		<h1>Town of Rimbey Policy Manual</h1>	
Title: Country Residential Mill Rate		Policy No:	1301
Date Approved: February 12, 2019		Resolution No:	041/19
Date Effective: February 12, 2019			
Purpose:		To create a mill rate for those residential properties that were annexed in 2003 and have not changed the use of their properties, but have simply subdivided their property.	
Policy Statement: A Country Residential mill rate will be established for all residential properties that were annexed in 2003 and have not changed the use of their properties, but have subdivided the property. The Country Residential mill rate will be based on the current residential mill rate less three mills. When those annexed residential properties change use or tie in to the town's water or sewer systems, they will be charged the regular residential mill rate.
