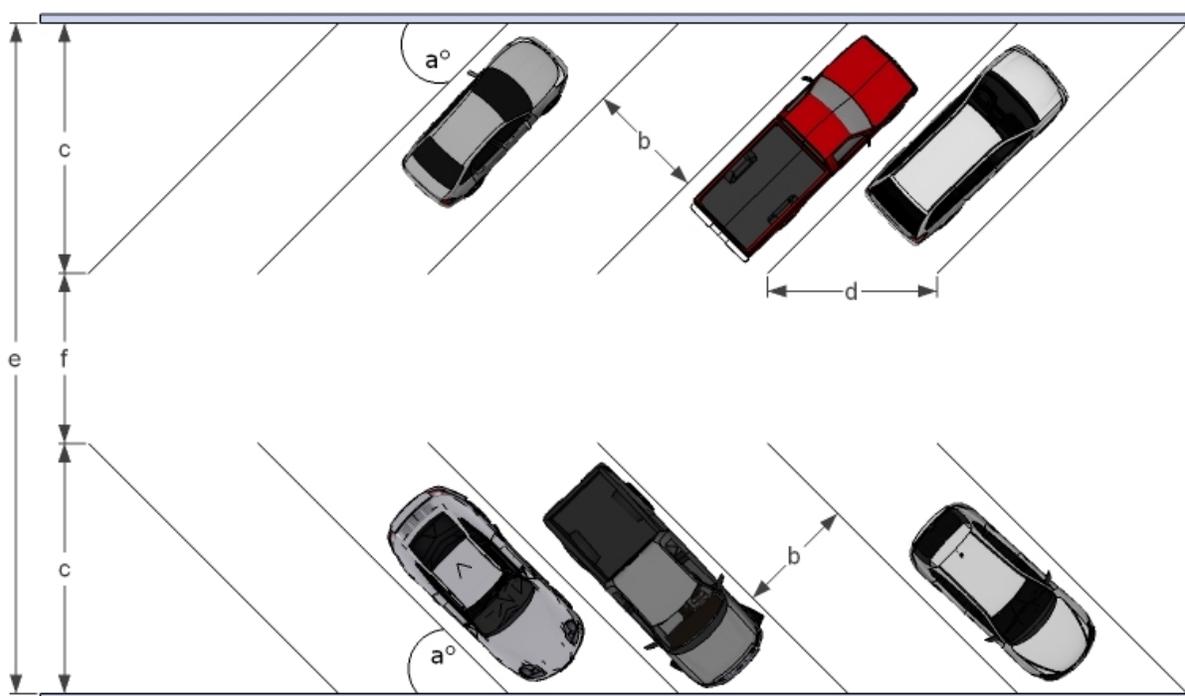

- (4) Surfacing and Drainage
 - (a) All parking areas shall be clearly marked, landscaped and adequately lit with lighting away from adjacent sites, adequately graded and drained to dispose of all stormwater run-off, contain the necessary curb cuts, and surfaced in a manner to match the road or lane from which the parking area gains access.
 - (b) The approach or access to every off-street parking area shall be surfaced in the same manner as the adjoining road from which access is gained.
 - (c) Drainage shall only be allowed to cross sidewalks if approved by the Development Authority.

- (5) All parking areas shall conform to the requirements shown in Table 10.2.2 and Figure 10.2.3.

10.3 OFF-STREET LOADING AREAS

- (1) Where a proposed development will, in the opinion of the Development Authority, require pick-up or delivery of commodities, adequate space for the loading and unloading of same shall be provided and maintained on the site.
- (2) When required by the Development Authority, loading spaces shall:
 - (a) Have dimensions of not less than 3.5 m (11.5 ft.) in width, 7.5 m (24.6 ft.) in length, and 4.0 m (13.1 ft.) in height above grade;
 - (b) Have vehicular ingress to, and egress from, a road or lane either directly or by a clearly defined traffic aisle such that no backing or turning movements of vehicles going to or from the loading space shall cause interference with traffic in the abutting road or lane;
 - (c) Be sited at an elevation or elevations convenient to a major floor level in building or to a utility elevator serving each major floor level;
 - (d) Be so graded and drained as to dispose of all storm water runoff. Drainage shall only be allowed to cross sidewalks if approved by the Development Authority;
 - (e) Be surfaced in the same manner as the adjacent road or lane; and
 - (f) Be screened on each side adjoining any Residential District by a wall, fence, earth berm or hedge of not less than 1.5 m (4.9 ft.) and not more than 2.0 m (6.6 ft.) in height.
- (3) The number of loading spaces required to be provided in a development shall be as follows:
 - (a) For a retail, industrial, warehouse, or similar development,
 - (i) One (1) space for a development of less than 460 m² (4951.6 ft²) of gross leasable area, plus
 - (ii) One (1) space for the next 1840 m² (19,805.6 ft²) of gross leasable area or fraction thereof in a development, plus
 - (iii) One (1) additional space for each additional 2300 m² (24,757.0 ft²) of gross leasable area or fraction thereof in a development.
 - (b) For an office use, place of public assembly, convalescent home, institution, club or lodge, school or any similar use, one (1) space for a development of less than 2800 m² (30,139.9 ft²) of gross floor area, and one (1) additional space for each additional 2800 m² (30,139.9 ft²) of gross floor area or fraction thereof.
 - (c) For multi-family dwellings, one (1) space for each twenty (20) dwelling units or fraction thereof.
 - (d) Any other building or use shall provide loading spaces as required by the Development Authority.
 - (e) Where a fractional number of loading spaces are required, the next highest number of spaces shall be provided.

PART 11 – SIGNS

11.1 PURPOSE

- (1) The purpose of this Chapter is to regulate the development and display of signage within the Town of Rimbey. This Chapter provides signage development standards related to:
- (a) Location.
 - (b) Type.
 - (c) Quantity.
 - (d) Height.
 - (e) Size.

11.2 DEFINITIONS

- (1) For the purpose of this Part the following definitions shall apply, in addition to those contained in Section 2.2:
- (a) “A-Frame Sign” means a temporary, movable, self-supporting A-shaped sign consisting of two flat surfaces joined at the upper end and resting on the ground
 - (b) “Awning Sign” means a non-illuminated sign painted on the fabric surface supported by an exterior wall of a building
 - (c) “Billboard” means a structure, primarily self-supporting, which is used for the display of general advertising, the subject matter of which is not necessarily related to the use or ownership of the property on which the structure is located
 - (d) “Building Face” means the total area of the wall of a building
 - (e) “Copy” means the text, illustrations and symbols that make up the message on a sign
 - (f) Dynamic Sign means a sign or portion of a sign with features that move or appear to move or change, whether the apparent movement or change is in the display, the sign structure itself, or any other component of the sign. A Dynamic Sign includes any display that incorporates a technology or other method allowing the image on the sign face to change, such as rotating panels, LED lights manipulated through digital input, or “digital ink”. A Dynamic Sign does not include a sign whose message or image is changed by physically removing and replacing the sign or its components.

944/18
 - (g) “Electronic Message Centre” means a sign or component of a sign on which the copy can be changed by electrical or electronic means.

944/18
 - (h) “Freestanding Sign” means a sign on a standard or column permanently attached to the ground and which is not connected in any way to any building or other structure
 - (i) “Identification Sign” any sign which is used to display the address, and name of a building or parcel of land
 - (j) “Illuminated Sign” means any sign illuminated either directly from a source of light incorporated in or connected with the sign, or indirectly from an artificial source

- (k) “Portable Sign” means a sign, excluding A-board and temporary signs that can be carried or transported from one site to another
- (l) “Projecting Sign” means a sign, which is attached to a building or structure so that part of the sign projects beyond the face of the building or structure
- (m) “Real-Estate Sign” means any temporary sign which advertises for the sale, lease, or rent of a building or parcel of land
- (n) “Roof Sign” means any sign placed on or over a roof
- (o) “Rotating Sign” means any sign or part of a sign which moves in a clockwise or counter-clockwise motion
- (p) “Sign” means any word, letter, model, picture, symbol, device or representation used as, or which is in the nature of, wholly or in part, an advertisement, announcement or direction. Any structure, or portion thereof, which is used primarily to carry, hold, maintain, support or sustain a sign is construed as being part of the sign, and except as provided for in this Bylaw, is subject to all regulations governing signs.
- (q) “Sign Area” means the total surface area within the outer periphery of the said sign, and in the case of a sign comprised of individual letters or symbols, shall be calculated as the area of a rectangle enclosing the letters or symbols. Frames and structural members not bearing advertising matter shall not be included in computation of surface area.
- (r) “Sign Height” means the vertical distance measured from natural grade at the base of the sign to the highest point of such sign.
- (s) “Temporary Sign” means a sign or banner that is not permanently installed or affixed, advertising a product, activity or event on a limited time basis and does not include a portable sign.
- (t) “Third Party Sign” typically associated with a “Billboard Sign” means a sign, which directs attention to a business, commodity, service, or entertainment conducted, sold or offered at a location other than the premise on which the sign is located
- (u) “Vehicle Sign” means a sign mounted, posted or otherwise adhered on or to a motor vehicle, including but not limited to trailers, wagons, tractors, and recreational vehicles
- (v) “Wall Sign” means a sign placed flat and parallel to the face of the building so that no part projects more than one foot from the building
- (w) “Window Sign” means a sign which is painted on or affixed to a window and faces towards an adjacent sidewalk or roadway

11.3 SIGNS

(1) ~~Sign~~ Development Permit ~~for signs are r~~Required:

944/18

 - (v) Such signs indicate the name and address of the sponsor and the person responsible for removal
- (g) A non-illuminated sign that is posted or exhibited solely for the identification of the address or name of the land or building on which it is displayed including signs identifying the occupants, if the sign:
 - (i) Does not exceed 1.0 m² in area, and
 - (ii) Is posted only at each entrance from which access from a public roadway To the building is provided
 - (iii) Does not advertise for a home-based business or bed and breakfast establishment

- (h) A non-illuminated sign that is posted or exhibited for sale, lease or rentals of land or a building if the sign:
 - (i) Is 3.0 m² of less in area
 - (ii) Is posted only on each side of the building or land facing a different public roadway
- (i) Window Sign
- (j) An A-Frame sign:
 - (i) Provided it is advertising for goods or services which are located for sale or offered on the same lot or on a sidewalk adjacent to the same lot
 - (ii) Does not obstruct vehicular or pedestrian traffic
- (k) A non-illuminated sign of a building contractor relating to construction work in progress on the land on which such signs are erected, provided that:
 - (i) Such signs are removed within fourteen (14) days of occupancy, and
 - (ii) Such sign are limited in size to a maximum of 3.0 m², and in number to one sign for each boundary of the property under construction which fronts onto a public street.
- (l) A non-illuminated temporary sign advertising a garage sale, estate sale or open house. Such signs may be posted for a maximum period of 48 hours, and may not exceed 1.0 m² in area or 1.0 m in height.

944/18

11.4 SIGN DEVELOPMENT PERMIT FOR SIGNS SUBMISSION

944/18

- (1) An application for a Development Permit to structurally alter or erect a Sign that requires a Development Permit shall be made to the Development Authority and shall include the following:
 - (a) A letter of consent from the registered owner of the land or building upon which the sign will be located.
 - (b) A letter outlining the contact information of the owner of the Sign.
 - (c) The location of all existing and proposed Signs on the building façade or on a site plan of the parcel indicating the front and side property lines, setbacks and distances from existing buildings.
 - (d) Two copies of a rendering / illustration of the proposed Sign with dimensions and total Sign Area, height of top and bottom of the Sign above average ground level and
 - (e) thickness of the Sign.
 - (f) Materials, finishes, colours, size of lettering and graphics.
 - (g) Mounting or installation details: the Development Authority may require that a structural drawing be prepared and sealed by a Professional Engineer.

- (h) Mounting height or clearance to grade.
- (i) The appropriate fee.

Table 11.6.1 – Sign Development Standards

(2) In addition to the standards specified in Table 3, the following regulations will also apply:

(a) Awning/Canopy Sign

(i) No portion of the canopy/awning shall be closer than 600 mm to a vertical line drawn from the adjacent curb.

(b) Billboard Sign

- (i) Where a billboard shares a lot with a building, no billboard shall be located in the front or side yard which runs parallel to an adjacent roadway.
- (ii) Billboards shall be spaced at a distance of 90 metres from one another.
- (iii) Where a portable sign is serving as a billboard it shall be spaced 45 metres from other portable or permanent signs serving as billboards.

(c) Dynamic Signs

944/18

- (i) No Dynamic Sign may be erected except as permitted in this Section;
- (ii) The Development Authority shall only approve a Dynamic Sign as a portion of a permitted Community, Canopy, Free Standing or Fascia Sign.
- (iii) A Dynamic Sign may display public service ~~announcements, but~~ announcements ~~but~~ shall not include third party advertising or sponsor recognition except when it is located on a site in a Public Service (PS) district.
- (iv) Dynamic Signs shall only be permitted as a discretionary use in Commercial, Industrial and Public Service Districts, and must meet the following requirements:

- (1) not be located within 30.0 m radius of a residential district, and when site or lot of a proposed dynamic sign location is adjacent to a residential district, notification will be sent within a 100.0 m radius of the proposed site,
- (2) be limited to one sign per building or site, with the exception of Public Service sites over 17 ha will be limited to two (2) signs provided that one of the signs must be a fascia sign and the other must be a portion of a freestanding sign, and further provided that the two (2) signs must be at least 50.0 m apart,
- (3) not be located on a lot within a 50.0 m radius of the boundary of a lot containing an existing dynamic sign,
- (4) comprise of not more than 25% of the total freestanding or fascia sign area.
- (v) A development permit for a dynamic sign shall be valid for a maximum of two (2) years, at which time a new permit must be applied for. The conversion of an existing sign to a dynamic sign shall require a development permit.
- (vi) Any digital sign located within 50 m of a residential district may be subject to restricted operating hours at the discretion of the Development Authority.
- (vii) The use, size and location of digital signs must comply with all other relevant municipal and provincial regulations.
- (viii) The sign panel does not contain or display flashing, intermittent, or moving lights, including animated or scrolling text.
- (ix) A sign panel provided as a public service showing the time and temperature shall not be considered a flashing or moving sign.
- (x) The sign content remains fixed/static for a minimum message display duration, where: $\text{Min. Display Duration (sec)} = \text{Sight distance to sign (m)} / \text{Speed limit (m/sec)}$.
 - (1) In lower speed areas, the formula above should be used with a minimum sight distance to sign of 350 m.
 - (2) In areas with speed limit ≥ 80 km/h, the minimum message display duration is 60 seconds, unless the sight distance to the sign is less than 1 kilometre
- (xi) When a message is changed electronically, it must be accomplished within an interval of 0.1 seconds or less so that an approaching driver cannot perceive any blanking of the display screen.
- (xii) There shall be no visual effects between successive displays.
- (xiii) The sign panel must contain a default design that will freeze the sign panel message in one position if a malfunction occurs.
- (xiv) The sign panel shall be equipped with a control system that automatically adjusts light emission level to ambient light conditions so as not to cause glare or excessive brightness.
- (xv) In no case shall the light level of any sign panel exceed 300 nits (candelas per square metre) between the time of sunset and sunrise, nor 5,000 nits at other times.
- (xvi) The sign must not diminish the conspicuity of nearby traffic control devices.

- (xvii) In cases where the sign is adjacent to an Alberta Transportation right-of-way, Alberta Transportation shall have the ongoing discretion to require the brightness, frequency, colours or other qualities of the sign panel be adjusted in order to address safety concerns.
 - (xviii) All dynamic sign applications fronting onto Alberta Transportation roadways shall be circulated to Alberta Transportation for comment.
- (d) Freestanding Signs
- (i) No freestanding sign shall be located within 10 m of the intersection of lanes/streets, or a street or lane.
 - (ii) For any lot located in the C2 or M designations, one Freestanding Sign shall be permitted for every 90 metres of frontage.
 - (iii) Illuminated Freestanding Signs shall be permitted only in C1, C2 and M designations.
 - (iv) Copy is permitted on both sides of Freestanding Signs, including signs angled up to 90 degrees, therefore allowing the Sign Area to be double the permitted Sign Area.
 - (v) Freestanding Signs shall not be located closer than 1.0 m to any front, rear, or side property line.
 - (vi) In accordance with Alberta Transportation's setback requirements where abutting a highway.
- (e) Wall Signs
- (i) Wall signs shall be restricted to the first storey of the building in the R1, R2, R3, MHP, MHS, RCE, PS zone designations.
 - (ii) Wall signs shall not project more than 0.4 m horizontally from the Building Face to which it is attached.
 - (iii) Illuminated Wall Signs shall be permitted only in C1, C2, and M designations.
- (f) Portable Signs
- (i) Copy is permitted on both sides of Projecting Signs, therefore allowing the Sign Area to be double the permitted Sign Area.
 - (ii) Maximum one (1) Portable Sign shall be displayed per lot.
 - (iii) Portable Signs shall not be located within a required off street parking space or a driveway.
- (g) Projecting Signs
- (i) Copy is permitted on both sides of Projecting Signs, therefore allowing the Sign Area to be double the permitted Sign Area.
 - (ii) The height of a Projecting Sign shall refer to the minimum vertical clearance from grade or, if applicable, a sidewalk, and shall be a minimum of 2.5m.
- (h) Temporary Signs

- (i) Large Temporary Signs relating to the sale or renting of land, the sale of goods or livestock, the carrying out of building or similar work, or announcement of any local event must obtain a development permit and meet the following conditions:
 - (1) Maximum two (2) Temporary Signs not exceeding a total Sign Area of 9.0 m²;
 - (2) Copy is permitted on both sides of the Temporary Sign, including signs angled up to 90 degrees, therefore allowing Sign Area to be double the permitted Sign Area;
 - (3) The maximum Sign Height shall not exceed 6.0 m;
 - (4) The Temporary Sign shall be removed by the advertiser within fifteen (15) days of the completion of the event, sale, or works to which such signs relate.

- (i) Signage for a Bed and Breakfast
 - (i) Each Bed and Breakfast homestay shall provide one (1) on-site Freestanding Sign for the purpose of identification and shall be regulated in accordance with the following requirements:
 - (1) The sign shall be located within the front yard and must be visible from a public road;
 - (2) The sign be attached to either existing fencing or on independent posts to the satisfaction of the Development Authority;
 - (3) The sign shall be constructed using high density plywood or solid wood and shall be finished with high density reflective finish or equivalent, with dye cut lettering or silk screen lettering.

11.7 ADDITIONAL SIGN REGULATIONS

- (1) All signs requiring a sign permit shall follow the development permit process as specified under Section 4.1 of this Bylaw.
- (2) Council may require the removal of any sign, which is in its opinion, has become unsightly, or is in such a state of disrepair as to constitute a hazard.
- (3) Quality, aesthetic character and finishing of sign construction shall be to the satisfaction of the Development Authority.
- (4) Where, in the opinion of the Development Authority, a proposed sign in a Commercial or Industrial District might be objectionable to a resident in any adjacent residential district, the Development Authority may impose such other regulations as they feel would protect the interests of residents.
- (5) Flashing, animated or interiorly illuminated signs shall not be permitted in any district where in the opinion of the Development Authority they might:
 - (a) Affect residents in adjacent housing, or residential districts;

- (b) Interfere with or obstruct a motor vehicle driver's vision or interpretation of oncoming traffic signs or traffic signal lights.
- (6) Notwithstanding 11.7(5), no person shall exhibit or place an illuminated sign, rotating sign or dynamic sign that permits or provides for:
- 944/18**
- (a) A current interrupting or flashing device, unless there is a continuous source of concealed illumination on the translucent portions of the sign;
- (b) A flashing beacon of a type that is the same or similar to those used by emergency vehicles;
- (c) A flashing device, animator or revolving beacon within 50.0 m of the intersection of two or more public roadways;
- (d) A device described in 11.7(5) that would be directly visible from any residential building within a distance of 50.0 m of the sign.
- (7) No person shall erect or place a sign so that it would be considered, in the opinion of the Development Authority, to be a traffic hazard or an obstruction to the vision of persons driving motor vehicles.
- (a) Billboard signs, electronic signs, dynamic signs and rotating signs which are visible from Highway 20, Highway 20A and Highway 53, but located outside of the Highway Right-Of-Way, shall be circulated to Alberta Transportation for comment.
- 944/18**
- (8) Notwithstanding section 11.7(7) ~~no~~ the Development Authority may not approve any signs located within an Alberta Transportation Highway Right-Of-Way without written approval from Alberta Transportation.
- (9) The area around sign structures shall be kept clean and free of overgrown vegetation, and free from refuse material.
- (10) The Development Authority may at their discretion require an engineer-approved plan prior to the issuance of a sign permit in order to ensure the safety of a sign, awning or canopy design and placement.
- (11) Notwithstanding Part 4 of this Bylaw, the Development Authority may, with respect to an application for a sign permit,
- 944/18**
- (a) Grant a sign permit to an applicant subject to such conditions considered necessary to ensure this Bylaw is complied with;
- (b) Refuse the application.
- (12) Offensive Signage

- (a) No sign shall be erected which promotes intolerance, hatred or ridicule of any race, religion or other segment of society.

944/18

- (13) The number of signs, location of signs and size of signs may be varied to accommodate the placement of new signs on existing sign structures which were installed prior to January 1, 2019 at the sole discretion of the Development Authority. The Development Authority is not bound by the maximum variance in Section.4.5(6). In accordance with Section 4.5, a variance application shall be required and the applicant must demonstrate that the original signs were installed prior to January 1, 2019 in a manner deemed satisfactory to the Development Authority.

PART 12 – DISTRICTS AND REGULATIONS

12.1 ESTABLISHMENT OF DISTRICTS AND DISTRICT REGULATIONS

- (1) Land use district and land use regulations shall be set forth in Part 12 and may be amended in the same manner as any other Part or Section of this Bylaw.

12.2 LAND USE DISTRICTS

- (1) The Town is hereby divided into the following districts:

Designation Name	Designation Acronym
Low Density Residential	R1
Low Density General Residential	R2
High Density Residential	R3
Manufactured Home Park	MHP
Manufactured Home Subdivision	MHS
Residential Estate	RE 932/17
Country Residential	CR 932/17
Central Commercial	C1
Highway Commercial	C2
Industrial	M
Public Service	PS
Urban Holdings	UH
Direct Control	DC

12.3 LAND USE DISTRICT MAP

- (1) Land use districts specified under 12.2 are described in the short form on the LAND USE DISTRICT MAP which is an integral part of this Bylaw.
- (2) Throughout this Bylaw and amendments thereto, a District may be referred to either by its full name or its abbreviation.
- (3) The district regulations are delineated on the LAND USE DISTRICT MAP. Where uncertainty arises as to the precise location of the property of any district, the following rules shall apply:
 - (a) Where a boundary is shown as following a street, lane, stream or canal, it shall be deemed to follow the centreline thereof.
 - (b) Where a boundary is shown as approximately following a lot line, it shall be deemed to follow the lot line.
 - (c) In circumstances not covered by 12.3(a) and 12.3(b) above the location of the district boundary shall be determined by:
 - (i) Where dimensions are set out on the Land Use District Map, by the dimensions so set, or
 - (ii) Where dimensions are set out on the Land Use District Map with respect to such boundary, by measurement of and use of the scale shown on the Land Use District Map.
- (4) Where the application of the above rules does not determine the exact location of the boundary of a district, the Council either on its motion or upon written application being made to it by a person requesting the determination of the exact location of the boundary shall fix the portion of the district boundary in doubt or dispute in a manner consistent with the regulations of this Bylaw and the degree of detail as to measurements and directions as the circumstances may require.
- (5) After Council has fixed a district boundary pursuant to the provisions of 12.3, the portion of the boundary so fixed shall not be thereafter altered except by an amendment to this Bylaw.
- (6) The Council shall maintain a list of its decisions with respect to boundaries or portions thereof fixed by it.

12.4 LOW DENSITY RESIDENTIAL (R1)

(1) Purpose

The R1 – Low Density Residential designation is intended to accommodate the development of low-density residential development on moderately sized lots throughout the community.

(2) Permitted and Discretionary Uses

Table 12.4.1 outlines the permitted and discretionary uses contemplated in the R1 designation where approval is subject to the issuance of an authorized development permit.

Table 12.4.1

Permitted Uses	Discretionary Uses
<ul style="list-style-type: none"> • First Accessory Building 13.4 m² and under 944/18 • First Accessory Building 13.4 m² and over 944/18 • Accessory Uses 944/18 • Housing, modular 944/18 • Housing, secondary suite • Housing, single-detached • Home based business • Park 	<ul style="list-style-type: none"> • <u>Second and additional, Accessory Building under 13.4m²</u> • <u>Second and additional, Accessory Building 13.4 m² and over</u> • Additional Accessory Buildings 944/18 • Bed and breakfast • Child care facility 944/18 • Family care facility 944/18 • Religious institution • Utility installations • <u>C-Can (Temporary)</u> • _____ • Solar Collectors <u>not in conformance with Section 9.10.</u>

(3) Lot Area

The minimum lot area shall be in accordance with the following table:

Table 12.4.2

Use	Minimum Lot Area
Housing, single-detached	550 m ²
Other principle uses listed in Table 12.4.1	550 m ²

(4) Lot Frontage

The minimum lot frontage shall be in accordance with the following table:

Table 12.4.3

Use	Minimum Lot Frontage (m)
Housing, single-detached	15 metres
Other principle uses listed in Table 12.4.1	15 metres

(5) Lot Coverage

The maximum lot coverage of buildings (principle and accessory) shall be in accordance with the following table:

Table 12.4.4

Use	Maximum Lot coverage (%)
Housing, single-detached	40%
Other principle uses listed in Table 12.4.1	40%

(6) Front Yard Setback

The minimum front yard setback shall be in accordance with the following table:

Table 12.4.5

Use	Minimum Front Yard Setback (m)
Housing, single-detached	6 metres
Other principle uses listed in Table 12.4.1	6 metres

(7) Rear Yard Setback

The minimum rear yard setback shall be in accordance with the following table:

(8) Side Yard Setback

The minimum side yard setback shall be in accordance with the following table:

Table 12.4.7

Use	Minimum Side Yard Setback (m)	
Housing, single-detached (side property line of a flanking street)	3.0 metres	
Housing, single-detached (on one side of the lot where there is no road or lane access from the rear yard)	3.0 metres	
Accessory buildings, under 13.4m ²	Nil	944/18
Accessory buildings, over 13.4m ²	1.5 metres	944/18
Other principle uses listed in Table 12.4.1	1.5 metres	

(9) Height

The maximum building height shall be in accordance with the following table:

Table 12.4.8

Use	Maximum Building Height (m)
Housing, single-detached	11 metres
<u>Accessory building</u>	<u>6 metres</u>
Other principle uses listed in Table 12.4.1	11 metres

(10) Additional Regulations

- (a) Accessory uses in this designation shall be subject to the regulations as per **8.1**.
- (b) Temporary uses in this designation shall be subject to the regulations as per **8.25**.
- (c) Non-conforming uses in this designation shall be subject to the regulations in **3.3**.
- (d) Parking and loading facilities in this designation shall be provided in accordance with the regulations in **Part 10**.
- (e) Landscaping in this designation shall be provided in accordance with the regulations in **8.16**.

- (f) The construction of signs in this designation shall be in accordance with the regulations in **Part 11**.

12.5 LOW DENSITY GENERAL RESIDENTIAL (R2)

(1) Purpose

The R2 – Low Density General Residential designation is intended to provide opportunities for innovation in residential development. Through the provision of narrower lots the development of low density housing types will be provided at higher than conventional densities.

(2) Permitted and Discretionary Uses

Table 12.5.1 outlines the permitted and discretionary uses contemplated in the R2 designation where approval is subject to the issuance of an authorized development permit.

Table 12.5.1

Permitted Uses	Discretionary Uses

(3) Lot Area

The minimum lot area shall be in accordance with the following table:

Table 12.5.2

Use	Minimum Lot Area
Housing, duplex	200 m ² (per unit)
Housing, single detached (with adjacent rear	250 m ²

lane)	
Housing, single detached (without adjacent rear lane)	400 m ²
Other principle uses listed in Table 12.5.1	325 m ²

(4) Lot Frontage

The minimum lot frontage shall be in accordance with the following table:

Table 12.5.3

Use	Minimum and Maximum Lot Frontage (m)
Housing, duplex	Minimum 7.5 metres but maximum 10.5 metres
Housing, single detached (with adjacent rear lane)	Minimum/maximum of 7.5 metres
Housing, single detached (without adjacent rear lane)	Minimum/maximum of 10.5 metres
Other principle uses listed in Table 12.5.1	Minimum 7.5 metres but maximum 10.5 metres

(5) Lot Coverage

The maximum coverage of buildings (principle and accessory) on a lot shall be in accordance with the following table:

Table 12.5.4

Use	Maximum Lot coverage (%)
Housing, duplex	55%
Housing, single detached (with adjacent rear lane)	55%
Housing, single detached (without adjacent rear lane)	55%
Other principle uses listed in Table 12.5.1	55%

(6) Front Yard Setback

The minimum front yard setback shall be in accordance with the following table:

Table 12.5.5

Use	Minimum Front Yard Setback (m)
Housing, duplex	6 metres
Housing, single detached (with adjacent rear lane)	6 metres
Housing, single detached (without adjacent rear lane)	6 metres

Accessory buildings, under 13.4m ²	Nil	944/18
Accessory buildings, over 13.4m ²	1.5 metres	944/18

(8) Side Yard Setback

The minimum side yard setback shall be in accordance with the following table:

Table 12.5.7

Use	Minimum Side Yard Setback (m)
Housing, duplex	1.5 metres
Housing, single-detached (side property line of a flanking street)	3.0 metres
Housing, single-detached (on one side of the lot where there is no road or lane access from the rear yard)	3.0 metres
Accessory buildings, under 13.4m ²	Nil 944/18
Accessory buildings, over 13.4m ²	1.5 metres 944/18
Other principle uses listed in Table 12.5.1	1.5 metres

(9) Height

The maximum building height shall be in accordance with the following table:

Table 12.5.8

Use	Maximum Building Height (m)
Housing, duplex	11 metres
Housing, single detached (with adjacent rear lane)	11 metres
Housing, single detached (without adjacent rear lane)	11 metres

Other principle uses listed in Table 12.5.1	11 metres

(10) Design Regulations

- (a) Where a lot has access to an adjacent rear lane, no vehicular access to the lot shall be provided from the fronting public roadway.
- (b) Where there is an attached garage accessed via the fronting public roadway, the garage shall not extend more than 1.0 metre in front of the living space of the dwelling.

- (c) Where there is an attached garage accessed via the fronting public roadway, the width of the garage facing the fronting roadway shall not exceed 50 percent of the total front façade/elevation of a dwelling.

(11) Additional Regulations

- (a) Accessory uses in this designation shall be subject to the regulations as per **8.1**.
- (b) Temporary uses in this designation shall be subject to the regulations as per **8.25**.
- (c) Non-conforming uses in this designation shall be subject to the regulations in **3.3**.
- (d) Parking and loading facilities in this designation shall be provided in accordance with the regulations in **Part 10**.
- (e) Landscaping in this designation shall be provided in accordance with the regulations in **8.16**.
- (f) The construction of signs in this designation shall be in accordance with the regulations in **Part 11**.

12.6 HIGH DENSITY RESIDENTIAL (R3)

(1) Purpose

The R3 - High Density Residential designation is intended to provide opportunities for the development of higher density residential. The intent of this zone is to encourage residential development at higher densities in close proximity to key nodes and/or corridors

(2) Permitted and Discretionary Uses

Table 12.6.1 outlines the permitted and discretionary uses contemplated in the R3 designation where approval is subject to the issuance of an authorized development permit

Other principle uses listed in Table 12.6.1	11 metres

(10) Additional Regulations

- (a) Accessory uses in this designation shall be subject to the regulations as per **8.1**.
- (b) Temporary uses in this designation shall be subject to the regulations as per **8.25**.
- (c) Non-conforming uses in this designation shall be subject to the regulations in **3.3**.
- (d) Parking and loading facilities in this designation shall be provided in accordance with the regulations in **Part 10**.
- (e) Landscaping in this designation shall be provided in accordance with the regulations in **8.16**.
- (f) The construction of signs in this designation shall be in accordance with the regulations in **Part 11**.

12.7 MANUFACTURED HOME PARK (MHP)

(1) Purpose

The MHP – Manufactured Home Park designation is intended to provide for and regulate the development of land for the use of manufactured homes on lots in comprehensively designed parks wherein no individually titled parcels have been created.

(2) Permitted and Discretionary Uses

Table 12.7.1 outlines the permitted and discretionary uses contemplated in the MHP designation where approval is subject to the issuance of an authorized development permit.

(3) General Regulations

- (a) A Comprehensive site plan shall be required for manufactured home parks developed after 2015.
- (b) Prior to the development of a new Manufactured Home Park the applicant will submit to the Development Authority a comprehensive site plan and/or any other supporting documentation that will identify the following elements:
 - (i) Site area with lot lines of the manufactured home park and any titled lots clearly delineated.
 - (ii) Proposed layout and placement of individual housing units.
 - (iii) Internal and adjacent pedestrian or walkway connections.
 - (iv) Internal and adjacent roadways.
 - (v) Internal and perimeter landscaping.

- (vi) Garbage areas.
 - (vii) Parking areas.
 - (viii) Recreational areas.
 - (ix) Storage areas.
- (c) A development permit and move-in permit are required anytime a new manufactured home unit is moved onto a Manufactured Home Park site. Move-in permits shall require:
- (i) Third party certification from an accredited inspection agency including the Canadian Standard Association (CSA), Intertek or Quality Auditing Institute (QAI). 944/18
 - (ii) Alberta Municipal Affairs Label or CSA Label. 944/18
 - (iii) Model number. 944/18
 - (iv) Manufactured home unit serial number.
- (d) A move-out permit is required when units vacate a site. A new move-in permit shall not be issued until a move-out permit has been completed for the lot.
- (e) All permits are the responsibility of the Manufactured Home Park site.

(4) Manufactured Home Park Size

- (a) The gross density of a residential home park is 17 manufactured homes per hectare
- (b) A residential home park shall have a minimum park area of 2 hectares but a maximum park area of 4 hectares

(5) Setbacks

- (a) The minimum yard requirements for manufactured homes shall be at least:
 - (i) 3.5 m from a similar manufactured home unit.
 - (ii) 6.0 m from the rear lot line of the manufactured home park. 928/16
 - (iii) 2.4 m from any internal access road or common parking area. 928/16

PART 1 - ENACTMENT**1.1 TITLE**

The title of this Bylaw shall be the Land Use Bylaw of the Town of Rimbey.

1.2 PURPOSE

The purpose of this Bylaw is to regulate and control the use and development of land and buildings within the Town to achieve the orderly and economic development of land, and for that purpose, amongst other things:

- (1) to divide the Town into districts;
- (2) to prescribe and regulate for each district the purposes for which land and buildings may be used;
- (3) to establish a method of making decisions on applications for development permits including the issuing of development permits;
- (4) to provide the manner in which notice of the issuance of a development permit is to be given; and
- (5) to establish the number of dwelling units permitted on a parcel of land.

1.3 APPLICATION

This Bylaw shall apply to the whole of the Town of Rimbey being all lands and buildings contained within its corporate limits.

1.4 EFFECTIVE DATE

- (1) This Bylaw comes into effect upon the date of its third reading.
- (2) Land Use Bylaw No.762-04, as amended, is hereby repealed.

1.5 CONFORMITY WITH THE BYLAW

- (1) No person shall commence any development within the Town except in conformity with this Bylaw.

- (2) Compliance with the requirements of this Bylaw does not exempt any person from the requirements of any adopted Statutory Plan.

1.6 OTHER LEGISLATIVE REQUIREMENTS

- (1) In addition to this Bylaw, an applicant is responsible for complying with any other applicable federal, provincial, or municipal legislation or law. The applicant is also responsible for complying with the conditions of any caveat, covenant, easement or other instrument affecting a building or land.
- (2) The Town is not responsible for nor does the Town have any obligation whatsoever to determine what other legislation may apply to a development, nor to monitor or enforce compliance with such legislation.
- (3) The Development Authority shall not approve an application for a development permit that is not in conformity with the Town’s Statutory Plans.

1.7 SEVERABILITY

- (1) In the event any portion of this Bylaw is found invalid by a Court of Law or is overturned by a superior jurisdiction, the validity of the remaining portions of the Bylaw shall not be affected.

1.8 TRANSITION

- (1) An application for a Subdivision, Development Permit or amendment to this Bylaw commenced prior to the coming into force of this Bylaw shall be evaluated under the provisions of the Town’s Land Use Bylaw No.917/16 as amended.

PART 2 – INTERPRETATION

2.1 RULES OF INTERPRETATION

- (1) Where a word is used in the singular, such a word may also mean plural.
- (2) Where a masculine or impersonal pronoun or adjective is used, such a word may also mean the feminine or impersonal pronoun or adjective.
- (3) Where a word is used in the present tense, such a word may also mean the future tense.
- (4) The word “person” includes a corporation as well as an individual.
- (5) The words “shall” and “must” require mandatory compliance except where a variance has been granted pursuant to the Act or this Bylaw.
- (6) Words, phrases, and terms not defined in this part may be given their definition in the Act, the Alberta Building Code or other provincial legalisation. Other words shall be given their usual and customary meaning.
- (7) Where a regulation involves two or more conditions or provisions connected by the conjunction “and” means all the connected items shall apply in combination; “or” indicates that the connected items may apply singly; and “and/or” indicates the items may apply singly or in combination.
- (8) All units of measure contained within this Bylaw are metric (SI) standards, and are rounded to the nearest decimal place. For the purpose of convenience, the following conversion factors are provided:

- (5) After thirty (30) days from the date of referral, the application may be dealt with by the Development Authority whether or not comments have been received.

4.3 DECISION PROCESS – DEVELOPMENT AUTHORITY

- (1) In making a decision, the Development Authority may approve the application unconditionally, approve the application subject to conditions, approve the application for a limited period of time as specified in the approval, or refuse the application.
- (2) The Development Authority may require that as a condition of issuing a development permit, the applicant enter into an agreement in accordance with Section 650 of the Municipal Government Act to construct or pay for the construction of roads, pedestrian walkways or parking areas which serve the development or which connect the walkway with another walkway system that serves or is proposed to serve an adjacent development, to install or pay for the installation of public utilities other than telecommunications systems or works, to pay an off-site levy, and/or to give security to ensure that the terms of the agreement are carried out.
- (3) In the case where a proposed specific use of land or a building is not provided for in any District in the Bylaw, the Development Authority may determine that such use is similar in character and purpose to the definition of a permitted or discretionary use prescribed for a particular District.
- (4) The Development Authority may approve an application for a development permit for new development or an application for a development permit that authorizes a non-conforming building to be enlarged, added to, structurally altered even though the proposed development does not comply with the regulations of this Bylaw, if, in the opinion of the Development Authority:
 - (a) the proposed development would not: (i) unduly interfere with the amenities of the neighbourhood, or (ii) materially interfere with or affect the use, enjoyment or value of neighbouring parcels of land, and
 - (b) the proposed development conforms to the use prescribed for that land or building in this Bylaw.
- (5) Upon receipt of an application, the Development Authority must review the application for completeness within 20 days of the application being received. The Development Authority shall provide the applicant either:
 - (a) A complete letter, if in the opinion of the Development Authority, the application contains the information necessary to review the application;
 - (b) An incomplete letter if in the opinion of the Development Authority, the application is incomplete. An incomplete letter shall specify:
 - (i) the additional information that the Development Authority will require in order for the application to be considered complete;

- (ii) the deadline for submission of the additional information or at such other later date as agreed between the applicant and the Development Authority; and
 - (iii) any other information identified as being necessary by the Development Authority
 - (c) Applications that have been issue an incomplete letter, will be
 - (i) Issued a complete letter shall be issued once the Development Authority receives the necessary information.
 - (ii) deemed refused if an applicant fails to submit all the outstanding items indicated as being outstanding in the incomplete letter by the deadline set in the incomplete letter, If an application is deemed refused the Development Authority shall issue a Development Permit refusal. The refusal must give reasons for the refusal.
 - (d) Despite the issuance of a complete letter or incomplete letter, the Development Authority may request additional information from the applicant if, in the course of reviewing the application, the Development Authority determines that additional information is necessary to review the application.
- (6) An application for a development permit shall, at the option of the applicant, be deemed to be refused if a decision on the application is not made by the Development Authority within forty (40) days after receipt of the complete application by the Development Authority. The person claiming to be affected by the deemed refusal may appeal in writing as provided for in Part 4 of this Bylaw as though he has received a refusal at the end of the forty (40) day period. The Development Authority and the applicant, may in a written agreement extend the 40 day period in which the Development Authority is to make a decision on the application.
- (7) A Development Authority may suspend or revoke a development permit in writing to the applicant at any time:
- (a) Where the permit was issued on the basis of incorrect information, fraud, non-disclosure, or misrepresentation on the part of the applicant; or
 - (b) Where the permit was issued in error.
- (8) If an application is made for a development that is identified as a temporary development in a land use bylaw, the Development Authority:
- (a) May consider and approve a development for a specific period of time, not exceeding one year;
 - (b) Shall impose a condition on such a permit that the Town is not liable for any costs involved in the cessation or removal of the development at the expiration of the time period stated in the permit; and
 - (c) May require the applicant to post acceptable security guaranteeing the cessation or removal of the development. The amount of the security shall the greater of 25% of the value of the structure or \$1,000.

4.4 DECISION PROCESS – SUBDIVISION AUTHORITY

- (1) Upon receipt of an application for subdivision, the Subdivision Authority must review the application for completeness twenty (20) days of the application being received. The Subdivision Authority shall provide the applicant either:
 - (a) A complete letter, if in the opinion of the Subdivision Authority, the application contains the information necessary to review the application;
 - (b) An incomplete letter if in the opinion of the Subdivision Authority, the application is incomplete. An incomplete letter shall specify:
 - (i) the additional information that the Subdivision Authority will require in order for the application to be considered complete;
 - (ii) the deadline for submission of the additional information or such other later date as agreed between the applicant and the Subdivision Authority; and
 - (iii) any other information identified as being necessary by the Subdivision Authority
 - (c) Applications that have been issued an incomplete letter, will be
 - (i) Issued a complete letter once the Subdivision Authority receives the necessary information.
 - (ii) deemed refused if an applicant fails to submit all the outstanding items indicated as being outstanding in the incomplete letter by the deadline set in the incomplete letter. If an application is deemed refused the Subdivision Authority shall issue a notice to the applicant that the subdivision application has been refused. The refusal must give reasons for the refusal.
 - (d) Despite the issuance of a complete letter or incomplete letter, the Subdivision Authority may request additional information from the applicant if, in the course of reviewing the application, the Subdivision Authority determines that additional information is necessary to review the application.
- (2) An application for a subdivision shall, at the option of the applicant, be deemed to be refused if a decision on the application is not made by the Development Authority within forty (40) days after receipt of the complete application by the Development Authority. The person claiming to be affected by the deemed refusal may appeal in writing as provided for in Part 4 of this Bylaw as though he has received a refusal at the end of the forty (40) day period. The Development Authority and the applicant, may in a written agreement extend the 40 day period in which the Development Authority is to make a decision on the application.

4.5 VARIANCE AUTHORITY

- (1) Notwithstanding 4.3(3) the Development Authority may approve an application for a development permit for a development that is a Permitted or Discretionary Use, but that does not otherwise comply with the provisions of this Bylaw, if in the opinion of the Development Authority:
 - (a) The proposed development would not unduly interfere with the amenities of the neighbourhood.
 - (b) The proposed development conforms with the use prescribed for that land or building in this Bylaw;
- (2) Notwithstanding 4.4(1) the Development Authority shall not grant a variance from the regulations prescribing height, if the height variance results in an increase in floor area, lot coverage, floor area ratio (FAR), or density.
- (3) In addition to the considerations provided under 4.4(1), a variance may only be granted if, in the opinion of the Development Authority:
 - (a) The variance requested maintains the intent and purpose of the Municipal Development Plan;
 - (b) The variance requested maintains the intent and purpose of this Bylaw;
 - (c) The variance is desirable for the appropriate and orderly development or use of the land; and
 - (d) The variance, in the opinion of the Development Authority, is truly minor in nature.
- (4) All requests for a variance shall be accompanied by a letter from the applicant clearly stating the reasons for the variance, outlining the applicable criteria identified in 4.4(3), and the nature of the hardship incurred if the variance is not granted.
- (5) If a variance is granted pursuant to this Section, the Development Authority shall specify its nature in the Development Permit approval.
- (6) The maximum variance that may be granted by the Development Authority is 20% except for variances in accordance with 4.5(7).
- (7) The maximum variance that may be granted by the Development Authority is 40% for setbacks from the property line.

- (8) An accessory building, over 13.4m², built prior to January 1, 2019, may have the minimum side setback and minimum rear setback requirements varied at the sole discretion of the Development Authority. The Development Authority is not bound by the maximum variance in Section 4.5(6) or 4.5(7). In accordance with Section 4.5, a variance application shall be required and the applicant must demonstrate that the structure was built prior to January 1, 2019 in a manner deemed satisfactory to the Development Authority.

4.6 DEVELOPMENT PERMITS AND NOTICES

- (1) A development permit does not come into effect until twenty-one (21) days after the date a decision or development permit is publicized as described in the appropriate section in 4.6 of this bylaw. Any development proceeded with by the applicant prior to the expiry of this period is done solely at the risk of the applicant.
- (2) Where an appeal is made pursuant to Part 4 of this Bylaw, a development permit which has been granted shall not come into effect until the appeal has been determined and the permit has been confirmed, modified or nullified thereby.
- (3) When a permit has been issued for the development of a permitted use, and no provisions of this Bylaw have been relaxed or varied, or when Council makes a decision on a development permit application within the DC District, no notification shall be given of the decision except to the applicant.
- (4) When a Development Permit has been issued for a Permitted Use, with or without conditions, the Notice of Decision must be delivered to the applicant.
- (5) When a Development Permit for a Permitted Use requiring a variance or a Discretionary Use is approved, with or without conditions or variances, the Notice of Decision must be delivered to the applicant.
- (6) In addition to 4.6(5), the Development Officer shall do the following:
- (a) Immediately mail a notice in writing to all owners of land adjacent to the subject site; and/or
 - (b) Advertise a notice of the decision to be published on the Town of Rimbey's website.
- (9) In addition to 4.6(5), the Development Officer may, at their discretion,
- (a) Immediately post a notice of the decision conspicuously on the property for which the development permit application has been issued.

- (10) The notice indicated in Subsection 4.6(6) shall state:
 - (a) the legal description and the street address of the site of the proposed development,
 - (b) the uses proposed for the subject development,
 - (c) any discretion that was granted in the approval of the development, whether by use or by interpretation of this Bylaw, and any variation or relaxation in regulation that was made by the Development Officer when the development permit was approved,
 - (d) the date the development permit was issued, and
 - (e) how an appeal may be made to the Appeal Body and the deadline for such appeal.

- (11) If the development authorized by a permit is not commenced within twelve (12) months from the date of the issue of the development permit, and completed within three (3) years of the date of issue, the permit is deemed to be void, unless an extension to this period is granted by the Development Authority.

- (12) When the Development Authority refuses an application for a development permit, the decision shall contain reasons for the refusal.

- (13) For the purposes of this Bylaw, a Notice of Decision, is deemed to have been served:
 - (a) if by courier, on the day following delivery;
 - (b) if by ordinary mail, seven (7) days from the date of mailing;
 - (c) hand delivery, on the day of delivery.
 - (d) if by electronic means, on the day after it was sent; or
 - (e) if a Notice of Decision is published on the Town website, on the date the Notice of Decision appears on the Town website.

4.7 DEVELOPMENT AGREEMENTS AND SECURITIES

- (1) Where a development permit has been granted for the development for any development, as a condition of approval, the applicant shall be required to provide a cash security, in the sum outlined in current Fees and Services Bylaw Schedule A, to ensure the completion of any repairs to Town property. The Town may draw on this security to cover the costs of any repairs to Town property in the event the applicant fails to complete the repairs within thirty (30) days of being notified by the Town of the damages.

- (2) Where a development permit has been granted for the development of a housing unit consisting of two or less units, including housing, duplex;; housing, secondary suite; and, housing, single detached, as a condition of approval, the applicant shall be required to provide an irrevocable Letter of Credit, as a security, in the sum outlined in the current Fees and Services Bylaw, Schedule A, to ensure construction is completed to the satisfaction of the Development Authority.

- (3) Where a development permit has been granted for the development of a multi-family residential building, consisting of three or more units a new principal commercial or new principal industrial building, as a condition of approval, the applicant shall be required to provide an irrevocable Letter of Credit, as a security, in the sum outlined in the current Fees and Services Bylaw, Schedule A, to ensure construction is completed to the satisfaction of the Development Authority. The Town shall register a caveat pursuant to the provisions of the Land Titles Act and the Municipal Government Act in respect of a Development Agreement under this Section against the Certificate of Title for the land that is the subject of the development, which said caveat shall be discharged when the agreement has been complied with.
- (4) Notwithstanding 4.7(3), in all other circumstances the Town may, at its sole discretion require the registration of a caveat pursuant to the provisions of the Land Titles Act and the Municipal Government Act in respect of a Development Agreement under this Section against the Certificate of Title for the land that is the subject of the development, which said caveat shall be discharged when the agreement has been complied with.
- (5) The Town may require, any applicant to enter into an agreement to construct or pay for the construction of public roadways or parking facilities, to install or pay for the installation of utilities and/or to pay an off-site levy imposed by bylaw or any other conditions as deemed appropriate. This may involve the applicant posting security with respect to the development and paying for construction, where the development requires a road or traffic infrastructure improvement specifically to accommodate the development. The applicant for a development permit may be required to provide dust control adjacent to existing residences located on roads impacted by the development. The Development Authority may require that commercial vehicular traffic be limited to certain roads when gaining access to and from a site.

PART 5 – DEVELOPMENT APPEAL PROCESS**5.1 APPEAL PROCEDURE**

- (1) An appeal with respect to a decision on a development permit application is governed by the Municipal Government Act.
- (2) An appeal may be made to the appropriate Appeal Body in accordance with the Municipal Government Act.
- (3) The Subdivision and Development Appeal Board, as established by Town Bylaw, shall hear and make a decision on an appeal where a Development Authority:
 - (a) Refuses or fails to issue a development permit to a person within forty (40) days of receipt of the application, or
 - (b) Issues a development permit subject to conditions, or
 - (c) Issues an order under Part 6 of this Bylaw; and
 - (i) The person applying for the permit or affected by the order, or any other person affected by an order, decision or development permit of a Development Authority appeals to the Subdivision and Development Appeal Board.
- (4) In addition to the Applicant, any person affected by a Development Permit or the decision on it, may appeal to the Appeal Body.
- (5) Notwithstanding 5.1 and 5.2, no appeal lies in respect of the issuance of a development permit for a Permitted Use unless the application was the subject of a variance.
- (6) An appeal shall be commenced by filing a Notice of Appeal, setting out all of the reasons that the person intends to rely on for the appeal, to the Secretary of the Board within twenty-one (21) days after the Notice of Decision has been given under Section 4.6.
- (7) A decision on a Development Application within a Direct Control District cannot be appealed unless the appeal is limited to whether or not the Development Authority followed the directions of Council. If the Board finds that the Development Authority did not follow Council's directions, it may, in accordance with Council's directions, substitute its decision for that of the Development Authority.

5.2 APPEAL HEARING

- (1) Within thirty (30) days of receipt of a notice of appeal, the Appeal Body shall hold an appeal hearing respecting the appeal.
- (2) The Appeal Body shall give at least five (5) days' notice in writing of the appeal hearing to:
 - (a) The appellant;
 - (b) The Development Authority from whose order, decision or development permit the appeal is made;
 - (c) Those adjacent land owners who were notified under this Bylaw and any other person who, in the opinion of the Appeal Body, are affected by the order, decision or permit; and
 - (d) Such other persons as the Appeal Body specifies.
- (3) The Appeal Body shall make available for public inspection before the commencement of the appeal hearing all relevant documents and materials respecting the appeal including:
 - (a) The application for the development permit, its refusal and the appeal therefrom; or
 - (b) The order of the Development Authority, as the case may be.
- (4) At the appeal hearing referred to in subsection (1), the Appeal Body shall hear:
 - (a) The appellant or any other person acting on his behalf;
 - (b) The Development Authority from whose order, decision or development permit the appeal is made, or if a person is designated to act on behalf of the Development Authority, that person;
 - (c) Any other person who was served with notice of the hearing and who wishes to be heard or a person acting on his behalf; and
 - (d) Any other person who claims to be affected by the order, decision or permit and that the Appeal Body agrees to hear or a person acting on his behalf.

5.3 APPEAL DECISION

- (1) The Appeal Body shall give its decision in writing together with reasons for the decision within fifteen (15) days of the conclusion of the appeal hearing.
- (2) If the decision of the Development Authority to approve a development permit application is reversed by the Appeal Body, the development permit shall be null and void.
- (3) If the decision of the Development Authority to refuse a development permit application is reversed by the Appeal Body, the Development Authority shall forthwith issue the development permit in accordance with the decision of the Appeal Body.

- (4) If the decision of the Development Authority to approve a development permit is varied by the Development Appeal Board, the Development Authority shall forthwith issue the development permit in accordance with the decision of the Appeal Body.

- (5) A decision made under this part of the Bylaw is final and binding on all parties and all persons subject only to an appeal upon a question of jurisdiction or law pursuant to the Act. An application for leave to the Court of Appeal shall be made:
 - (a) to a judge of the Court of Appeal; and
 - (b) within thirty (30) days after the issuance of the order, decision, permit or approval sought to be appealed.

PART 6 – BYLAW AMENDMENT PROCESS**6.1 APPLICATION FOR AMENDMENT**

- (1) A person may apply to have this Bylaw amended by applying in writing, furnishing reasons in support of the application and paying the fee therefore required.
- (2) Council may at any time initiate an amendment to this Bylaw by directing the Development Authority to initiate an amendment.
- (3) All applications for amendment to the Land Use Bylaw shall be made to the Council and shall be accompanied by the following, namely:
 - (a) An application fee according to the governing fee schedule as amended from time to time by resolution of Council shall be submitted for each application, but if the proposed amendment is adopted by Council, Council may determine that the whole or part of the application fee may be returned to the applicant;
 - (b) A title search for the land affected or other documents satisfactory to the Development Authority indicating the applicant's interest in the said land;
 - (c) Drawings drawn to the satisfaction of the Development Authority, which shall be fully dimensioned, accurately figured, explicit and complete; and
 - (d) Any other information deemed necessary by the Development Authority.
- (4) Notwithstanding Subsection (3)(a) above, Council may waive payment of an application fee or any part thereof.
- (5) During deliberation on the Bylaw amendment application, Council may refer the application to such agencies as it considers necessary for comment.
- (6) Council may request such information as it deems necessary to reach a decision on the proposed amendment.

6.2 PUBLIC HEARING PROCESS

- (1) All amendments to this Bylaw shall be made by Council, by Bylaw, and in conformity with the requirements of the Act with regard to the holding of a Public Hearing.
- (2) Prior to any Public Hearing, the Town shall give notice in accordance with the Act.
- (3) First reading of a proposed amendment is given before the Public Hearing, and Council may require that the applicant pay a fee for advertising according to the governing Land Use Bylaw advertising fee schedule as amended from time to time by resolution of Town.
- (4) Prior to any Public Hearing for a site specific land use bylaw amendment only, the Development Authority shall mail a notice in writing to all owners of land adjacent to the subject site.

PART 7 – ENFORCEMENT

7.1 CONTRAVENTION

- (1) Where a Development Authority finds that a development or use of land or buildings is not in accordance with:
 - (a) The Act or the regulations made thereunder, or
 - (b) A development permit or subdivision approval, or
 - (c) This Bylaw;

The Development Authority may, by notice in writing, order the owner, the person in possession of the land or buildings, or the person responsible for the contravention, or all or any of them to:

 - (d) Stop the development or use of the land or buildings in whole or in part as directed by the notice, and/or
 - (e) Demolish, remove or replace the development, and/or
 - (f) Take such other measures as are specified in the notice;
 - (i) So that the development or use of the land or buildings is in accordance with the Act, the regulations made thereunder, a development permit, subdivision approval or this Bylaw, as the case may be.
- (2) Where a person fails or refuses to comply with an order directed to him under Subsection (1) above or an order of the Appeal Body within the time specified, the Development Authority may, in accordance with Section 542 of the Act, with the support of a Peace Officer or Enforcement Officer, enter upon the land or building and take such action as is necessary to carry out the order. A person who contravenes or fails to comply with any provision of their development permit is guilty of an offence and is liable upon summary conviction of a fine.
- (3) Where the Development Authority carries out an order, the Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll as an additional tax against the property concerned, and that amount shall be collected in the same manner as taxes on land.
- (4) A person who contravenes or fails to comply with any provision of this Bylaw is guilty of an offence and is liable upon summary conviction to a fine not exceeding \$10,000.00 or to imprisonment for not more than one year, or to both fine and imprisonment, pursuant to Section 566 of the Act.
- (5) A Development Authority may suspend or revoke a development permit which has not been complied with, following notification, stating the reasons for such action.

- (6) In addition to the process and penalties described above, the Development Authority, Peace Officer, Bylaw Officer or any other person identified by the CAO for the purposes of this Section, shall be authorized to inspect any development to confirm compliance, and if not in compliance to issue violation tickets in respect to any contravention of this Bylaw.
- (7) Violation Tickets:
- (a) The Development Authority, Peace Officer, Bylaw Officer or any other person identified by the CAO for the purposes of this section, may issue a violation ticket to any person alleged to have breached any provision of this Bylaw.
 - (b) The violation ticket shall specify the alleged offence committed by the person to whom the violation ticket is issued and require voluntary payment, or the option of a court appearance on a date specified and will be dealt with thereafter at the court's discretion.
 - (c) Persons contravening any provision of this Bylaw to whom violation tickets are issued shall be liable for a penalty of \$500.00 for a first offence and \$1000.00 for a second or subsequent offence within the same calendar year. Each day that a breach of the Bylaw has occurred may be considered to be a separate offence.
 - (d) The violation ticket shall be served upon the alleged offender personally, or if the defendant cannot be conveniently found, by leaving it for the defendant at the defendant's place of residence with a person on the premises who appears to be at least 18 years of age. If payment is made within the time limit, then such payment shall be accepted in lieu of prosecution for the offence.
 - (e) If a person who has been served with a violation ticket fails to pay the fine specified therein, then the right of the alleged offender to settle the alleged offence without a court appearance shall no longer apply and prosecution for the alleged offence shall proceed.

PART 8 – GENERAL REGULATIONS**8.1 ACCESSORY BUILDINGS AND USES**

- (1) No person shall construct or utilize an accessory building except in compliance with this section.
- (2) All accessory buildings shall be located at least 2.0 m from any principal building, unless under 13.4 m² and on a non-permanent foundation.
- (3) An accessory building shall not be used as a dwelling unit.
- (4) An accessory building that contains sanitation facilities shall be designed to the satisfaction of the Development Authority.
- (5) An accessory building shall not be constructed within the required front yard setback area of any district.
- (6) Accessory buildings shall be constructed with exterior finish materials that compliment those of the principal building.
- (7) An accessory building shall not be located on an easement or utility right-of-way, without an encroachment agreement registered on title in accordance with section 8.21.
- (8) An accessory building shall not be developed or approved on a lot prior to the issuance of a development permit for the principal building or use on the lot.
- (9) Decks, balconies, sunrooms and the like shall not be constructed on top of an accessory building unless the setbacks of the accessory building comply with the allowable setbacks for the principal building in that district.
- (10) Accessory buildings under 13.4 m² in size and decks which are uncovered, and the walking surface is less than 60 cm (2 feet) above grade are not required to meet the setback requirements for the District in which is it located.
- (11) An accessory building, over 13.4m², is required to meet the setback requirements for the District in which it is located.

8.2 AIR SUPPORTED AND FABRIC-COVERED STRUCTURES

- (1) All air supported and fabric-covered structures over 13.4 m² and will be erected for more than (3) three days require a development permit.
- (2) Air supported and Fabric-Covered Structures used for recreational purposes will be permitted as a discretionary main building.
- (3) All other Air Supported and Fabric-Covered Structures will be permitted as a discretionary accessory building.
- (4) Air supported and fabric-covered structures cannot be used for human habitation.

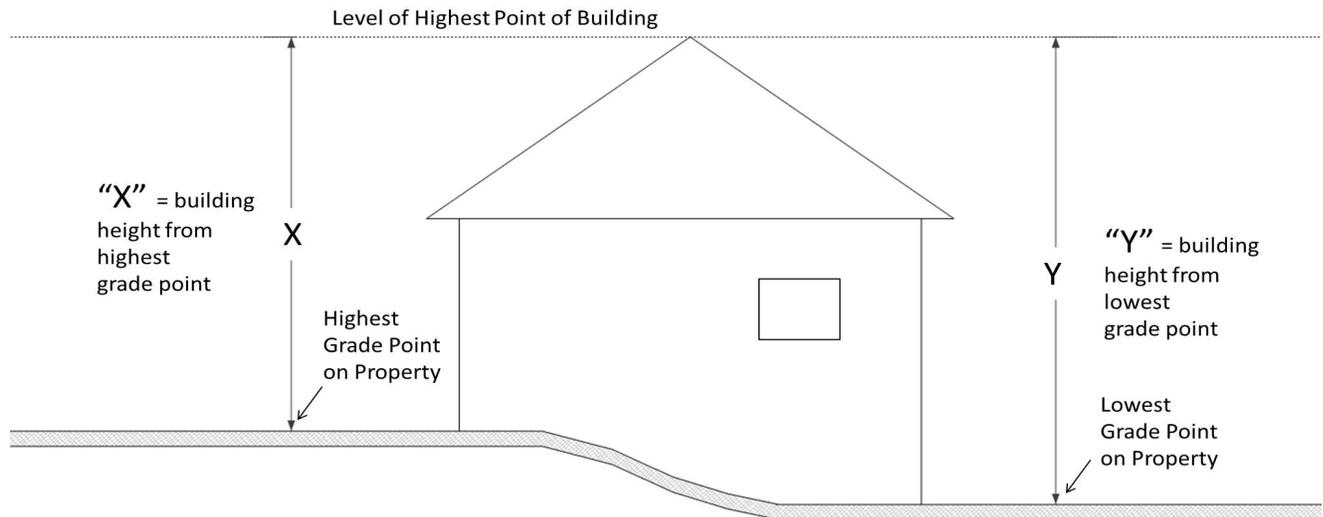

8.3 BARE LAND CONDOMINIUM

- (1) Structures constructed on bare land condominium units shall comply with the general regulations of this bylaw, including the regulations for the land use district in which the unit is located.
- (2) For the purposes of this Bylaw, a bare land condominium plan is a plan of subdivision.

8.4 BUILDING HEIGHT

- (1) If the height of a building is required to be measured or determined, it shall be measured by calculating the average vertical distance between the natural grade, or the average natural grade in the case of a sloping grade, and the highest point of the building as determined under Subsection (2).
- (2) In determining the highest points of a building, the following structures shall not be considered to be part of the building: an elevator housing; mechanical housing; roof stairway entrance; ventilations; a skylight; a steeple; a smokestack; a parapet wall, or a flagpole or similar device not structurally essential to the building.

FIGURE 8.4.1 – BUILDING HEIGHT CALCULATIONS

$$\text{Height Average} = (X+Y)/2$$

8.5 CORNER AND DOUBLE FRONTING PARCELS

- (1) In all districts, a site abutting onto two streets or more shall have a front yard setback on each street in accordance with the front yard regulations of this Bylaw.
- (2) In all cases, the location of building on corner sites shall be subject to approval of the Development Authority who may, at their discretion, relax the front yard setback requirements taking into account the location of existing adjacent buildings or the permitted setback on adjacent sites where a building does not exist.
- (3) On corner parcels contiguous to a highway the Alberta Infrastructure Highway “Minimum Site Triangle” Design Guidelines shall apply.

8.6 CURB CUTS

- (1) The nearest edge of a proposed curb cut to the nearest curb line of the street intersection shall not be less than 12.0 m.
- (2) The maximum width of the curb cut shall not exceed 9.1 m in industrial districts and 6.0 m in all other districts, unless otherwise specified by the Development Authority for reasons of public safety or convenience.

8.7 DESIGN, CHARACTER AND APPEARANCE OF BUILDINGS AND STRUCTURES

- (1) The purpose of this Section is to provide the Town with controls and guidance in order to ensure that aesthetically attractive and compatible development is provided throughout the Town.
- (2) The quality of exterior treatment and design of all buildings shall be to the satisfaction of the Development Authority for permitted uses and discretionary uses.
- (3) Pursuant to Subsection (2), the Development Authority shall consider, but not be limited to the following criteria when evaluating the design, character and appearance of development proposals in all Districts.
 - (a) General Guidelines:
 - (i) The design, character and appearance of all buildings must be compatible with any other buildings existing in the vicinity unless the building is setting a new standard of design and character for the land use district or a particular location of it;
 - (ii) The design of the building or development must be consistent with the purpose and intent of the land use district in which it is located;
 - (iii) The building shall comply with any provisions of a statutory plan or architectural control guidelines adopted by Council.
 - (b) Guidelines for Commercial and Industrial Development:
 - (i) The harsh contrasts of very large or massive buildings mixed with small buildings can be softened by using similar sizes and shapes of massing elements, like roof lines, exterior design and treatment;
 - (ii) Blank, unfinished walls give a very bland appearance to the streetscape. Particular attention should be given to reduce large vacant spaces between buildings which are left open to public view;
 - (iii) Rooftop mechanical equipment should be hidden from view from public streets and from adjacent buildings;
 - (iv) Utility installations and buildings should be located in such a manner so as to be compatible with adjacent buildings and development. This may be achieved by placing utility installations within buildings wherever possible, or development utility buildings which blend into the surrounding area;
 - (v) Natural features are an important part of the urban environment and should be given a high priority in developing a site. This may be achieved by preserving existing trees wherever possible;
 - (vi) Corner sites at the intersection of major streets should be given special consideration. Sight lines for drivers and more pedestrian space are features which should be incorporated into the design of buildings on corner lots;

- (vii) Buildings should provide weather protective overhangs at outdoor pedestrian areas and at building entrances. The overhangs can be achieved through the use of cantilevers, awnings and canopies;
 - (viii) Long buildings along the street front should include a public route through the building which can be accessed by pedestrians to parking areas or simply to reduce having to walk around the building;
 - (ix) Large pedestrian areas or parcels should be designed for safety and at a pedestrian scale. The combination of landscaping and pedestrian walkway connections from the parking area to the shopping areas can act as a windbreak, slow the traffic in the parking area, and soften the harsh visual impact of large asphalt areas;
 - (x) The site illumination of commercial and industrial sites should not shine into residential windows;
 - (xi) On-site parking, loading and shipping areas are less attractive elements of a streetscape and should be hidden from public roadways by buildings, screening and landscaping;
 - (xii) Outdoor storage and garbage collection areas are generally unsightly and undesirable elements from public roadways and should be screened or hidden behind buildings. Existing storage and garbage collection areas should be screened from roadways by using berms, walls and landscaping.
- (c) Guidelines for Residential Development:
- (i) Visual privacy of internal living space and areas should be maintained in new and existing developments. The use of berms, landscaping and the orientation of the dwellings and the living space windows can improve the visual privacy between developments;
 - (ii) Identical or similar housing styles, models, designs and colors should be discouraged. The same housing color, design or treatment should not be used for any more than three adjacent dwellings;
 - (iii) Corner lot houses should be generally lower lying houses as height and mass is emphasized beside a void such as a road.
 - (iv) Any accessory building built on a lot, such as a detached garage or garden shed should be of proportional mass, roof line and treatment as the principal building.
 - (v) Developments should be encouraged to possess good proportion in the front elevations through the use of such elements as dormers, bay windows, shutters, brickwork, roof lines and variations of window sizes.

8.8 DEVELOPMENTS ON OR NEAR SLOPES

- (1) Notwithstanding the yard requirements prescribed in the land use districts, no permanent buildings shall be permitted within 20.0 m of the top of the bank of any waterbody and no development shall be permitted within 20.0 m of the top or bottom of an escarpment bank or slope where the grade exceeds 15% (fifteen percent).
- (2) The Development Authority may require greater setback than is prescribed in Section 8.8(1).
- (3) Notwithstanding that a proposed development conforms in all respects with this Bylaw, including Sections 8.8(1) and 8.8(2), where the application is for development on lands that are or may be subject to subsidence, the Development Authority shall not issue a development permit unless the applicant can demonstrate that preventative engineering and construction measures can be instituted to make the parcel suitable for the proposed development.
- (4) Subject to Section 8.8(3), the Development Authority may, at their discretion, reduce the setback requirements established pursuant to 8.8(1) and 8.8(2) if the applicant provides satisfactory proof of bank stability.

8.9 DEVELOPMENTS NEAR WATER

- (1) Notwithstanding 8.8, the Development Authority may require reports to be submitted by qualified professionals to help determine the setback distance from water bodies. The setback may be reduced if supported by a report submitted by a qualified engineer.

8.10 DWELLING UNITS ON A PARCEL

- (1) The number of dwelling units allowed on any single parcel shall be one, except where additional dwellings are:
 - (a) Contained in a building designed for, or divided into, two or more dwelling units and is located in a land use district which permits multiple units; and
 - (b) A building defined in the Condominium Property Act (Chapter C-22, R.S.A. 2000) and all regulations and amendments thereto and is the subject of an approved condominium plan registered under that Act.

8.11 EMERGENCY ACCESS TO BUILDINGS

- (1) Sites shall be so designed that, in the opinion of the Development Authority, appropriate access for firefighting equipment is afforded to all buildings, moreover,
 - (a) In the case of industrial, commercial, multiple family, or public or quasi-public sites, the distance between the fire hydrant and any driveway or access point shall be a minimum of 3.0 m. In the case of single family sites, the distance between the fire hydrant and any driveway or access point shall be a minimum of 1.85m; and
 - (b) No person shall in any manner obstruct the fire access to any hydrant, valve or curb stop. No vehicle, building, structure, or vegetation higher than 0.5 m, shall be placed within 1.5 m from a hydrant.
- (2) On at least two sides, one of which shall be the longest side, of any building used as an apartment building and which exceeds two storeys in height, there shall be firm level areas accessible for firefighting equipment for at least 75% (seventy five percent) of the length of each of the two sides of the building. Such areas shall not be less than 4.25 m in width and not more than 3.0 m from the building, and no permanent structure or vehicular parking shall be permitted thereon.
- (3) A lane or lanes for the purpose of permitting the access of firefighting equipment to all major access points of shopping centre buildings shall be provided, and no permanent structures or vehicular parking may be permitted thereon.

8.12 EXCAVATION, STRIPPING AND GRADING

- (1) For the purpose of this Section, excavation shall mean excavation other than for construction or building purposed, including, but not limited to, sand and gravel mining, topsoil stripping, and construction of artificial bodies of water.
- (2) An applicant for a development permit for the excavation, stripping or grading of land, which is proposed without any other development on the same land, shall include with his or her application the following information:
 - (a) Location of the lot, including the municipal address if any, and legal description;
 - (b) The area of the lot on which the development is proposed;
 - (c) The type of excavation, stripping or grading proposed, showing the dimensions of the operation or the area of the land and depth to which the topsoil is to be removed;
 - (d) Location on the lot where the excavation, stripping or grading is to be made on the lot; and
 - (e) The condition in which the excavation, stripping or grading is to be left when the operation is complete or the use of the area from which the topsoil is removed.

- (3) Where, in the process of development, areas require levelling, filling, or grading, the topsoil shall be removed before work commences, stockpiled, coverage of 0.15 m shall be provided upon occupancy of the development, and the affected area shall be graded and landscaped to the satisfaction of the Development Authority.

8.13 EXISTING SUBSTANDARD LOTS

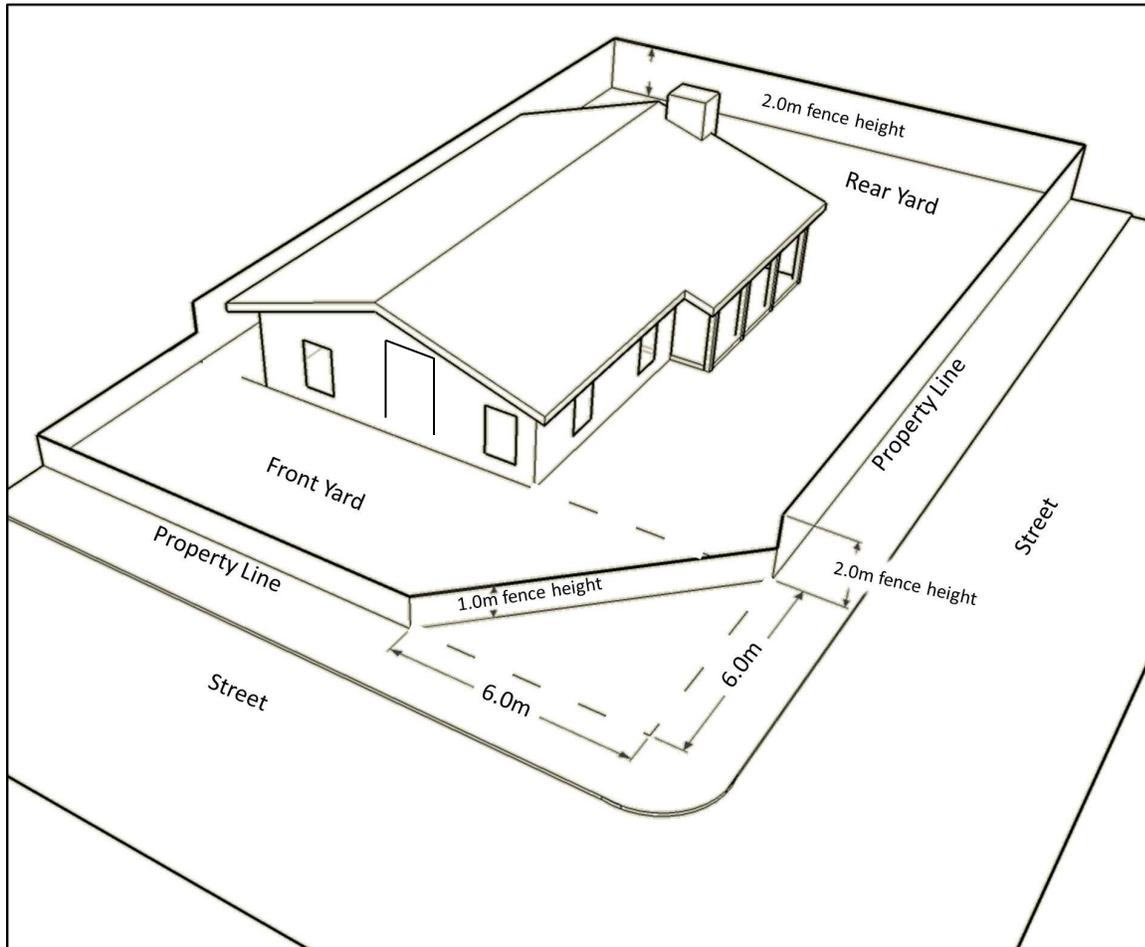

- (1) Development on existing substandard lots may be considered by the Development Authority who shall have due regard for compliance with the Safety Codes Act and its regulations prior to granting approval.

8.14 FENCES

- (1) In any district, except as herein provided,
 - (a) No fence shall be constructed that is located on public property;
 - (b) No fence shall be constructed that is:
 - (i) For internal lots in all residential land use districts, no higher than 2.0 m for the portion of the fence that does not extend beyond the foremost portion of the principal building on the site and 1.0 m for that portion of the fence that does extend beyond the foremost portion of the principal building on the lot;
 - (ii) For internal lots in all non-residential land use districts, no higher than 2.0 m for the portion of the fence that does not extend beyond the foremost portion of the principal building on the site and 1.0 m for that portion of the fence that does extend beyond the foremost portion of the principal building on the lot. The 1.0 m may be increased to a maximum of 2.0m at the discretion of the Development Authority;
 - (iii) For corner lots, as per Figure 8.14.1, fences shall be no higher than 2.0 m for the portion of the fence that does not extend beyond the foremost portion of the principal building if in the opinion of the Development Authority, it will not prejudice the safety and amenities of the adjoining lots. Fences shall be no higher than 1.0 m for the portion of the fence that does extend beyond the foremost portion of the principal building on the lot.
 - (iv) In the case of corner lots, no person shall construct a fence or other screening, including landscaping, more than 1.0 m high within the triangular area 6.0 m back from the intersecting front boundary lines of the lot, regardless of whether or not a corner cut-off has been taken. The 6.0m triangular area may be reduced by the Development Authority based on an assessment of the corner visibility; and

- (v) Where lots have both their front and rear yards facing onto a street, special approval of the Development Authority must be obtained prior to the erection of any fences on such properties. Size and specifications for fences in these areas must conform with the overall standard set for the area by the Town.
- (2) Apartments or row houses adjacent to a single detached residential dwelling shall provide a fence, or other such screening as deemed appropriate by the Development Authority, of not more than 2.0 m in height along the side abutting the single detached dwelling;
- (3) In the case of industrial, commercial, public and quasi-public uses abutting a residential area, a fence, or other such screen as deemed appropriate by the Development Authority shall be at least 1.5 m in height and no higher than 2.0 m along the sides abutting the residential area;
- (4) Notwithstanding Subsection 8.14(3), the maximum height of a fence in an Industrial or Urban Reserve District shall be determined by the Development Authority. Where a fence has been permitted to be higher than 2.0 m in an Industrial or Urban Reserve District, no barbed wire fences shall be permitted below a height of 2.0 m. This requirement may be relaxed by the Development Authority at his/her discretion in an area where residences would not be in close proximity to the fence proposed;
- (5) No electrification of fences shall be permitted; and
- (6) No barbed wire fences shall be permitted in residential districts.

8.15 FLOODPLAIN DEVELOPMENT

- (1) Notwithstanding Subsection 8.9 no new development or the expansion of existing development shall be allowed within the 1:100 year flood plain of any watercourse or water body as determined by Alberta Environment.
- (2) Development Permit Applications where a portion of a parcel in the 1:100 year floodplain, shall be accompanied by the following information requirements:
 - (a) Elevation of the site as prepared by a qualified surveyor or engineer;
 - (b) Proposed elevation of main floor of residential buildings as prepared by a qualified surveyor or engineer; and
 - (c) A statement and/or analysis, which demonstrates the suitability of the development to the site as compared to other locations on the parcel.

8.16 LANDSCAPING

- (1) As a condition of the development permit, all landscaping and planting required must be carried out to the satisfaction of the Development Authority, and within one year of occupancy or commencement of operation of the proposed development. All plant material shall be hardy to the Town of Rimbey.
- (2) The Development Authority may require that landscaping and/or screening is provided in conjunction with any development and is addressed as part of the Development Permit application. The intent of landscaping and screening is to contribute to a reasonable standard of appearance for developments, to provide a positive overall image for the Town.
- (3) Landscaping and screening requirements may be applied to commercial and industrial uses.
- (4) Garbage and waste material in residential districts must be stored in weather and animal proof containers.
- (5) Garbage and waste materials in all non single-family residential developments must be stored in weather and animal proof container and screened from adjacent sites and public thoroughfares.
- (6) On corner parcels, setbacks for landscaping and fencing must be in accordance with Section 8.2.
- (7) Prior to issuing a development permit the Development Authority may require submission of a detailed landscape plan to a standard satisfactory to the Development Authority, outlining at a minimum the following:
 - (a) The location of the trees and shrubs to be planted, including distance between trees and the anticipated full growth radius at maturity;
 - (b) The number of trees and shrubs to be planted; and
 - (c) The common name of the trees and shrubs to be planted.
- (8) In addition to the landscaping standards specified in each Land Use District the Development Authority may require the applicant of any development permit to:
 - (a) Retain any natural feature in its original state including, but not limited to, the following:
 - (i) Any water feature, including swamps, gullies and drainage courses;
 - (ii) Land with a natural gradient of 15% or greater;
 - (iii) Land subject to flooding by a 1:100 year flood;
 - (iv) Land located within a minimum distance as determined by the Development Authority from the top of bank of any river, stream, creek, lake or other body of water;
 - (v) Any land deemed unstable by the Development Authority.

- (vi) Conserve trees, shrubs or any other natural vegetation to the maximum extent possible.
 - (vii) Screen any objectionable effect or potential objectionable effect from adjacent properties;
 - (viii) Retain topsoil on the site;
 - (ix) Enhance the site by adding topsoil, grass, rock, gravel, vegetation or other landscaping materials to complement the appearance of the site and the character of the neighbourhood; and
 - (x) Restricting the amount and location of hard surfacing on the site.
- (9) Trees and Shrubs provided for landscaping shall meet the following minimum requirements:
- (a) A minimum height of 1.8 m (6.0 ft.) for coniferous trees;
 - (b) A minimum height of 0.46 m (1.5 ft.) for coniferous shrubs;
 - (c) A minimum caliper width of 5.08 cm (2 in) at 0.46 m (1.5 ft.) above ground level for deciduous trees; and
 - (d) A minimum height of 0.61 m (2 ft.) for deciduous shrubs.
- (10) Unless otherwise specified in this Bylaw a minimum of thirty-three percent (33%) of the total amount of trees and shrubs provided shall be coniferous.
- (11) All trees shall be separated a minimum distance from each other to allow sufficient space for the tree's maximum potential growth radius at maturity and to ensure healthy, uninhibited growth.
- (12) All landscaping requirements must be completed within one (1) year of completion of construction or the commencement of the use, whichever occurs first.
- (13) The owner of the property, or his/her assignees or successor(s), shall be responsible for the proper upkeep and maintenance of the required landscaping. If the required landscaping does not survive, the applicant/owner must replace it with a similar type of species and with a similar caliper, width and height or to the satisfaction of the Development Authority.
- (14) The Development Authority may, as a condition of a development permit, require submission of a security up to the value of the estimated cost of providing the proposed landscaping to ensure that such landscaping is carried out with reasonable diligence. The condition of the security is that, if the landscaping is not completed in accordance with this Bylaw and development permit within one (1) growing season after completion of the development, then the specified security amount shall be made available to the Town to use to ensure the landscaping is installed according to the Town's standards.
- (15) A minimum of 30% soft surfaced green landscaped features (i.e. grass, shrubs and trees) shall be maintained in all residential front yards.

(16) Development Permits are required for all retaining walls over 60 cm (2 feet).

8.17 LIMITED ACCESS TO MAJOR ROADS

(1) No access for vehicles will be permitted from an arterial road as designated by the Municipal Development Plan, or Area Structure Plans to:

- (a) Any residential site, unless the access serves three or more dwelling units; or
- (b) Any site, unless turning space is provided on the site such that vehicles entering upon the site may turn before re-entering the street; or
- (c) Any site where, in the opinion of the Development Authority, there would be an excessive number of access points approved by Alberta Transportation.

(2) Access to Highways 20, 20A and 53 shall be limited to arterial roads, collector and services roads, and where no service roads are provided, access shall be limited to those access points approved by Alberta Transportation.

8.18 OBJECTIONABLE ITEMS IN YARDS

(1) No person shall keep or permit in any part of a yard in any residential district:

- (a) Any dismantled or wrecked vehicle for more than fourteen (14) successive days; or
- (b) Any object or chattel which, in the opinion of the Development Authority, is unsightly or tends to adversely affect the amenities of the district; or
- (c) Any excavation, storage or piling up of materials required during the construction stage unless all necessary safety measures are undertaken, and the owner of such materials or excavations assumes full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction work; or
- (d) Any vehicle not parked on a prepared hard surface (i.e. concrete pad or gravel) in the front yard; or
- (e) A commercial vehicle loaded or unloaded of a maximum weight in excess of 2000 kg; or
- (f) A commercial vehicle in a front yard; or
- (g) Contravene the Town of Rimbey Nuisance Bylaw.

(2) No person maintaining more than one recreation vehicle or more than two (2) motor vehicles in a residential district shall allow them to be kept in a manner which, in the opinion of the Development Authority is unsightly or tends to adversely affect the amenities of the district.

- (3) No person shall keep a recreational vehicle, in a residential area, in the front yard or in the flanking/sideyard on a corner lot, for a period longer than is reasonably necessary to load or unload the vehicle to a maximum of 72 hours.
- (4) 8.18(3) does not apply between the months of April and October inclusive if the vehicle will not overhang the sidewalk or road otherwise create a traffic hazard.
- (5) In commercial districts garbage shall be stored in weatherproof containers screened from adjacent sites and public thoroughfares to the satisfaction of the Development Authority and shall be in a location easily accessible for pickup.
- (6) No Recreational Vehicle may be parked, kept or stored outside on any parcel in town for the purposes of human habitation for more than 72 hours.

8.19 ON-SITE AND OFF-SITE SERVICES AND IMPROVEMENTS

- (1) Where any on-site services or improvements, or any off-site local improvements are required to service a proposed development, a person shall not begin the excavation for the foundation nor commence the development until the Development Authority or is satisfied that such services will be provided or improvements will be undertaken.
- (2) No development permit shall be issued for a development to be served by private sewer and water systems until the systems have been approved by the appropriate Municipal or Provincial authorities having jurisdiction.

8.20 PROJECTIONS OVER YARDS

- (1) The following encroachments into required front, side and rear yard setbacks in land use districts may be permitted for canopies, balconies, eaves, box-outs, chimneys, gutters, sills, steps/stairs, and, in addition, cantilevers may be permitted to encroach into the front and rear yards only:
 - (a) Front Yard: 2.0 m for balconies; and 1.0 m for cantilevers, eaves, gutters, landings, and window sills (see Figure 8.20.1).
 - (b) Rear Yard: 2.0 m for balconies; and 1.0 m for box-outs, cantilevers, eaves, gutters, landings, and window sills (see Figure 8.20.).
 - (c) Side Yard (Interior): 1.0 m for balconies; and 0.6 m for box-outs, eaves, gutters, landings and window sills (see Figure 8.20.1).
 - (d) Side Yard (Exterior): 1.0 m for balconies; and 0.6 m for box-outs, cantilevers, eaves, gutters, landings and window sills (see Figure 8.20.2).
- (2) For multi-attached dwellings, balconies and decks may be extended to the lot line or common wall, provided that the common wall is extended for separation/privacy.

- (3) No projection will be permitted if, in the opinion of the Development Authority, it may interfere with a loading space, parking area, driveway, or other vehicle or pedestrian circulation or access.
- (4) No projection will be permitted into the side yard required for vehicular access to the rear yard, unless a minimum vertical height of 3.0 m from finished grade to the lowest point of the projection is maintained.
- (5) The projection length limitations are as follows:
 - (a) The individual projection maximum length shall not exceed 3.0 m; and
 - (b) The sum of all projections maximum length shall not exceed one-third (1/3) of the length of the building wall (not including the garage walls). This does not apply to front or rear yards.

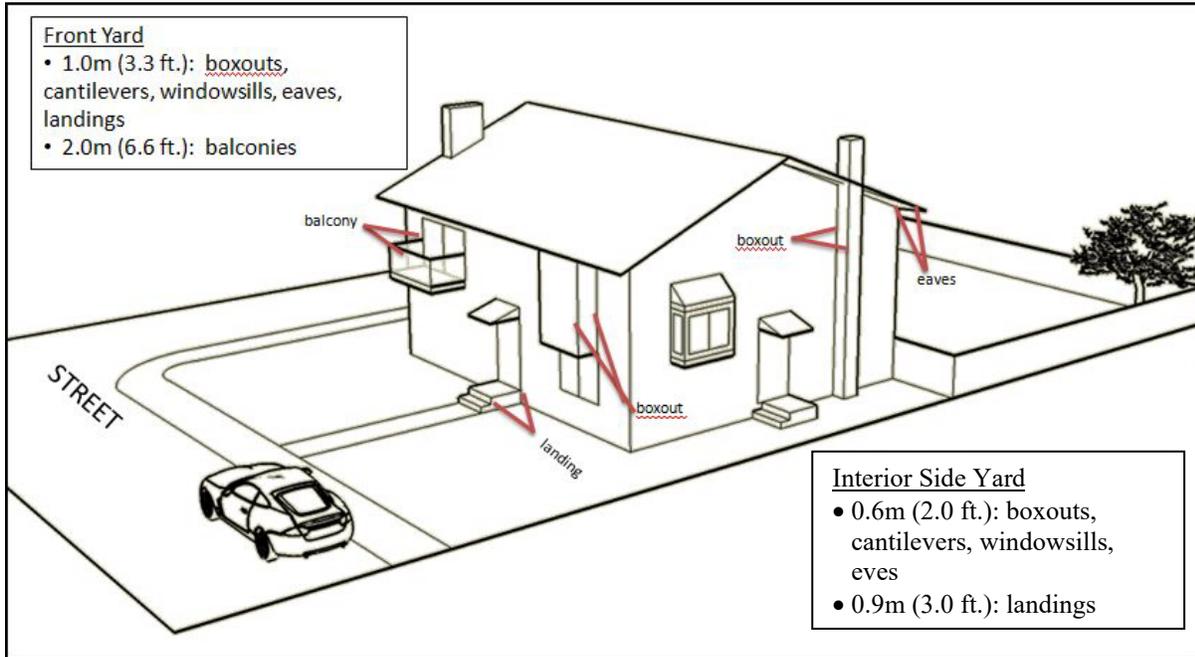

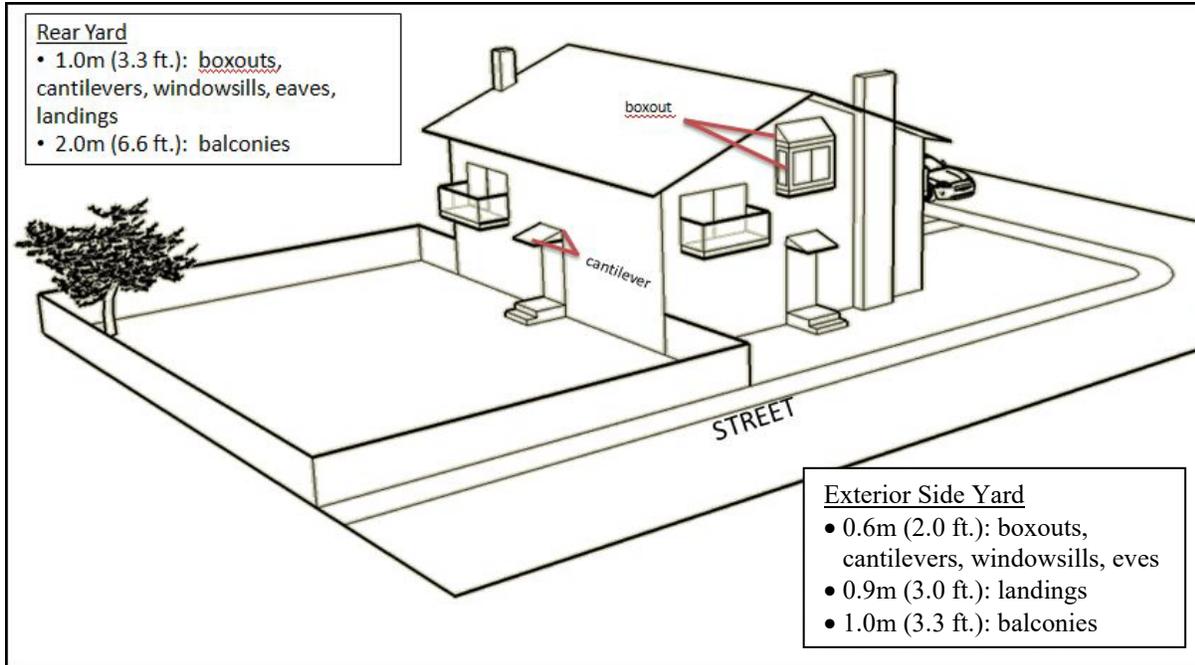

FIGURE 8.20.2: PERMITTED PROJECTIONS – REAR AND EXTERIOR SIDE YARD SETBACK

8.21 PUBLIC LANDS AND TOWN BOULEVARDS

- (1) There shall be no unauthorized encroachments onto municipal property, including parks and road rights-of-way. Where an encroachment exists without Town approval, the owner shall be required to remove the encroachment at his/her own expense or seek permission from the Town CAO or Council for the encroachment to remain.
 - (a) There shall be no encroachments into Alberta Transportation Highway Right-Of-Ways without written approval from Alberta Transportation.
- (2) All developments on lands owned by the Town of Rimbey shall not require a development permit.
- (3) Notwithstanding 8.21(3), the owner(s) of a lot may develop the boulevard abutting their property by excavating, backfilling, levelling or consolidating to final grade, and seed or perform other works that may be necessary to develop a turf boulevard provided that all work shall be entirely at the owner's expense.
- (4) Any development, planting or other development not authorized by a development permit shall be done at the owner's risk, and any damage to municipal services caused by the growth, removal or maintenance of such development shall be the responsibility of the owner.
- (5) Every owner or occupant of land shall be responsible for maintaining any development allowed under this Section, and for controlling the weeds on boulevards owned by the Town abutting their property.

8.22 PUBLIC UTILITY BUILDINGS AND EASEMENTS

- (1) Notwithstanding other regulations in this Bylaw, a person erecting a public utility facility or placing utility equipment on a site shall cause it to be placed in a location and with yard setbacks which are satisfactory to the Development Authority.
- (2) Utility lots, utility buildings and publicly owned buildings may be permitted in any district except as specifically regulated elsewhere in this bylaw.
- (3) Subject to the conditions of a utility easement, no permanent structure other than a fence shall be constructed or placed on that utility easement unless:
 - (a) In the opinion of the Development Authority the said structure does not restrict access to the utility easement for the purpose of installation and maintenance of the utility; and
 - (b) Written consent has been obtained from the person whose use the easement has been granted.

8.23 RELOCATION OF BUILDINGS OR STRUCTURES

- (1) No person shall:
 - (a) Place on a lot a building which has previously been erected or placed on a different lot; or
 - (b) Alter the location on a lot of a building which has already been constructed on that lot,
 - (c) Unless the Development Authority approves the placement or alteration.
- (2) An approval shall not be granted under Subsection (1) above unless the Development Authority is satisfied that:
 - (a) The placement or location of the building would meet the requirements of the Bylaw; and
 - (b) The building and the lot meet the requirements of this Bylaw and the land use district in which it is proposed to be located.
- (3) Before considering any application for a Moved-in Building and in addition to the requirements of Section 8.23(1) and Section 8.23(2), the Development Official shall require a development permit application that includes:
 - (a) Recent colour photographs of all elevations including additions;
 - (b) A statement of the age, size, and structural condition of the building; and
 - (c) Documentation from a certified safety code officer that the building meets the requirements of the Safety Codes Act or, if it does not, how the building will be brought up to these requirements.
- (4) As a condition of issuing a development permit approval for a Moved-In Building, the Development Authority shall require a letter of undertaking (agreement) and the posting of security in the form of an irrevocable letter of credit or cash, in the amount of the total estimated costs to relocate the building, to be provided prior to the issuance of a building permit and the building being moved on site. This security will ensure that any required modifications to the design, construction, siting, finishing and cladding of the relocated building are completed.
- (5) The conditions shall be completed within one year of the issuance of the development permit, as determined by the Development Authority.
- (6) The security will be released once all the conditions have been completed by the applicant to the satisfaction of the Development Authority and are met within the time frame as set out in the development permit.
- (7) Upon expiry of the Development Permit, if the required work has not been completed to Town's satisfaction, the Town may use the security to have the work completed and bring the building into compliance.

- (8) The applicant shall be advised not less than 30 days prior to the expiration time set out in the development permit, that action will be undertaken by the Town to use the security in completing the required renovations if they have not been completed by the expiration date. Only Council may direct Administration to delay action to complete the requirements of the permit.

8.24 RESIDENTIAL AND INDUSTRIAL USES ADJACENT

- (12) In considering subdivision or development permit applications for residential uses adjacent to existing industrial developments or industrial uses adjacent to existing residential developments, the Development Authority may impose conditions addressing:
- (a) Providing proper services and access to the site,
 - (b) Screening, aesthetics and landscaping,
 - (c) Control of signage,
 - (d) Noise control,
 - (e) A development agreement, with the need to provide security, and
 - (f) Any other issue deemed necessary by the Development Authority.

8.25 TEMPORARY STRUCTURES

- (1) A temporary structure may not be erected without permission of the Development Authority which may be granted as follows:
- (a) In a residential district provided that:
 - (i) No such temporary structure shall be more than 3.0 metres in height or set back less than 1 metre from the side and rear property lines; and
 - (ii) The owner enters into an agreement to remove such a structure in accordance with the terms and conditions stipulated by the Development Authority;
 - (iii) There shall be no more than one temporary structure per site;
 - (iv) A temporary structure must be placed in the rear yard only;
 - (v) In the case of a pre-manufactured temporary structure, the elevations shall be subject to approval of the Development Authority; and
 - (vi) The structure is completed in accordance with the terms stipulated by the Development Authority, provided that the temporary structure development permit shall expire at the end of one year, unless renewed by the Development Authority for a further term, and that such temporary structure must comply with this Bylaw.
- (2) Temporary Structures include, but are not limited to:
- (a) Portable Storage Containers, including c-cans;
 - (b) Tent Garages.
- (3) If an owner fails to comply with the terms and conditions of a temporary structure development permit, the Development Authority may remove or cause to be removed such

structure as the case may be, the costs of which shall be charged against the lands upon which the temporary structure is situated and shall be payable by the owner to the Town on demand.

- (4) A temporary structure shall not be used as a dwelling.

PART 9 – SPECIFIC USE REGULATIONS

- (l) Street lighting shall be to the same standard as that in a conventional residential neighbourhood.
- (m) Only one main, free-standing, identification sign of residential character and appearance may be erected at the entrance to a manufactured home park, unless the Development Authority is of the opinion that a second and similar sign shall be allowed under exceptional circumstances relating to the layout, location and size of the park in relation to surrounding areas. The sign or signs shall be of a size, type and construction acceptable to the Development Authority. Directional signs within the manufactured home park must be integrated in design and appearance, be kept in scale with the immediate surroundings and constructed of durable material.
- (n) Manufactured home units shall be separated from each other by at least 3.5 m. Any porch or addition to the manufactured home unit shall be regarded as part of the manufactured home unit for the purpose of this separation.
- (o) The minimum distance between a manufactured home unit and the front, side, or rear lines of its stall shall be 3.0 m.
- (p) The minimum lot area of the manufactured home park shall be 2.0 ha (4.9 ac.).
- (q) The maximum permissible density for a manufactured home park shall be 20 manufactured home units per gross developable hectare (8 per ac.) of the lot being developed at each stage of development.
- (r) The minimum area for a manufactured home stall shall be 370 m².

9.9 RIDING ARENA, PRIVATE

- (1) A Development Permit is required for a Riding Arena, Private.
- (2) A Riding Arena, Private shall be an Accessory use on a Lot with a Principal residence.
- (3) A Riding Arena, Private shall not have a building or structure larger than 1,500 m² (16,146 ft²) in area.
- (4) A Riding Arena, Private shall be used solely by the occupants of the residence and/or by not more than four (4) non-resident users per day in addition to the residents.
- (5) The Approving Authority may require a manure management plan as a condition of development permit.

9.10 SOLAR COLLECTORS

- (1) A solar collector may be located on the roof or wall of a building or structure.
- (2) A solar collector mounted on a roof with a pitch of less than 4:12, may project:
 - (a) A maximum of 0.5 m from the surface of a roof, when the solar collector is located 5.0 m or less from a side lot line, measured directly due south from any point along the side lot line; and
 - (b) In all other cases, maximum of 1.3 m from the surface of a roof.
- (3) A solar collector mounted on a roof with a pitch of 4:12 or greater, may project a maximum of 1.3 m from the surface of a roof.
- (4) A solar collector mounted on a roof must not extend beyond the outermost edge of the roof.
- (5) A solar collector that is mounted on a wall:
 - (a) Must be located a minimum of 2.4 m above grade; and
 - (b) May project a maximum of:
 - (i) 1.5m from the surface of that wall, when the wall is facing a rear lot line; and
 - (ii) In all other cases, 0.6 m from the surface of that wall.
- (6) A solar collector mounted on a structure must meet yard setback and district height regulations.

9.11 USES PERMITTED IN ALL LAND USE DISTRICTS

- (1) The following Uses are permitted in all Land Use Designations:
 - (a) Public utility;
 - (b) Road;
 - (c) Highway; and
 - (d) Park.

9.12 WRECKING YARD (AUTO AND EQUIPMENT WRECKAGE SITE)

- (1) Wrecking Yards shall have a minimum area of 1.0 ha and a maximum area of 4.0 ha for storage, and must be completely fenced and screened by a type of fence approved by the Development Authority to a height of 2.4 m.
- (2) All vehicles within a Wrecking Yards shall be stored within the enclosure and maintenance of the site shall be in accordance with any standards deemed necessary by the Development Authority.

9.13 C-CANS

- (1) All c-cans are subject to the regulations for an accessory building for the district in which it is located.
- (2) C-Cans shall meet all provisions outlined in Section 8.18 OBJECTIONABLE ITEMS IN YARDS
- (3) C-Cans shall not be attached in any way to a principal building.
- (4) C-Cans shall not be stacked.
- (5) No sign shall be attached to a c-cans.
- (6) C-Cans Storage Containers may only be located in industrial, commercial public service and urban holding districts providing that:

 - (b) They are not stacked;
 - (c) They are not used to store any dangerous or hazardous materials;
- (7) C-Cans shall be visually screened from public roads and adjacent properties in a manner which satisfies the Development Authority.
- (8) C-Can shall have no visual or material impacts on neighbouring properties, to the satisfaction of the Development Authority.

- (9) A maximum of three (3) c-ans may be allowed within a single parcel, as long as the total coverage does not exceed the lot coverage in the district.
- (10) C-Cans may be temporarily placed on a site in any district:
- (d) During active construction on a site when the shipping container is solely for the storage of supplies and equipment that are used for the site, provided that a valid building permit has been issued for the construction. The c-cans must be removed from the site upon completion of construction; or
 - (e) For the purposes of loading and unloading of items associated with the principal use for a period of not more than ten (10) days in any six month period.
- (11) When placed on a site pursuant to section 9.13(10), the c-cans shall:
- (a) Be located so as to not create a safety hazard;
 - (b) Not be located within 1.2 m of a property boundary; and
 - (c) Be located in the rear yard where possible.
- (12) Temporary c-cans as outlined in 9.13(11), may be permitted in the front yard of a property at the sole discretion of the development authority. A development permit is required for temporary c-cans located in the front yard.

PART 10 – PARKING, LOADING AND STORAGE FACILITIES**10.1 PARKING FACILITIES – GENERAL REGULATIONS**

- (1) Parking stalls and loading spaces shall be clearly marked in the parking facility. Such marking shall be regularly maintained to ensure legibility to users and shall be to the satisfaction of the Development Authority.
- (2) All off-street parking facilities shall be so constructed that:
 - (a) Necessary curb cuts are located and flared to the satisfaction of the Development Authority;
 - (b) Every off-street parking space provided, and the access thereto, shall be hard-surfaced if the access is from a street or lane which is hard-surfaced;
 - (c) Parking and storage facilities shall have adequate lighting for the parking and/or storage facility. Such lighting shall be directed away from adjacent residential properties and other properties where in the opinion of the Development Authority they would have adverse effects;
 - (d) Grades and drainage shall dispose of surface water. In no case shall grades be established that would permit surface drainage to cross any sidewalk or site boundary without the approval of the Development Authority or Municipal Planning Commission; and
 - (e) Parking for the physically handicapped shall be provided as provincial regulations require and shall be considered as part of the number of stalls required for the project.
- (3) Where a proposed development will, from time to time, require pick-up or delivery of commodities, adequate space for the loading and unloading of same shall be provided and maintained on the site to the satisfaction of the Development Authority or Municipal Planning Commission.
- (4) Pursuant to 10.1(3), the Development Authority shall consider the following criteria when reviewing off-street loading regulations:
 - (a) Off-street loading spaces shall have dimensions of not less than 4.0 m in width and 8.0 m in length;
 - (b) Have overhead clearance of not less than 5.3 m above grade;
 - (c) Have vehicular access to and exit from a street or lane either directly or by a clearly defined traffic aisle;
 - (d) Be sited at an elevation or elevations convenient to a major flood level in the building or to a utility elevator serving each major flood level;
 - (e) Be so graded and drained as to dispose of all surface water. In no case shall grades be established that would permit drainage to cross site boundaries or sidewalks without the approval of the Development Authority or Municipal Planning Commission;

- (f) Be paved or hard-surfaced where an off-street parking facility is required to be paved or hard-surfaced;
- (g) Have adequate lighting to the satisfaction of the Development Authority or Municipal Planning Commission; and
- (h) Be screened on each side adjoining or fronting on any property in a residential district by a wall, fence, earth berm or hedge of not less than 2.0 m in height, to the satisfaction of the Development Authority or Municipal Planning Commission.

10.2 PARKING AREAS

- (1) Unless otherwise approved by the Development Authority, each development shall provide on its site a parking area containing, at a minimum, the number of parking spaces as calculated in Table 10.2.1.
 - (a) In the case of a use not specifically mentioned, the required number of on-site parking spaces shall be the same as for a similar use as determined by the Development Authority.
 - (b) Where a development contains more than one use as listed, the required number of parking spaces shall be the sum of the requirements for each of the uses listed.
 - (c) Where a fractional number of parking spaces are required, the next highest number of spaces shall be provided.
 - (d) If the Development Authority approves, one or more developments or uses may pool their minimum required parking spaces within one or more communal parking areas and may thereby collectively fulfill the requirements of this Bylaw.

Table 10.2.1 – Parking Requirements

Use of a Building or Site	Minimum Number of Parking Spaces
Residential Uses	
Multi-family dwellings	2 per dwelling unit
Seniors apartments	1 per dwelling unit, or as required by the Development Authority
Boarding houses	1 per bedroom
Senior citizen homes	1 per dwelling unit
Secondary suites	1 per bedroom
All other dwellings	2 per dwelling unit
Manufactured home parks	In addition to 2 per dwelling unit, 1 visitor parking space per 4 manufactured home units
Commercial and Industrial Uses	
Cannabis Production Facilities	1 per 100 m ² (1,076 ft ²) of gross floor area for the first 2,000 m ² , and then 1 per each subsequent 500 m ²
Eating and drinking establishment	1 per 5 seating spaces
Eating and drinking establishments (take out)	1 per 13 m ² (140 ft ²) of gross leasable area plus 1 per 3 employees on maximum shift
Drive thru restaurants	2 per drive thru window
Other drive thru businesses	2 per drive thru window
Hotels and motels	1.5 per rentable unit
Bed and breakfast	1 per bedroom
Home based businesses	1 in addition to the requirements for the residential use
All other commercial uses	1 per 28 m ² (301.4 ft ²) of gross leasable area
All industrial uses	1 per 46 m ² (495 ft ²) of gross leasable area
Institutional Uses	
Places of Public Assembly	1 per 5 seating spaces
Schools (elementary/junior high)	2 per classroom
High schools	3 per classroom
Commercial schools	1 per student
Hospitals and similar uses	2 per bed
Nursing homes	0.75 per bed

- (2) At the discretion of the Development Authority, minimum parking requirements may be relaxed for existing buildings where historical site design is not being altered and cannot accommodate the required number of parking stalls.

- (3) At the discretion of the Development Authority, a developer may pay money to the Town in lieu of providing parking spaces. The amount of money will be determined by Council and be based on the amount of money needed to acquire land and to develop the required number of parking spaces on adjacent lands.

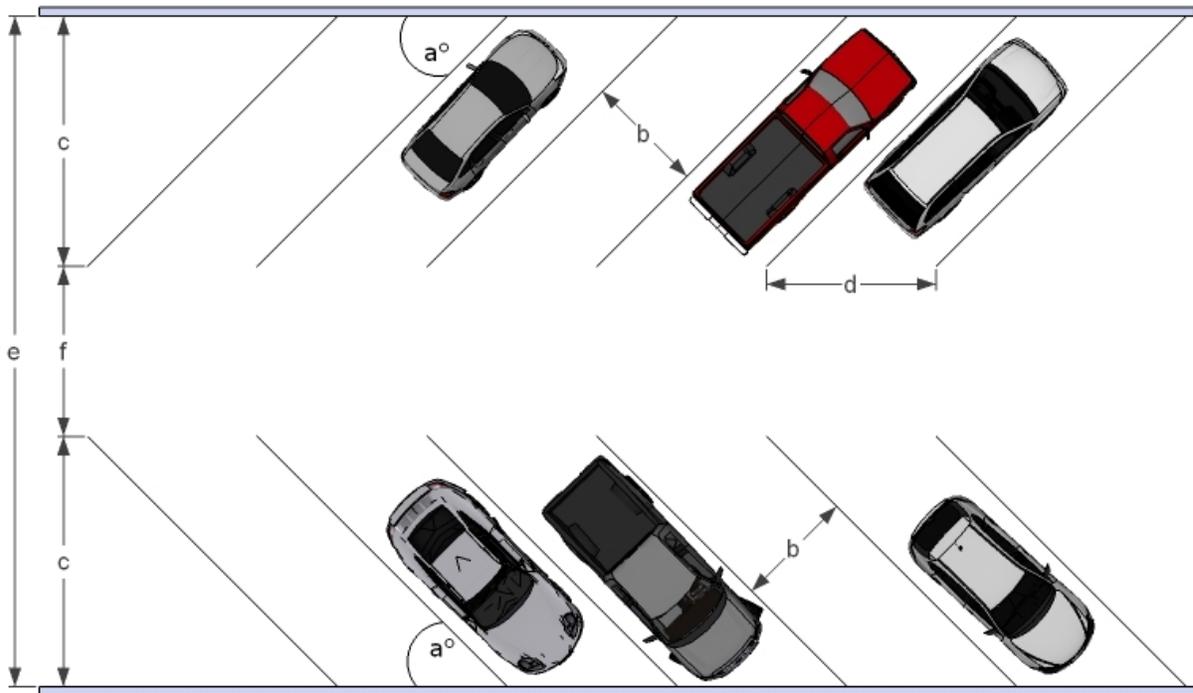

- (4) Surfacing and Drainage
 - (a) All parking areas shall be clearly marked, landscaped and adequately lit with lighting away from adjacent sites, adequately graded and drained to dispose of all stormwater run-off, contain the necessary curb cuts, and surfaced in a manner to match the road or lane from which the parking area gains access.
 - (b) The approach or access to every off-street parking area shall be surfaced in the same manner as the adjoining road from which access is gained.
 - (c) Drainage shall only be allowed to cross sidewalks if approved by the Development Authority.

- (5) All parking areas shall conform to the requirements shown in Table 10.2.2 and Figure 10.2.3.

10.3 OFF-STREET LOADING AREAS

- (1) Where a proposed development will, in the opinion of the Development Authority, require pick-up or delivery of commodities, adequate space for the loading and unloading of same shall be provided and maintained on the site.
- (2) When required by the Development Authority, loading spaces shall:
 - (a) Have dimensions of not less than 3.5 m (11.5 ft.) in width, 7.5 m (24.6 ft.) in length, and 4.0 m (13.1 ft.) in height above grade;
 - (b) Have vehicular ingress to, and egress from, a road or lane either directly or by a clearly defined traffic aisle such that no backing or turning movements of vehicles going to or from the loading space shall cause interference with traffic in the abutting road or lane;
 - (c) Be sited at an elevation or elevations convenient to a major floor level in building or to a utility elevator serving each major floor level;
 - (d) Be so graded and drained as to dispose of all storm water runoff. Drainage shall only be allowed to cross sidewalks if approved by the Development Authority;
 - (e) Be surfaced in the same manner as the adjacent road or lane; and
 - (f) Be screened on each side adjoining any Residential District by a wall, fence, earth berm or hedge of not less than 1.5 m (4.9 ft.) and not more than 2.0 m (6.6 ft.) in height.
- (3) The number of loading spaces required to be provided in a development shall be as follows:
 - (a) For a retail, industrial, warehouse, or similar development,
 - (i) One (1) space for a development of less than 460 m² (4951.6 ft²) of gross leasable area, plus
 - (ii) One (1) space for the next 1840 m² (19,805.6 ft²) of gross leasable area or fraction thereof in a development, plus
 - (iii) One (1) additional space for each additional 2300 m² (24,757.0 ft²) of gross leasable area or fraction thereof in a development.
 - (b) For an office use, place of public assembly, convalescent home, institution, club or lodge, school or any similar use, one (1) space for a development of less than 2800 m² (30,139.9 ft²) of gross floor area, and one (1) additional space for each additional 2800 m² (30,139.9 ft²) of gross floor area or fraction thereof.
 - (c) For multi-family dwellings, one (1) space for each twenty (20) dwelling units or fraction thereof.
 - (d) Any other building or use shall provide loading spaces as required by the Development Authority.
 - (e) Where a fractional number of loading spaces are required, the next highest number of spaces shall be provided.

PART 11 – SIGNS

11.1 PURPOSE

- (1) The purpose of this Chapter is to regulate the development and display of signage within the Town of Rimbey. This Chapter provides signage development standards related to:
 - (a) Location.
 - (b) Type.
 - (c) Quantity.
 - (d) Height.
 - (e) Size.

11.2 DEFINITIONS

- (1) For the purpose of this Part the following definitions shall apply, in addition to those contained in Section 2.2:
 - (a) “A-Frame Sign” means a temporary, movable, self-supporting A-shaped sign consisting of two flat surfaces joined at the upper end and resting on the ground
 - (b) “Awning Sign” means a non-illuminated sign painted on the fabric surface supported by an exterior wall of a building
 - (c) “Billboard” means a structure, primarily self-supporting, which is used for the display of general advertising, the subject matter of which is not necessarily related to the use or ownership of the property on which the structure is located
 - (d) “Building Face” means the total area of the wall of a building
 - (e) “Copy” means the text, illustrations and symbols that make up the message on a sign
 - (f) Dynamic Sign means a sign or portion of a sign with features that move or appear to move or change, whether the apparent movement or change is in the display, the sign structure itself, or any other component of the sign. A Dynamic Sign includes any display that incorporates a technology or other method allowing the image on the sign face to change, such as rotating panels, LED lights manipulated through digital input, or “digital ink”. A Dynamic Sign does not include a sign whose message or image is changed by physically removing and replacing the sign or its components.
 - (g) “Electronic Message Centre” means a sign or component of a sign on which the copy can be changed by electrical or electronic means.
 - (h) “Freestanding Sign” means a sign on a standard or column permanently attached to the ground and which is not connected in any way to any building or other structure
 - (i) “Identification Sign” any sign which is used to display the address, and name of a building or parcel of land
 - (j) “Illuminated Sign” means any sign illuminated either directly from a source of light incorporated in or connected with the sign, or indirectly from an artificial source

- (k) “Portable Sign” means a sign, excluding A-board and temporary signs that can be carried or transported from one site to another
- (l) “Projecting Sign” means a sign, which is attached to a building or structure so that part of the sign projects beyond the face of the building or structure
- (m) “Real-Estate Sign” means any temporary sign which advertises for the sale, lease, or rent of a building or parcel of land
- (n) “Roof Sign” means any sign placed on or over a roof
- (o) “Rotating Sign” means any sign or part of a sign which moves in a clockwise or counter-clockwise motion
- (p) “Sign” means any word, letter, model, picture, symbol, device or representation used as, or which is in the nature of, wholly or in part, an advertisement, announcement or direction. Any structure, or portion thereof, which is used primarily to carry, hold, maintain, support or sustain a sign is construed as being part of the sign, and except as provided for in this Bylaw, is subject to all regulations governing signs.
- (q) “Sign Area” means the total surface area within the outer periphery of the said sign, and in the case of a sign comprised of individual letters or symbols, shall be calculated as the area of a rectangle enclosing the letters or symbols. Frames and structural members not bearing advertising matter shall not be included in computation of surface area.
- (r) “Sign Height” means the vertical distance measured from natural grade at the base of the sign to the highest point of such sign.
- (s) “Temporary Sign” means a sign or banner that is not permanently installed or affixed, advertising a product, activity or event on a limited time basis and does not include a portable sign.
- (t) “Third Party Sign” typically associated with a “Billboard Sign” means a sign, which directs attention to a business, commodity, service, or entertainment conducted, sold or offered at a location other than the premise on which the sign is located
- (u) “Vehicle Sign” means a sign mounted, posted or otherwise adhered on or to a motor vehicle, including but not limited to trailers, wagons, tractors, and recreational vehicles
- (v) “Wall Sign” means a sign placed flat and parallel to the face of the building so that no part projects more than one foot from the building
- (w) “Window Sign” means a sign which is painted on or affixed to a window and faces towards an adjacent sidewalk or roadway

11.3 SIGNS

- (1) Development Permit for signs are required:
 - (a) Except as stated in Section 10.3(2), no sign shall be erected or altered on land or affixed to any exterior surface of a building or structure unless a sign permit for this purpose has been issued by the Development Authority

- (2) In addition to the standards specified in Table 3, the following regulations will also apply:
- (a) Awning/Canopy Sign
 - (i) No portion of the canopy/awning shall be closer than 600 mm to a vertical line drawn from the adjacent curb.
 - (b) Billboard Sign
 - (i) Where a billboard shares a lot with a building, no billboard shall be located in the front or side yard which runs parallel to an adjacent roadway.
 - (ii) Billboards shall be spaced at a distance of 90 metres from one another.
 - (iii) Where a portable sign is serving as a billboard it shall be spaced 45 metres from other portable or permanent signs serving as billboards.
 - (c) Dynamic Signs
 - (i) No Dynamic Sign may be erected except as permitted in this Section;
 - (ii) The Development Authority shall only approve a Dynamic Sign as a portion of a permitted Community, Canopy, Free Standing or Fascia Sign.
 - (iii) A Dynamic Sign may display public service announcements but shall not include third party advertising or sponsor recognition except when it is located on a site in a Public Service (PS) district.
 - (iv) Dynamic Signs shall only be permitted as a discretionary use in Commercial, Industrial and Public Service Districts, and must meet the following requirements:
 - (1) not be located within 30.0 m radius of a residential district, and when site or lot of a proposed dynamic sign location is adjacent to a residential district, notification will be sent within a 100.0 m radius of the proposed site,
 - (2) be limited to one sign per building or site, with the exception of Public Service sites over 17 ha will be limited to two (2) signs provided that one of the signs must be a fascia sign and the other must be a portion of a freestanding sign, and further provided that the two (2) signs must be at least 50.0 m apart,
 - (3) not be located on a lot within a 50.0 m radius of the boundary of a lot containing an existing dynamic sign,
 - (4) comprise of not more than 25% of the total freestanding or fascia sign area.
 - (v) A development permit for a dynamic sign shall be valid for a maximum of two (2) years, at which time a new permit must be applied for. The conversion of an existing sign to a dynamic sign shall require a development permit.
 - (vi) Any digital sign located within 50 m of a residential district may be subject to restricted operating hours at the discretion of the Development Authority.
 - (vii) The use, size and location of digital signs must comply with all other relevant municipal and provincial regulations.

- (viii) The sign panel does not contain or display flashing, intermittent, or moving lights, including animated or scrolling text.
 - (ix) A sign panel provided as a public service showing the time and temperature shall not be considered a flashing or moving sign.
 - (x) The sign content remains fixed/static for a minimum message display duration, where: $\text{Min. Display Duration (sec)} = \text{Sight distance to sign (m)} / \text{Speed limit (m/sec)}$.
 - (1) In lower speed areas, the formula above should be used with a minimum sight distance to sign of 350 m.
 - (2) In areas with speed limit ≥ 80 km/h, the minimum message display duration is 60 seconds, unless the sight distance to the sign is less than 1 kilometre
 - (xi) When a message is changed electronically, it must be accomplished within an interval of 0.1 seconds or less so that an approaching driver cannot perceive any blanking of the display screen.
 - (xii) There shall be no visual effects between successive displays.
 - (xiii) The sign panel must contain a default design that will freeze the sign panel message in one position if a malfunction occurs.
 - (xiv) The sign panel shall be equipped with a control system that automatically adjusts light emission level to ambient light conditions so as not to cause glare or excessive brightness.
 - (xv) In no case shall the light level of any sign panel exceed 300 nits (candelas per square metre) between the time of sunset and sunrise, nor 5,000 nits at other times.
 - (xvi) The sign must not diminish the conspicuity of nearby traffic control devices.
 - (xvii) In cases where the sign is adjacent to an Alberta Transportation right-of-way, Alberta Transportation shall have the ongoing discretion to require the brightness, frequency, colours or other qualities of the sign panel be adjusted in order to address safety concerns.
 - (xviii) All dynamic sign applications fronting onto Alberta Transportation roadways shall be circulated to Alberta Transportation for comment.
- (d) Freestanding Signs
- (i) No freestanding sign shall be located within 10 m of the intersection of lanes/streets, or a street or lane.
 - (ii) For any lot located in the C2 or M designations, one Freestanding Sign shall be permitted for every 90 metres of frontage.
 - (iii) Illuminated Freestanding Signs shall be permitted only in C1, C2 and M designations.
 - (iv) Copy is permitted on both sides of Freestanding Signs, including signs angled up to 90 degrees, therefore allowing the Sign Area to be double the permitted Sign Area.
 - (v) Freestanding Signs shall not be located closer than 1.0 m to any front, rear, or side property line.

- (vi) In accordance with Alberta Transportation's setback requirements where abutting a highway.
- (e) Wall Signs
 - (i) Wall signs shall be restricted to the first storey of the building in the R1, R2, R3, MHP, MHS, RCE, PS zone designations.
 - (ii) Wall signs shall not project more than 0.4 m horizontally from the Building Face to which it is attached.
 - (iii) Illuminated Wall Signs shall be permitted only in C1, C2, and M designations.
- (f) Portable Signs
 - (i) Copy is permitted on both sides of Projecting Signs, therefore allowing the Sign Area to be double the permitted Sign Area.
 - (ii) Maximum one (1) Portable Sign shall be displayed per lot.
 - (iii) Portable Signs shall not be located within a required off street parking space or a driveway.
- (g) Projecting Signs
 - (i) Copy is permitted on both sides of Projecting Signs, therefore allowing the Sign Area to be double the permitted Sign Area.
 - (ii) The height of a Projecting Sign shall refer to the minimum vertical clearance from grade or, if applicable, a sidewalk, and shall be a minimum of 2.5m.
- (h) Temporary Signs
 - (i) Large Temporary Signs relating to the sale or renting of land, the sale of goods or livestock, the carrying out of building or similar work, or announcement of any local event must obtain a development permit and meet the following conditions:
 - (1) Maximum two (2) Temporary Signs not exceeding a total Sign Area of 9.0 m²;
 - (2) Copy is permitted on both sides of the Temporary Sign, including signs angled up to 90 degrees, therefore allowing Sign Area to be double the permitted Sign Area;
 - (3) The maximum Sign Height shall not exceed 6.0 m;
 - (4) The Temporary Sign shall be removed by the advertiser within fifteen (15) days of the completion of the event, sale, or works to which such signs relate.
 - (i) Signage for a Bed and Breakfast
 - (i) Each Bed and Breakfast homestay shall provide one (1) on-site Freestanding Sign for the purpose of identification and shall be regulated in accordance with the following requirements:
 - (1) The sign shall be located within the front yard and must be visible from a public road;

- (2) The sign be attached to either existing fencing or on independent posts to the satisfaction of the Development Authority;
- (3) The sign shall be constructed using high density plywood or solid wood and shall be finished with high density reflective finish or equivalent, with dye cut lettering or silk screen lettering.

11.7 ADDITIONAL SIGN REGULATIONS

- (1) All signs requiring a sign permit shall follow the development permit process as specified under Section 4.1 of this Bylaw.
- (2) Council may require the removal of any sign, which is in its opinion, has become unsightly, or is in such a state of disrepair as to constitute a hazard.
- (3) Quality, aesthetic character and finishing of sign construction shall be to the satisfaction of the Development Authority.
- (4) Where, in the opinion of the Development Authority, a proposed sign in a Commercial or Industrial District might be objectionable to a resident in any adjacent residential district, the Development Authority may impose such other regulations as they feel would protect the interests of residents.
- (5) Flashing, animated or interiorly illuminated signs shall not be permitted in any district where in the opinion of the Development Authority they might:
 - (a) Affect residents in adjacent housing, or residential districts;
 - (b) Interfere with or obstruct a motor vehicle driver's vision or interpretation of oncoming traffic signs or traffic signal lights.
- (6) Notwithstanding 11.7(5), no person shall exhibit or place an illuminated sign, rotating sign or dynamic sign that permits or provides for:
 - (a) A current interrupting or flashing device, unless there is a continuous source of concealed illumination on the translucent portions of the sign;
 - (b) A flashing beacon of a type that is the same or similar to those used by emergency vehicles;
 - (c) A flashing device, animator or revolving beacon within 50.0 m of the intersection of two or more public roadways;
 - (d) A device described in 11.7(5) that would be directly visible from any residential building within a distance of 50.0 m of the sign.

- (7) No person shall erect or place a sign so that it would be considered, in the opinion of the Development Authority, to be a traffic hazard or an obstruction to the vision of persons driving motor vehicles.
 - (a) Billboard signs, electronic signs, dynamic signs and rotating signs which are visible from Highway 20, Highway 20A and Highway 53, but located outside of the Highway Right-Of-Way, shall be circulated to Alberta Transportation for comment.
- (8) Notwithstanding section 11.7(7) the Development Authority may not approve any signs located within an Alberta Transportation Highway Right-Of-Way without written approval from Alberta Transportation.
- (9) The area around sign structures shall be kept clean and free of overgrown vegetation, and free from refuse material.
- (10) The Development Authority may at their discretion require an engineer-approved plan prior to the issuance of a sign permit in order to ensure the safety of a sign, awning or canopy design and placement.
- (11) Notwithstanding Part 4 of this Bylaw, the Development Authority may, with respect to an application for a sign permit,
 - (a) Grant a sign permit to an applicant subject to such conditions considered necessary to ensure this Bylaw is complied with;
 - (b) Refuse the application.
- (12) **Offensive Signage**
 - (a) No sign shall be erected which promotes intolerance, hatred or ridicule of any race, religion or other segment of society.
- (13) The number of signs, location of signs and size of signs may be varied to accommodate the placement of new signs on existing sign structures which were installed prior to January 1, 2019 at the sole discretion of the Development Authority. The Development Authority is not bound by the maximum variance in Section.4.5(6). In accordance with Section 4.5, a variance application shall be required and the applicant must demonstrate that the original signs were installed prior to January 1, 2019 in a manner deemed satisfactory to the Development Authority.

PART 12 – DISTRICTS AND REGULATIONS

12.1 ESTABLISHMENT OF DISTRICTS AND DISTRICT REGULATIONS

- (1) Land use district and land use regulations shall be set forth in Part 12 and may be amended in the same manner as any other Part or Section of this Bylaw.

12.2 LAND USE DISTRICTS

- (1) The Town is hereby divided into the following districts:

Designation Name	Designation Acronym
Low Density Residential	R1
Low Density General Residential	R2
High Density Residential	R3
Manufactured Home Park	MHP
Manufactured Home Subdivision	MHS
Residential Estate	RE
Country Residential	CR
Central Commercial	C1
Highway Commercial	C2
Industrial	M
Public Service	PS
Urban Holdings	UH
Direct Control	DC

12.3 LAND USE DISTRICT MAP

- (1) Land use districts specified under 12.2 are described in the short form on the LAND USE DISTRICT MAP which is an integral part of this Bylaw.
- (2) Throughout this Bylaw and amendments thereto, a District may be referred to either by its full name or its abbreviation.
- (3) The district regulations are delineated on the LAND USE DISTRICT MAP. Where uncertainty arises as to the precise location of the property of any district, the following rules shall apply:
 - (a) Where a boundary is shown as following a street, lane, stream or canal, it shall be deemed to follow the centreline thereof.
 - (b) Where a boundary is shown as approximately following a lot line, it shall be deemed to follow the lot line.
 - (c) In circumstances not covered by 12.3(a) and 12.3(b) above the location of the district boundary shall be determined by:
 - (i) Where dimensions are set out on the Land Use District Map, by the dimensions so set, or
 - (ii) Where dimensions are set out on the Land Use District Map with respect to such boundary, by measurement of and use of the scale shown on the Land Use District Map.
- (4) Where the application of the above rules does not determine the exact location of the boundary of a district, the Council either on its motion or upon written application being made to it by a person requesting the determination of the exact location of the boundary shall fix the portion of the district boundary in doubt or dispute in a manner consistent with the regulations of this Bylaw and the degree of detail as to measurements and directions as the circumstances may require.
- (5) After Council has fixed a district boundary pursuant to the provisions of 12.3, the portion of the boundary so fixed shall not be thereafter altered except by an amendment to this Bylaw.
- (6) The Council shall maintain a list of its decisions with respect to boundaries or portions thereof fixed by it.

12.4 LOW DENSITY RESIDENTIAL (R1)

(1) Purpose

The R1 – Low Density Residential designation is intended to accommodate the development of low-density residential development on moderately sized lots throughout the community.

(2) Permitted and Discretionary Uses

Table 12.4.1 outlines the permitted and discretionary uses contemplated in the R1 designation where approval is subject to the issuance of an authorized development permit.

Table 12.4.1

Permitted Uses	Discretionary Uses
<ul style="list-style-type: none"> • First Accessory Building 13.4 m² and over • Accessory Uses • Housing, secondary suite • Housing, single-detached • Home based business • Park 	<ul style="list-style-type: none"> • Second and additional, Accessory Building under 13.4m² • Second and additional, Accessory Building 13.4 m² and over • Bed and breakfast • Child care facility • Family care facility • Religious institution • Utility installations • C-Can (Temporary) • Solar Collectors not in conformance with Section 9.10.

(3) Lot Area

The minimum lot area shall be in accordance with the following table:

Table 12.4.2

Use	Minimum Lot Area
Housing, single-detached	550 m ²
Other principle uses listed in Table 12.4.1	550 m ²

(4) Lot Frontage

The minimum lot frontage shall be in accordance with the following table:

Table 12.4.3

Use	Minimum Lot Frontage (m)
Housing, single-detached	15 metres
Other principle uses listed in Table 12.4.1	15 metres

(5) Lot Coverage

The maximum lot coverage of buildings (principle and accessory) shall be in accordance with the following table:

Table 12.4.4

Use	Maximum Lot coverage (%)
Housing, single-detached	40%
Other principle uses listed in Table 12.4.1	40%

(6) Front Yard Setback

The minimum front yard setback shall be in accordance with the following table:

Table 12.4.5

Use	Minimum Front Yard Setback (m)
Housing, single-detached	6 metres
Other principle uses listed in Table 12.4.1	6 metres

(7) Rear Yard Setback

The minimum rear yard setback shall be in accordance with the following table:

Table 12.4.6

Use	Minimum Rear Yard Setback (m)
Housing, single-detached	6 metres
Accessory buildings, under 13.4m ²	Nil
Accessory buildings, over 13.4m ²	1.5 metres
Other principle uses listed in Table 12.4.1	6 metres

(8) Side Yard Setback

The minimum side yard setback shall be in accordance with the following table:

Table 12.4.7

Use	Minimum Side Yard Setback (m)
Housing, single-detached (side property line of a flanking street)	3.0 metres
Housing, single-detached (on one side of the lot where there is no road or lane access from the rear yard)	3.0 metres
Accessory buildings, under 13.4m ²	Nil
Accessory buildings, over 13.4m ²	1.5 metres
Other principle uses listed in Table 12.4.1	1.5 metres

(9) Height

The maximum building height shall be in accordance with the following table:

Table 12.4.8

Use	Maximum Building Height (m)
Housing, single-detached	11 metres
Accessory building	6 metres
Other principle uses listed in Table 12.4.1	11 metres

(10) Additional Regulations

- (a) Accessory uses in this designation shall be subject to the regulations as per **8.1**.
- (b) Temporary uses in this designation shall be subject to the regulations as per **8.25**.
- (c) Non-conforming uses in this designation shall be subject to the regulations in **3.3**.
- (d) Parking and loading facilities in this designation shall be provided in accordance with the regulations in **Part 10**.
- (e) Landscaping in this designation shall be provided in accordance with the regulations in **8.16**.
- (f) The construction of signs in this designation shall be in accordance with the regulations in **Part 11**.

12.5 LOW DENSITY GENERAL RESIDENTIAL (R2)

(1) Purpose

The R2 – Low Density General Residential designation is intended to provide opportunities for innovation in residential development. Through the provision of narrower lots the development of low density housing types will be provided at higher than conventional densities.

(2) Permitted and Discretionary Uses

Table 12.5.1 outlines the permitted and discretionary uses contemplated in the R2 designation where approval is subject to the issuance of an authorized development permit.

Table 12.5.1

Permitted Uses	Discretionary Uses
<ul style="list-style-type: none"> • First Accessory Building 13.4 m² and over • Accessory Uses • Housing, duplex • Housing, single-detached • Housing, secondary suite • Home based business • Park 	<ul style="list-style-type: none"> • Second and additional, Accessory Building under 13.4m² • Second and additional, Accessory Building 13.4 m² and over • Bed and breakfast • Child care facility • Family care facility • Housing, manufactured • Religious institution • Utility installations • C-Can (Temporary) • Solar Collectors not in conformance with Section 9.10.

(3) Lot Area

The minimum lot area shall be in accordance with the following table:

Table 12.5.2

Use	Minimum Lot Area
Housing, duplex	200 m ² (per unit)
Housing, single detached (with adjacent rear lane)	250 m ²
Housing, single detached (without adjacent rear lane)	400 m ²
Other principle uses listed in Table 12.5.1	325 m ²

(4) Lot Frontage

The minimum lot frontage shall be in accordance with the following table:

Table 12.5.3

Use	Minimum and Maximum Lot Frontage (m)
Housing, duplex	Minimum 7.5 metres but maximum 10.5 metres
Housing, single detached (with adjacent rear lane)	Minimum/maximum of 7.5 metres
Housing, single detached (without adjacent rear lane)	Minimum/maximum of 10.5 metres
Other principle uses listed in Table 12.5.1	Minimum 7.5 metres but maximum 10.5 metres

(5) Lot Coverage

The maximum coverage of buildings (principle and accessory) on a lot shall be in accordance with the following table:

Table 12.5.4

Use	Maximum Lot coverage (%)
Housing, duplex	55%
Housing, single detached (with adjacent rear lane)	55%
Housing, single detached (without adjacent rear lane)	55%
Other principle uses listed in Table 12.5.1	55%

(6) Front Yard Setback

The minimum front yard setback shall be in accordance with the following table:

Table 12.5.5

Use	Minimum Front Yard Setback (m)
Housing, duplex	6 metres
Housing, single detached (with adjacent rear lane)	6 metres
Housing, single detached (without adjacent rear lane)	6 metres
Other principle uses listed in Table 12.5.1	6 metres

(7) Rear Yard Setback

The minimum rear yard setback shall be in accordance with the following table:

Table 12.5.6

Use	Minimum Rear Yard Setback (m)
Housing, duplex	5 metres
Housing, single detached (with adjacent rear lane)	5 metres
Housing, single detached (without adjacent rear lane)	5 metres
Other principle uses listed in Table 12.5.1	5 metres
Accessory buildings, under 13.4m ²	Nil
Accessory buildings, over 13.4m ²	1.5 metres

(8) Side Yard Setback

The minimum side yard setback shall be in accordance with the following table:

Table 12.5.7

Use	Minimum Side Yard Setback (m)
Housing, duplex	1.5 metres
Housing, single-detached (side property line of a flanking street)	3.0 metres
Housing, single-detached (on one side of the lot where there is no road or lane access from the rear yard)	3.0 metres
Accessory buildings, under 13.4m ²	Nil
Accessory buildings, over 13.4m ²	1.5 metres
Other principle uses listed in Table 12.5.1	1.5 metres

(9) Height

The maximum building height shall be in accordance with the following table:

Table 12.5.8

Use	Maximum Building Height (m)
Housing, duplex	11 metres
Housing, single detached (with adjacent rear lane)	11 metres
Housing, single detached (without adjacent rear lane)	11 metres
Accessory building	6 metres
Other principle uses listed in Table 12.5.1	11 metres

(10) Design Regulations

- (a) Where a lot has access to an adjacent rear lane, no vehicular access to the lot shall be provided from the fronting public roadway.
- (b) Where there is an attached garage accessed via the fronting public roadway, the garage shall not extend more than 1.0 metre in front of the living space of the dwelling.
- (c) Where there is an attached garage accessed via the fronting public roadway, the width of the garage facing the fronting roadway shall not exceed 50 percent of the total front façade/elevation of a dwelling.

(11) Additional Regulations

- (a) Accessory uses in this designation shall be subject to the regulations as per **8.1**.
- (b) Temporary uses in this designation shall be subject to the regulations as per **8.25**.
- (c) Non-conforming uses in this designation shall be subject to the regulations in **3.3**.
- (d) Parking and loading facilities in this designation shall be provided in accordance with the regulations in **Part 10**.
- (e) Landscaping in this designation shall be provided in accordance with the regulations in **8.16**.
- (f) The construction of signs in this designation shall be in accordance with the regulations in **Part 11**.

12.6 HIGH DENSITY RESIDENTIAL (R3)

(1) Purpose

The R3 - High Density Residential designation is intended to provide opportunities for the development of higher density residential. The intent of this zone is to encourage residential development at higher densities in close proximity to key nodes and/or corridors

(2) Permitted and Discretionary Uses

Table 12.6.1 outlines the permitted and discretionary uses contemplated in the R3 designation where approval is subject to the issuance of an authorized development permit

Table 12.6.1

Accessory buildings, under 13.4m ²	Nil
Accessory buildings, over 13.4m ²	1.5 metres
Other principle uses listed in Table 12.6.1	5 metres

(8) Side Yard Setback

The minimum side yard setback shall be in accordance with the following table:

Table 12.6.7

Use	Minimum Side Yard Setback (m)
Housing, duplex	1.5 metres
Housing, low rise/high rise apartment	3 metres
Housing, triplex	1.5 metres

Accessory buildings, under 13.4m ²	Nil
Accessory buildings, over 13.4m ²	1.5 metres
Other principle uses listed in Table 12.6.1	1.5 metres

(9) Height

The maximum building height shall be in accordance with the following table:

Table 12.6.8

Use	Maximum Building Height (m)
Housing, duplex	11 metres
Housing, low rise/high rise apartment	20 metres
Housing, triplex	11 metres
Housing, fourplex	11 metres

Accessory building	6 metres
Other principle uses listed in Table 12.6.1	11 metres

(10) Additional Regulations

- (a) Accessory uses in this designation shall be subject to the regulations as per **8.1**.
- (b) Temporary uses in this designation shall be subject to the regulations as per **8.25**.
- (c) Non-conforming uses in this designation shall be subject to the regulations in **3.3**.
- (d) Parking and loading facilities in this designation shall be provided in accordance with the regulations in **Part 10**.
- (e) Landscaping in this designation shall be provided in accordance with the regulations in **8.16**.
- (f) The construction of signs in this designation shall be in accordance with the regulations in **Part 11**.

12.7 MANUFACTURED HOME PARK (MHP)

(1) Purpose

The MHP – Manufactured Home Park designation is intended to provide for and regulate the development of land for the use of manufactured homes on lots in comprehensively designed parks wherein no individually titled parcels have been created.

(2) Permitted and Discretionary Uses

Table 12.7.1 outlines the permitted and discretionary uses contemplated in the MHP designation where approval is subject to the issuance of an authorized development permit.

Table 12.7.1

Permitted Uses	Discretionary Uses
<ul style="list-style-type: none"> • First Accessory Building 13.4 m² and over • Accessory Uses • Housing, manufactured home • Park 	<ul style="list-style-type: none"> • Second and additional, Accessory Building under 13.4m² • Second and additional, Accessory Building 13.4 m² and over • Group homes • Home businesses • Utility installations • C-Can (Temporary) • Solar Collectors not in conformance with Section 9.10.

(3) General Regulations

- (a) A Comprehensive site plan shall be required for manufactured home parks developed after 2015.
- (b) Prior to the development of a new Manufactured Home Park the applicant will submit to the Development Authority a comprehensive site plan and/or any other supporting documentation that will identify the following elements:
 - (i) Site area with lot lines of the manufactured home park and any titled lots clearly delineated.
 - (ii) Proposed layout and placement of individual housing units.
 - (iii) Internal and adjacent pedestrian or walkway connections.
 - (iv) Internal and adjacent roadways.
 - (v) Internal and perimeter landscaping.
 - (vi) Garbage areas.
 - (vii) Parking areas.

- (viii) Recreational areas.
 - (ix) Storage areas.
- (c) A development permit and move-in permit are required anytime a new manufactured home unit is moved onto a Manufactured Home Park site. Move-in permits shall require:
- (i) Third party certification from an accredited inspection agency including the Canadian Standard Association (CSA), Intertek or Quality Auditing Institute (QAI).
 - (ii) Alberta Municipal Affairs Label or CSA Label.
 - (iii) Model number.
 - (iv) Manufactured home unit serial number.
- (d) A move-out permit is required when units vacate a site. A new move-in permit shall not be issued until a move-out permit has been completed for the lot.
- (e) All permits are the responsibility of the Manufactured Home Park site.

(4) Manufactured Home Park Size

- (a) The gross density of a residential home park is 17 manufactured homes per hectare
- (b) A residential home park shall have a minimum park area of 2 hectares but a maximum park area of 4 hectares

(5) Setbacks

- (a) The minimum yard requirements for manufactured homes shall be at least:

12.16 DIRECT CONTROL (DC)**(1) Purpose**

The DC – Direct Control designation is intended to provide control over the use and development of land or buildings for which Council has determined that, because of unique land use characteristics, innovative ideas, or special environmental concerns, such development could not be effectively accommodated under any other land use designation in this Bylaw.

(2) Permitted and Discretionary Uses

- (a) All permitted and discretionary uses shall be as prescribed in the previously written Statutory Plan.
- (b) In the absence of an adopted Area Structure Plan or Area Redevelopment Plan, any use which, in the opinion of the Development Authority, is compatible with the character of existing surrounding uses and adjacent designated Land Use Districts may also be allowed.

(3) Development Standards

- (a) The Development Authority may require additional information to properly evaluate the proposed development in terms of its compliance with this Bylaw, and any applicable Statutory Plan.
- (b) All development shall comply with the lot sizes, building setback requirements and other development criteria as prescribed in any applicable Statutory Plan.

(4) Additional Regulations

- (a) All other development requirements shall be at the discretion of the Development Authority. In determining the appropriate requirements for a development in the DC District, the Development Authority shall have regard to any provisions in this Bylaw for similar uses or developments.
- (b) In the absence of an adopted Area Structure Plan or Area Redevelopment Plan, the regulations which will be applied to a development will be those which, in the opinion of the Development Authority, are compatible with the character of existing surrounding uses and adjacent designated Land Use Districts.

12.17 DIRECT CONTROL DISTRICT – 2020-01**(1) Location**

Lot 1, Block 9, Plan 148BT (4906 – 50 Street)

(2) Purpose

To accommodate and allow for the residential units to be located on the ground floor within an otherwise designated Central Commercial (C1) district.

(3) Permitted Uses

(a) Two (2) Ground floor residential units.

(b) As per the permitted uses contained within the Central Commercial (C1) designation.

(4) Discretionary Uses

(a) Additional ground floor residential units.

(b) As per the permitted uses contained within the Central Commercial (C1) designation.

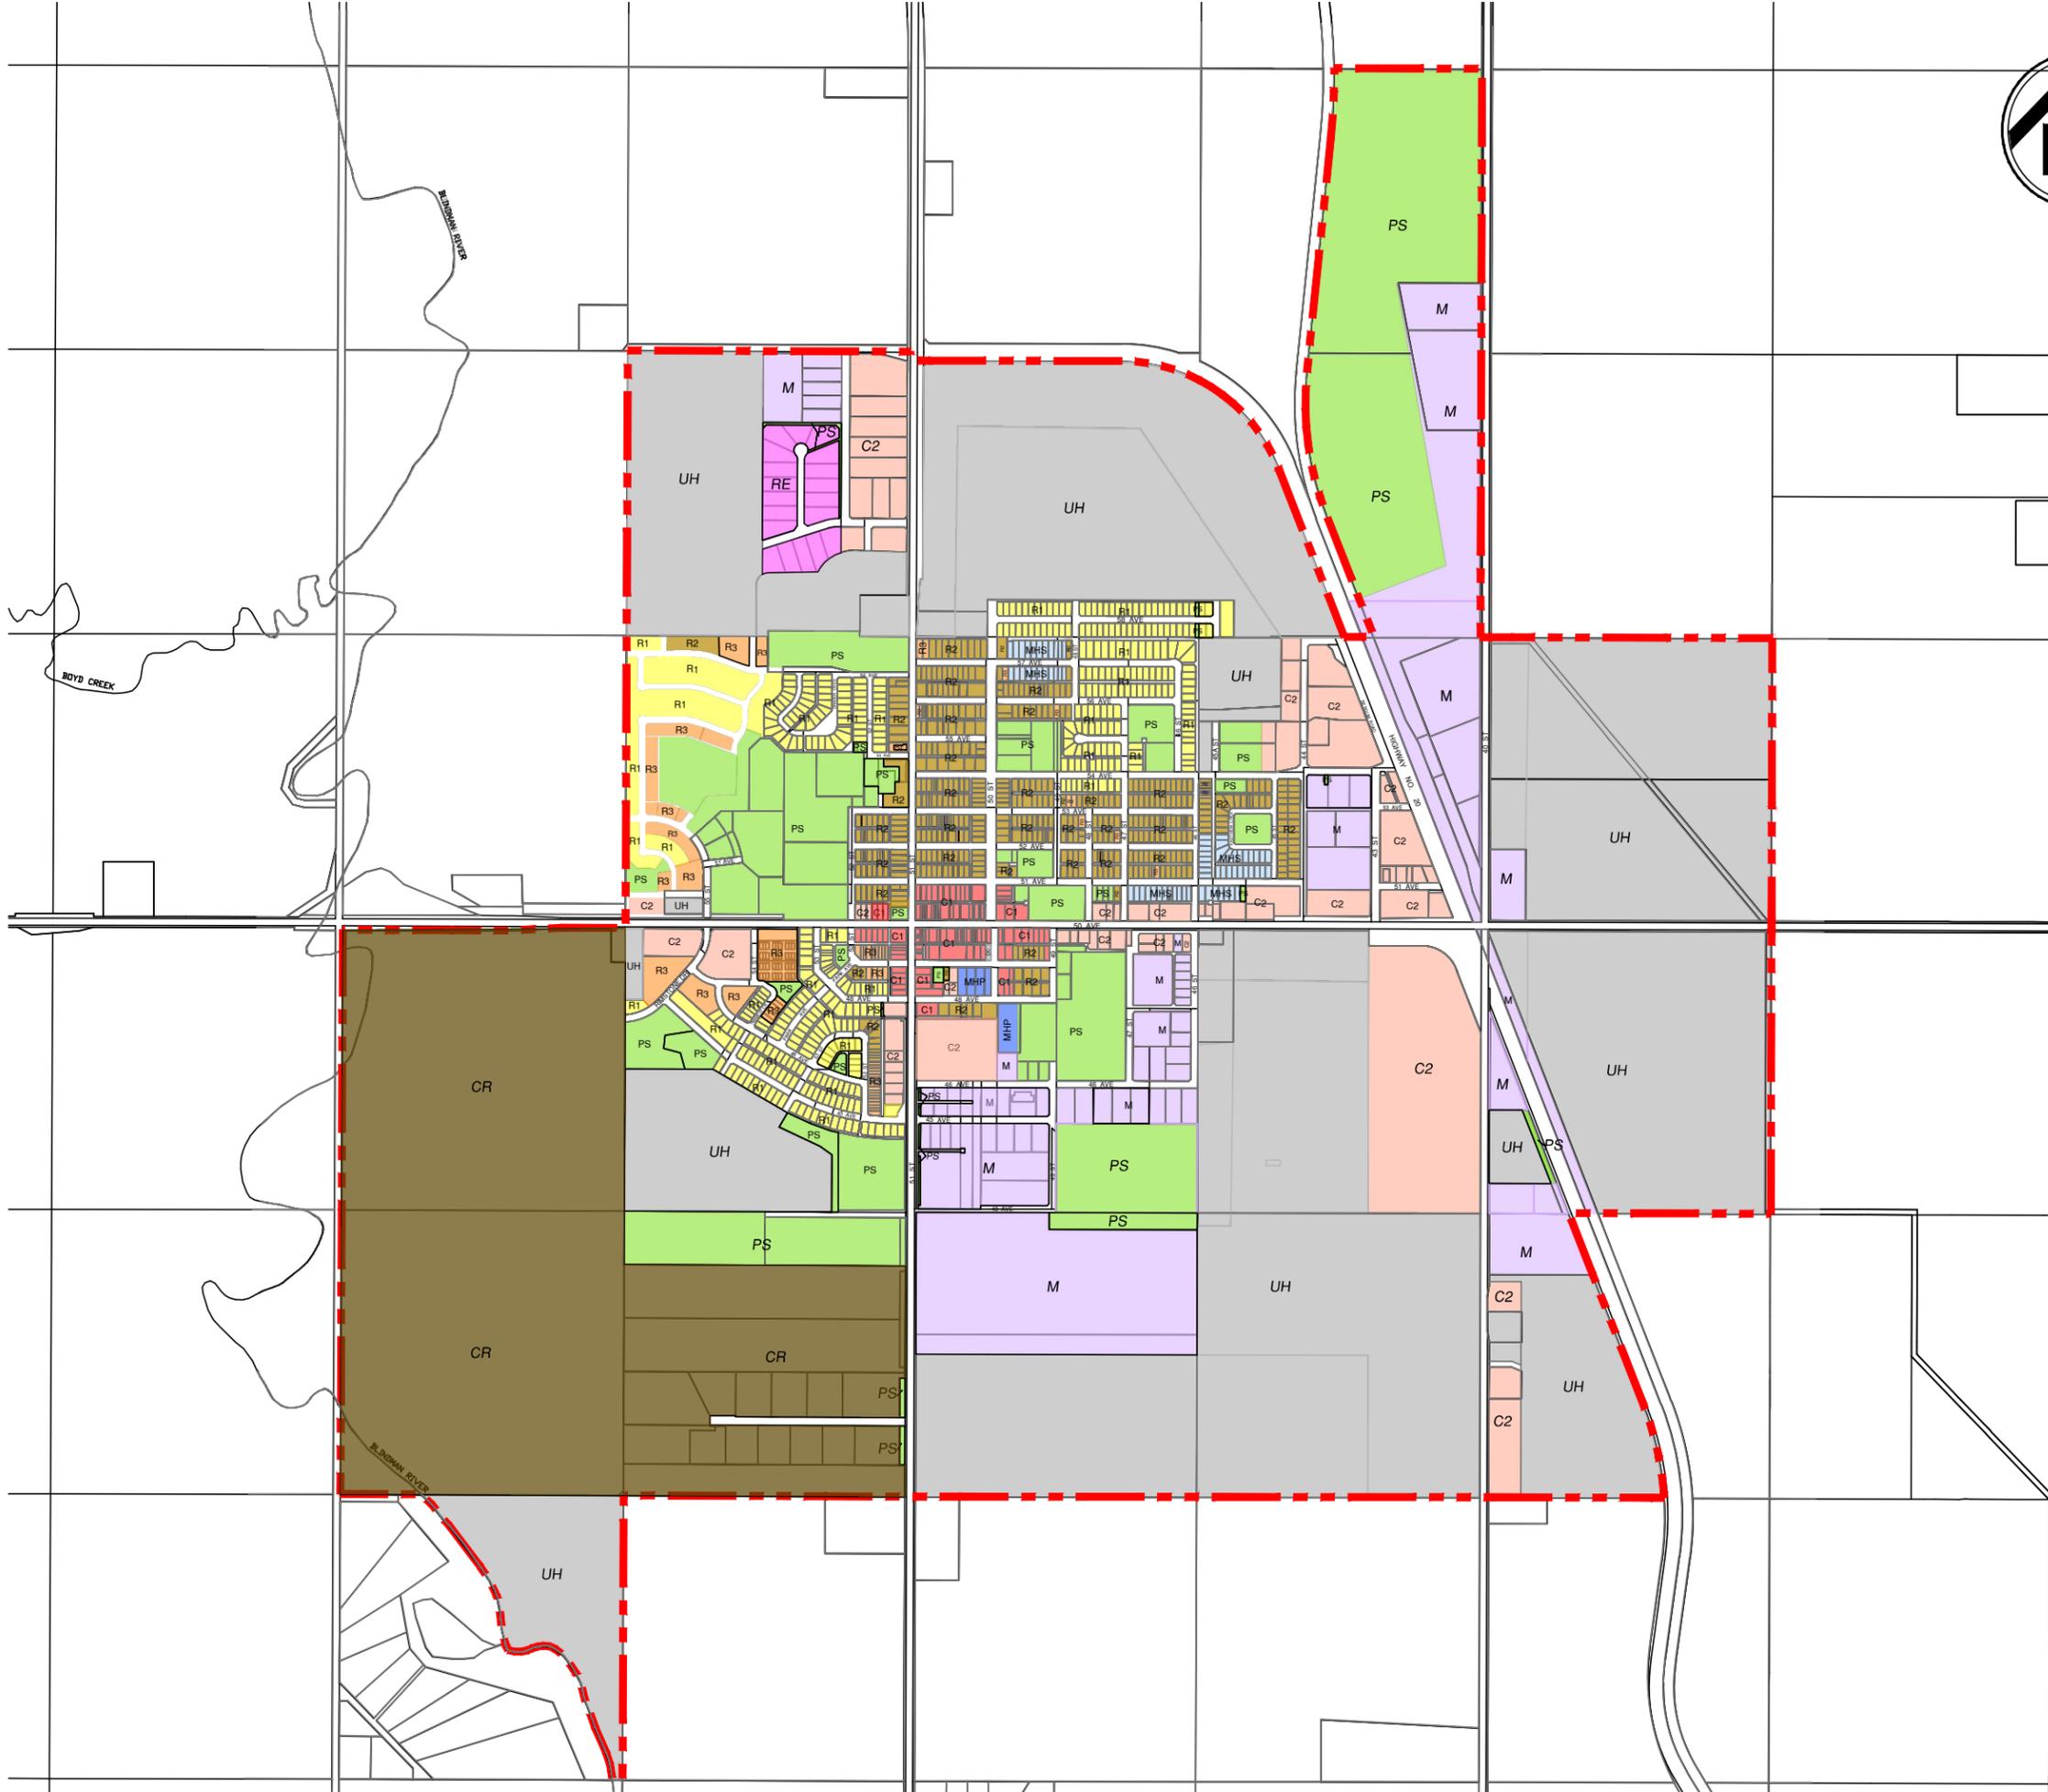

(5) Development Standards and Setback Requirements

(a) As per the requirements contained within the Central Commercial (C1) designation.

(b) Additional development standards as determined by Council or its delegate.

(6) Maximum Number of Lots

(a) One (1).

I oppose the reduction on the zoning to allow “manufactured homes” to the 1008/24 Land Use Bylaw. I realize there can be some nicely built manufactured homes, but there can be some bad ones out there as well. For an example you can speak with Dwayne Adam about the manufactured home that was placed in Evergreen Estates that you allowed to be built contrary to this bylaw. The construction of that home does not even meet the minimum codes let alone fit into the neighborhood. 35th Avenue is 80% built out, why would we want to lower the standards now.

Good afternoon, Elizabeth.

I am sending my reply regarding the adjacent landowner circulation notice I received referring to 1008/24 Amendment to Land Use Bylaw 917/16.

I am **opposed** to the amendment, and I believe the bylaw should remain as originally written.

This restriction was one of the main reasons we decided to build what, and where, we did.

Thank you for your time.

Town of Rimbey

This letter is in response to the proposal for a land use bylaw amendment. This proposal is vague, I am assuming it is only for 35th Avenue. We purchased our bare acreage in 2012 and have spent \$100's of \$1000's of dollars on a beautiful home and shop. The bylaws were only for stick built properties of a certain size. That is what this neighbourhood is and we absolutely are against any changes to the bylaws.

Rimbey has many subdivisions that have allowed all manner of housing and it's always been a disaster.

Manufactured homes will bring our property values down! Whoever wants this should go to the other subdivisions that do allow this type of home.

100% against this!

Dear Elizabeth Armitage,

We strongly oppose this amendment. There are only two undeveloped lots left in our community so it doesn't seem logical to change the bylaws now. We all had stringent rules to adhere to when we built our houses in order to maintain the value of our properties as well as to keep our little community aesthetically pleasing.

We request that these bylaws remain unchanged.

Thank you for your attention to this matter.

Re: 1008/24 Amendment to Land Use Bylaw 917/16

I am writing to express my strong opposition to the proposal of adding manufactured homes to the Residential Estates subdivision in Rimbey. As a resident of this community, I have several concerns regarding this change and its potential impact on our neighbourhood.

Firstly, the building codes and standards for manufactured homes differ significantly from those of modular homes and traditionally built (stick-built) homes. Manufactured homes are typically constructed to comply with a national standard that can vary from the Canadian building codes followed for modular and stick-built homes. This discrepancy can lead to differences in construction quality, durability, and overall aesthetic that may not align with the existing houses in our subdivision.

The Residential Estates subdivision has been developed with a specific architectural and community standards in mind, which has contributed to the overall appeal and property values of the area. Introducing manufactured homes, which often have different exterior appearances and materials, could disrupt the visual harmony of our community. The change may lead to a decrease in property values and alter the character of the neighbourhood that many of us chose to invest in and call home.

Moreover, there are concerns regarding the long-term maintenance and longevity of manufactured homes. Historically, these homes have been more susceptible to wear and tear over time, potentially leading to increased maintenance needs and costs. This could affect the overall upkeep of the subdivision and place additional burdens on homeowners.

It is important to note that the original vision of the developer has already been altered with the addition of modular homes in July 2018 (944/18), despite opposition from residents of the subdivision. Allowing manufactured homes could further deviate from the initial planning and set a precedent for future changes that may not be in the best interest of our community.

Given these concerns, I strongly believe that maintaining the current standards and restrictions for the Residential Estates subdivision is crucial. Allowing manufactured homes could result in decreased property values and undermine the integrity and appeal of our neighbourhood. I urge the town council to consider the significant concerns raised by myself and other residents and to reject this proposal to maintain the integrity and value of Residential Estates subdivision.

Sincerely,

Duane Adams

RE: 1008/24 Amendment to the use bylaw 917/16

Dear Ms. Elizabeth Armitage, MEDES, RPP, MCIP

In reference to your letter that was sent to all residence of Rimbey concerning the land bylaw which may impact landowners by building **housing - manufactured homes** to the vacant lots.

I, Eric Eaton sole property owner of _____ - Rimbey, currently out of the province and won't be able to attend the meeting in person, I am sending my vote via e-mail.

I purchased this house/property 3.5 years ago in good faith that it would be a good subdivision for Rimbey. I put my life savings and retirement in to this investment and I was planning to call this my home, not to see my property value decrease by lowering the standards that were preset by this subdivision bylaws.

Myself and other homeowner pay high property taxes in this area, it makes no sense to lower the standards of these properties for a few people who want to sell their portions of land and won't be living in that area calling it "home."

Good afternoon Elizabeth et al:

Thank you for your recent letter regarding the Proposed Amendment to the 1008/24 Land Use Bylaw to include “manufactured home” wording.

We are strongly opposed to this proposal!

Our area was annexed from Ponoka County in 2006. When Jack Bartko (used to own the 25 acres on the north side of 35 avenue) and we (used to own the 22 acres on the south side of 35 avenue) and we applied to sub-divide our acreages in 2007 one of the numerous covenants issued by the town (and agreed to by Bartkos and us) included a “stick built” permanent dwelling of 1640 square feet minimum. These covenants were designed to promote a classy urban/rural development. Some lots sold well but not others due to the negative economic and political issues encountered for several years. Ours is a nice area with good neighbourly folks. Again, we are strongly opposed to the proposed amendment to 1008/24 Land Use Bylaw to down-grade the covenant to include “manufactured home”!

Dear Town of Rimbey,

Re: 1008/24 Amendment to Land Use Bylaw 917/16

This letter is in response to your communication, dated July 5, 2024, regarding proposed land use changes in our residential estate.

Objections and clarifications:

1. Please clarify the definition of a manufactured home. This could open the gates to mobile homes being sited, as a mobile is by definition a manufactured home.
2. Are there any proposed changes to the minimum size requirements to a home? This I am given to understand is currently set to 1500sq ft on the main home level.
3. Will there be a requirement to have a house set permanently on a full foundation?
4. Given the proposal would potentially allow lesser quality developments that will change the original concept of our neighborhood and possibly devalue our homes, what changes to the tax assessments can be expected?
5. Is this proposal driven by a specific application from a single developer?

Note: We are extremely concerned that the area could be vastly affected by cheap, poor quality developments that detract from this estate and its overall appeal. All current residents / landowners have paid a premium to reside in an area that by its nature has home owners who take pride in their homes. So with that being said, we are opposed to the changes in the Land Use Bylaw 917/16.

Yours sincerely

Lynne and John Bromwich

To whom it may concern

I Mike Short and family currently reside in Evergreen Estates and have lived there for about 10 years.

We are strongly opposed to the building ammendment to allow modular/mobile or any other type of factory built homes into our subdivision.

We have spent good money and pay high taxes to live in our subdivision and don't want our house de-valued with these homes.

We are already disappointed with how this subdivision has bent the rules for other properties in the neighborhood. When we purchased our home in Evergreen Estates it was supposed to be a gated community with multiple building stipulations to regulate the house builds and be somewhat higher end houses. I feel this all went to the wayside because the subdivision owner could not sell the lots as he had thought. This is not our problem nor should we have to pay the price for it.

If there is a demand for lots that people want to put factory built homes on, maybe the town of rimbey should be looking into making more subdivisions not changing regulations that were promised in others.

No manufactured homes, mobile homes, ready-to-move homes, trailers, or modular homes may be placed at any time on any single lot.

My opinion would be to stick to the residential dwelling of 1614 sq feet or more

Good Afternoon Elizabeth (and Town Council)

I have been made aware of a request for rezoning on 35th ave. Rimbey.

I am not an adjacent lot but one away and do oppose the reduction on the zoning to allow “manufactured homes” to the 1008/24 Land Use Bylaw.

My opinion is to keep the covenant issued when the subdivision was built as *“stick-built” dwelling of 1,640 square feet minimum*

I realize there can be some nicely built “manufactured” homes but there can be some pretty crappy ones cut there as well.

I pay approximately \$15,000 in taxes every year over a third of it is on 35th ave.

Dear Elizabeth

Re: 1008/24 Amendment to Land Use Bylaw 917/16

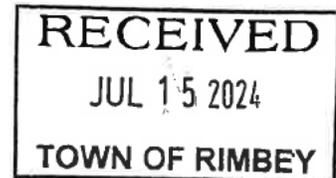

Thank you for your letter dated July 5, 2024 informing us of the proposed change to the Residential Estate Land Use Bylaw. We live at _____ in Evergreen Estates. We purchased our lot in good faith from the Developer in September, 2021 and built our home in 2022. Before purchasing our property, we researched a number of estate subdivisions in Central Alberta. We decided on Evergreen Estates as the Land Use Bylaws in place met our needs and vision; specifically, the Design Regulations which include the minimum size requirement, exterior finish restrictions and, most importantly, prohibit moved in or relocated homes. In fact, I met with you at the Town Office on January 20, 2022 to discuss the Estate Land Use Bylaws. We would have definitely not built a home in Rimbey without these Design Regulations being in place.

We were actually very pleased when we applied for a Development Permit and found how much detail you as Planning and Development Officer requested. We felt that the high level of detail insured compliance and the ongoing integrity of the subdivision. Now, two years later, the Town is contemplating the relaxation of these bylaws. The proposed change devalues the subdivision and the properties of all of the residents. I cannot stress enough the potential for negative financial impact this change will have on the equity of the existing home owners. By agreeing to this change the Town will be taking money from the pockets of the subdivision residents and putting it into the pocket of the Developer. When reasonable people are unable to sell their assets, they reduce their asking price, they do not change the rules to shift the financial burden to others so that they can gain.

Evergreen Estates should be a valued asset for the Town of Rimbey. It is a premium and desirable subdivision and in order to maintain it as such it is in the Town's best interest to deny this change request.

We plan to attend the meeting on July 22, 2024 and will be very interested in the Town's response.

Sincerely; Robert and Pamela Lawson

Good afternoon Elizabeth

I have received notice of a request to change a zoning bylaw on 35th ave.

I do not agree to the relaxation of the existing covenant.

Manufactured homes is too broad a term in construction.

This can be taken as anything from a mobile home, double wide trailer, etc.

some RTM homes if build by companies such as Jade, could meet all the standards as they are built at a site with the same construction practices as used on a stick built home that has been built on site in our development. Only difference being they are moved in by truck after completion.

As it stands I do not approve of the request 1008/24 to the present bylaw of 917/16

thanks

Good Evening Elizabeth & Town Council. We (Trinity & Shayne Leamont have received your letter. We oppose the reduction on the zoning to allow “Manufactured Homes” to the 1008/24 use Bylaw. We all had to build stick- built houses with a certain amount of square footage. We & Everyone else here have followed the rules. There are only 2 lots left. We think that everyone else should have to follow the rules!!! Adding modular homes, trailers etc will depreciate the value of our homes.

Dear Members of the Town Council,

We are writing to express our concerns regarding the proposal to allow manufactured homes in Evergreen Estates. As future homeowners in this neighborhood, we strongly believe that this change will negatively impact the value and appeal of the area.

When we decided to purchase our lot in Evergreen Estates, one of the primary factors in our decision was the stringent building criteria established for the community. These criteria, including specific requirements for the size, type of roof, and exterior siding of homes, were put in place to ensure a cohesive and high-quality appearance for the neighborhood. These standards have contributed to the development of a desirable and aesthetically pleasing community.

Allowing manufactured homes, which often do not meet these criteria, would undermine the integrity of these standards and potentially decrease the property values of existing homes. Land owners and future homeowners, like ourselves, have made significant investments based on the assurance that the neighborhood would maintain a certain level of quality and consistency. Introducing manufactured homes could lead to a less cohesive appearance and diminish the overall appeal of the area.

Moreover, the term "pre manufactured housing" is too vague, encompassing both mobile and modular homes. If the bylaw is amended to allow such homes, specific and stringent criteria must be established. For instance, requiring that homes be set on a permanent foundation, such as a basement, would help maintain architectural consistency and neighborhood integrity.

We urge the Town Council to reconsider this proposal and uphold the original building criteria that have been so integral to the development and success of Evergreen Estates. By doing so, you will help protect the investments of current homeowners and ensure the continued growth and prosperity of our community.

Thank you for your attention to this matter.

Sincerely,

To whom this may concern;

I totally disagree with this potential amendment.

I can't believe the town council is even considering this.

This doesn't affect me now but if I owned a high value home in the Everygreen subdivision I would be upset if a manufactured house was placed next to my home.

Those folks that own homes in this subdivision would have never built their homes in the Everygreen subdivision if the zoning could be changed and manufactured homes were to be permitted in this subdivision.

This should have been disclosed when the lots were sold initially.

I wouldn't want to be Dwayne Adams who built a million dollar home that will probably be valued at \$700K after the zoning changes.

I can assure you that no one in that subdivision will recover their input costs for their homes.

Homes will immediately devalue.

I don't think that if this zoning change is adopted that this will do anything favourable for town council credibility either.

Everyone wants to be a land developer and make a fortune but it doesn't always work that way.

I know this from experience.

I don't think it's fair to have the current home owners have their homes devalued.

Good morning,

Thank you for the opportunity to review your proposed LUB changes. Here are some comments for your consideration:

Where the department is referred to as Alberta Transportation, please update to read: Alberta Transportation and Economic Corridors.

In reference to 4.2 Referral of Applications, Items (3) (a) and (b): Rimbey has no minor classified highways, multi-lane and major classified highways are the same referral proximities. The following is taken from the HDPR

(b) in the case of a multi-lane / (c) major provincial highway other than a freeway,
(i) within the right of way or within 300 metres beyond the limit of the highway, or
(ii) within 800 metres from the centre point of the intersection of the highway and another highway,

May I suggest this change:

- (1) Notwithstanding 4.2(1), the Development Authority may refer development in proximity to a Highway:
 - (a) Applications for development located within 0.83 km of the highway right of way, or within 0.8 km of the centre point of the intersection of the highway and another roadway, of a multi-lane highway or a major two-lane highway where the proposed development would have direct access from the highway or intensify traffic to impact highway intersection shall be referred to Alberta Transportation and Economic Corridors for comment prior to any decision by the Development Authority;
 - ~~(b) All applications for development located, within 150 m of the right of way of a minor two-lane highway where the proposed development would have direct access from the highway may be referred to Alberta Transportation for comment prior to any decision by the Development Authority.~~

... and signage, as we discussed at our recent meeting, and in the interest of time as I'm off tomorrow, a lot of our standards are the same as yours, however anything regarding the following can be updated:

Pursuant to Section 11 (2) of the Highways Development and Protection Regulation, a permit for a sign is not required for a business identification sign provided that the sign is located no closer to the highway than the proposed building or is no more than 30m from either side of the building. If a proposed sign does not meet these requirements the landowner shall submit a separate sign

Council Agenda Item 4.1

application. Fascia signage would apply to this regulation and Alberta Transportation and Economic Corridors has no objections to fascia signage provided there are no:

- Displays of intermittent flashing, rotating, or moving light,
- Flood-lighted in such a manner as to cause a visual distraction for the motoring public,
- Moving or rotating parts,
- Bears a legend giving a command to stop, stop ahead, look, or exercise caution, or gives a similar command, or
- Bears a legend that in any way imitates a standard or commonly used highway traffic sign

Thank you again for the opportunity to review. Should you have any questions, please don't hesitate to reach out.

Cheers,

Cheryl Marcyniuk

RE: Bylaws 1406/24 and 1407/24

Thank you for the opportunity to comment on the Land Use Bylaw 1008/24. The review by Alberta Health Services- Central Zone Environmental Public Health (AHS), was done using a public health lens that includes considerations for the design of healthy communities based on five health aspects: healthy neighbourhood design, transportation networks, natural environments, housing, and food systems. These concepts are part of the 2018 [Healthy Built Environments Linkages Tool Kit](#). The content of this letter includes a review of how these considerations are incorporated into the referral and any associated recommendations.

Healthy Communities By Design

Healthy Communities by Design is an evidence-based public health approach to municipal planning.

For more information or to contact us, please visit <https://albertahealthycommunities.healthiertogether.ca/take-action/healthy-communities-by-design/>

Environmental Public Health- Johnstone Crossing Community Health Center

p: 403-406-1029
Pamela.Kutuadu@ahs.ca

Healthy Food Systems include a built environment that can support access to and availability of healthy foods for all.

Healthy Transportation Networks include safe and accessible transportation systems that incorporate a diversity of transportation modes and place priority on active transportation over the use of private vehicles.

Specific policies mentioned in the LUB that support healthy transportation include Section 12.11 Town Center (C1) commercial district, which mentions the intent of fostering mixed use development and encouraging pedestrian movement and the Highway Commercial (C2), which prioritizes activities adjacent to highways to facilitate larger vehicular traffic to those areas.

AHS-SHE supports the requirement under section 9.8.8 for Manufactured Home Parks for a “*safe, convenient, all season pedestrian walkway at least 1.0 m wide*”. As well as the requirement for residential neighbourhood equivalent street lighting.

Healthy Neighbourhood Design includes those neighbourhoods where people can easily connect with each other and with a variety of day-to-day services.

AHS-SHE recommends reduction of the industrial- residential interface. According to the map provided, the residential-industrial interface is limited, however there are sections of town where the INDUSTRIAL and PUBLIC SERVICE land use districts abut existing residential areas. Section 8.4 makes specific mention of requirements for Residential and Industrial Adjacent developments through the use of measures such as screening and noise control.

The proposed permitted uses under PUBLIC SERVICE (section 12.14) the district allows for the incompatible uses of a landfill along with sensitive uses such as residential care facilities, schools or a hospital within the same district. While the definition of “INDUSTRIAL” in the LUB states that “*uses will not cause objectionable or noxious conditions (noise, odour, dust, vibration) beyond the lot boundary*”, AHS-SHE recommends that uses that have the potential to create offsite impacts like landfills be moved to discretionary uses instead of permitted.

Healthy Natural Environments includes those where natural environments are protected, and natural elements are incorporated and are experienced by and accessible to all. Diverse ecosystems are more resilient and able to recover from a variety of natural and human induced stressors (i.e., climate change, forest fire, urbanization).

The proposed LUB contains restrictions for development on lands with slopes >15% grade and within 20m of the bank of waterbodies and discretionary requirements for professional assessments. Under section 4.1.2 engineer assessments may be required for flood hazard areas. AHS-SHE supports the inclusion of policies that ensure site suitability.

Healthy Housing includes affordable, accessible, and good quality housing for all that is free of hazards and enables people to engage in activities of daily living while optimizing their health. The map includes a variety of residential densities within the town.

The proposed LUB contains inclusive policies with secondary suites as permitted use for all residential land use districts. This can aid with “aging in place” as well as providing economic co-benefits to homeowners and more affordable rental options.

Cannabis Production and Retail Sales

AHS-SHE supports the inclusion of policies that prevent the normalization and enhanced accessibility of cannabis for youth and children. Section 9.2 and 9.3 restrict production and sales activities to beyond 100m of residential districts, other cannabis retail outlets, schools, health care facilities and emergency shelters.

The LUB definitions include “cannabis lounge”, however there was no mention of it being a permitted or discretionary use under any of the use districts. Should the town receive applications for such a development, AHS would appreciate the opportunity to review.

Drinking Wells and Wastewater Systems

At the subdivision and/or development stage AHS-SHE recommends mapping of the location of the drinking water wells and existing sewage systems within and adjacent to the plan area to protect drinking water sources and prevent negative health impacts on residents. Separation distances between drinking water wells and sewage systems are detailed under Section 15 of the [Nuisance and General Sanitation Regulation \(AR 243/2003\)](#).

AHS has no objection to the proposed LUB and makes the recommendation that landfills be moved to from a permitted use to a discretionary use under the PULBIC SERVICE district.

Town Council
REQUEST FOR DECISION

Meeting: August 26, 2024
Submitted By: Craig Douglas, Chief Administrative Officer
Subject: Change to Speed Zones in Rimbey
Item For: Public Information -or- Closed Session

BACKGROUND:

At the Regular Council Meeting held on June 13, 2022, Councillor Rondeel had requested to change the speed limit within the Town of Rimbey to 40 km/h from 50 km/h. Council discussed the request and made the following motion:

Motion 137/2022

Moved by Councillor Rondeel for Administration to put in a formal request to the Minister of Transportation to change the speed limit within the Town of Rimbey to 40 km/hr from 50 km/h and to move the 70 km/hr to the north side of the intersection of Hwy 20 and 20A adjacent to the Coop Cardlock.

CARRIED

On February 23, 2024, Administration received a letter from Honourable Jason Nixon to inform the town that the proposed changes by Alberta Transportation and Economic Corridors to speed limits on Highway 53 and Highway 20A are set to proceed.

DISCUSSION:

Does Council wish to proceed with the change or do they wish to notify the public for feedback before proceeding?

RECOMMENDATION:

Administration recommends Council determine how they wish to proceed.

REQUEST FOR DECISION

Meeting: August 26, 2024
Submitted By: Craig Douglas, Chief Administrative Officer
Subject: Rimbey Hockey Print Donation
Item For: Public Information -or- Closed Session

BACKGROUND:

Mayor Pankiw is proposing that the Town of Rimbey donate Rimbey Hockey Prints to the winning teams and coaches for the curling championship with an approximate cost of \$1650. This cost includes matting and framing of the prints.

RECOMMENDATION:

Administration recommends that Council determine if they wish to donate framed hockey prints to the winning teams and coaches for the curling championships being held in Rimbey.

REQUEST FOR DECISION

Meeting: August 26, 2024
Submitted By: Craig Douglas, Chief Administrative Officer
Subject: Keyera Corp. Naming Rights
Item For: Public Information -or- Closed Session

BACKGROUND:

In 2013, Keyera Corp signed a five-year agreement with the Town of Rimbey for the naming rights to the Peter Loughheed Community Centre. In 2018, a five-year extension to the agreement was signed.

Administration had a meeting with Keyera Corp and they are not interested in pursuing the naming rights in the current form. They may consider it with a name change to the building or something more recognizable for their "brand". Keyera has historically provided \$25,000 a year to the Town.

RECOMMENDATION:

Administration recommends that Council determine if they are open to a name change to the Peter Loughheed Community Centre to ensure that Keyera continues with the naming rights agreement.
